County Clerk Jamie Romeo, County Legislator Ricky Frazier Bring Mobile DMV Services to Salvation Army

(Rochester NY) – The Monroe County Mobile DMV Unit is on the move again, visiting the Salvation Army location at 100 West Avenue in Rochester, thanks to a partnership with Monroe County Legislator Ricky Frazier.

According to Monroe County Clerk Jamie Romeo “The Mobile DMV Unit is a critically important resource that brings access to DMV services to communities who have long struggled with accessing these services at a DMV branch. I’m grateful for Legislator Frazier’s leadership in making this event possible.”

Legislator Ricky Frazier commented that “I’m happy to partner with the Monroe County Clerk’s Office to offer the Mobile DMV on the West Side of the City for residents to get their Real ID/Enhanced Driver’s License if they don’t already have a passport, or to apply for a Non-Driver ID. Starting May 7th the Real ID, Enhanced Driver’s License, or passport is required to fly domestically and to enter some federal buildings.”
