Dear Pistol Permit Applicant:

The Monroe County Clerk’s Office is proud to be the lead administrative agency that provides a pass-through for pistol permit applications as they make their way through the authorization process. Due to the number of agencies involved and the tasks required of each of these agencies, according to state and federal law, the processing of a pistol permit application can take up to 16 months.

The County Clerk’s Office facilitates the transfer of the pistol permit file to the Monroe County Sheriff’s Office for suburban residents and the Rochester Police Department for City residents. Law Enforcement will conduct a thorough investigation, interview references, and receive comment from the State Department of Mental Hygiene and the State Department of Criminal Justice Services. Thereafter, a recommendation is made to the Court for approval or denial.

Once the County Clerk’s Office receives the pistol permit file from the Law Enforcement agency, it is forwarded to a Monroe County Court Judge who will then make a final decision on the applications. Applicants may receive notice of approval or disapproval from a Judge by mail.

Due to the high volume of applications and with the majority of the pistol permit process taking place outside the County Clerk’s Office purview, the current processing time for applications is 9-16 months. Given the State Privacy Laws, staff cannot provide a status or information about an individual’s application over the phone or email.

Finally, if you move at any point during the application process, you must visit the Clerk’s Office to update your file. This is imperative as Law Enforcement or the Court may attempt to contact you during the process.

If you have any additional questions related to Pistol Permits, please contact the Pistol Permit Division in the Monroe County Clerk’s Office at 585-753-1642 or email MCPistols@MonroeCounty.gov.

Sincerely,
Jamie Romeo
Monroe County Clerk

ADDITIONAL INFORMATION

Application fees are not refundable.

If you elect to list a gun on your permit application, an original bill of sale from a Federal Firearms Licensed (FLL) Dealer must accompany the application. This must be on the dealer’s letterhead and list the address, phone number, FFL number, NYS Drivers License number, and a description of the firearm. Per New York State SAFE Act Law: Effective 2013, ALL private firearms sales/transfers in New York require a background check of the buyer/transferee. Sales or transfers to immediate family members (i.e., spouses, domestic partners, children, and stepchildren) are exempt from this provision. For more information, please visit https://safeact.ny.gov/ or call 1-855-LAW-GUNS.

Unregistered pistols in your possession or out-of-state pistols must be turned in to law enforcement officials until your permit is issued. If you have an unregistered pistol, please call 911 and request to meet with an officer to surrender the pistol into their custody. You will be given a receipt for the pistol(s), which must be included with your application. You will also need to include a notarized letter explaining how the pistol was obtained and whether it was legally registered elsewhere.

It is not required that you acquire a gun before you apply for a pistol permit.

WHAT DOES ARREST MEAN?

Your pistol permit application specifically states: “Have you ever been arrested, summoned, charged or indicted anywhere for any offense, including DWI (except traffic infractions)?”

You must state all arrests regardless of whether or not you were convicted. Sealed charges must also be listed.

What does arrest mean?

- You were given an appearance ticket by a police officer to appear before a judge for anything from a town/village ordinance on up to a felony.
- You were handcuffed and taken to jail.
- You were fingerprinted and photographed for a criminal matter of DWI by the police.
- A warrant for an arrest was issued for you and you either were directed to turn yourself into a police department or appear before a judge.
- You were directed by a police officer to appear before a judge.

Any omission of fact or any false statement will be sufficient cause to deny this application and constitutes a crime punishable by fine, imprisonment or both.

If you appeared in Court, you must provide an official disposition from the Court(s) with your application. We need to know the final outcome of your case(s).

Even if the Court no longer has record of the outcome of your case(s) because it is a very old case(s) or they have destroyed the record or your case(s) were sealed; you still have a criminal record and all New York State Police Departments have full access to this information, even if it was an out-of-state arrest.

The term “sealed record” means that at the time of your last court appearance it was the Judge’s decision to seal the case so only authorized persons can view the outcome. Most courts and police departments will not give you this information. It will appear as “no record” when you request a criminal record check at a police department or request dispositions from the courts. This does not mean that you were not arrested or that
you don't have a criminal record.

You must state all arrests even if you do not remember the dates or dispositions, even if you have had multiple arrests over several years. If you appeared before the Judge, you must state it.

**REMEMBER: IF YOU DO NOT STATE ALL ARRESTS ON YOUR APPLICATION, YOUR APPLICATION MAY BE TERMINATED FROM FURTHER PROCESSING.**

**APPLICATION FAQ'S**

The application asks for a NYSID and License Number. What is that?
The NYSID, License Number and Date of Issue are all for internal use only. Start the application at the box for “Last Name”.

The application asks for arrest information. Where do I get this information?
Contact the police agency where the incident occurred (ie. NYS Police, Sheriff’s Department, Police Department, etc).

The application asks me to check a box for a certain type of license. What should I choose?
There are three options to choose from: Carry Concealed, Possess on Premises and Possess/Carry During Employment. **Carry Concealed** is the most commonly chosen and gives you the least amount of restrictions. **Possess on Premises** means that a householder/business owner can have a firearm in his/her dwelling/business but cannot carry a firearm anywhere else. **Possess/Carry During Employment** is used in very limited instances and will only allow you to carry your firearm for work purposes.

Do you take photos in the office?
Photos must be taken by the County Clerk’s office in order to be used on your pistol permit.

Does the form need to be notarized before I come in?
Please wait until you are in front of a Clerk to sign your application.

I do not have any medical issues (anxiety, depression, bi-polar disorder, etc.) Do I need to fill out the Release of Medical Information Form?
 Only if you answered YES to the last questions on the Questionnaire.

Who can serve as a character reference for my application?
Your references must live in Monroe County and must have known you for at least 3 years. They cannot be your relative (spouse, uncle, brother-in-law, etc.) and cannot be any member of active or retired law enforcement.

Can I have my fingerprints done somewhere else or at a police sub-station?
Your fingerprints MUST be done at the location instructed in your application packet. You cannot go to another police station or sub-station for fingerprints. Likewise, if you have already been fingerprinted for a job or any another reason, you still must be fingerprinted again for your pistol permit.

I’ve moved and I’ve already turned in my application. Do I need to notify you?
Yes. Once you move you MUST notify the Clerk’s office. This can only be done by visiting our office in person with identification showing your new address. If an agency attempts to contact you by mail and gets no response because you’ve moved, they can deny your application or seriously delay the process.

Do I need to take a firearms safety course in order to apply?
Monroe County does not require you to take a firearms safety course as a requirement for application. There is information about available courses in this packet and on the County Clerk’s website.

How does the pistol permit process work?
The Clerk’s Office facilitates the transfer of the permit file to the Monroe County Sheriff’s Office for suburban residents and the Rochester Police Department for city residents. Law enforcement will conduct a thorough
investigation on the applicant and will also receive comment from the State Department of Mental Hygiene and the State Department of Criminal Justice Services, both of which are located in Albany. The Captain assigned to the process will make a recommendation to the Court for approval or denial. Just because your references were called or the police agency says that your investigation is complete, does NOT mean that your permit is ready.

Once the police agency has completed their investigation and returned your application to the Clerk’s Office, it is forwarded to a Monroe County Court Judge who will then make a final decision. Applicants might receive notice of approval or disapproval from a Judge by mail. It is possible that you will not receive any contact during the application process until you receive your permit.

As soon as the County Clerk’s Office receives the approved files back from the Court, permit cards are printed and mailed out to the address on file.

**Request for Public Records Exemption**

**AKA Opt Out Form**

According to NYS Penal Law (Section 400.00 (5)(b)), the name and address of Pistol Permit Holders is considered public information. Therefore, the NYSAFE Act created a process to protect the privacy of pistol permit holders to exempt this information from Freedom of Information Law (FOIL) requests.

The form is attached for you to complete if you so choose. You are required to check one of the boxes #1-4 or the form will be returned to you for completion.

You can turn this form in with your application or you can drop it off or mail it to our office (39 West Main Street, Room 101, Rochester, NY 14614) at any time. Once you have submitted this form, you do NOT need to re-new this request.

**Because you are an applicant and have not yet received your Firearms License Number (Carry number) or your date of issue, you can leave that portion blank when you turn in your opt-out form.**

Questions Continued

Q. I am moving out of state. Will I still be able to keep my NY State pistol permit?
A. In general, once a resident has moved out to another state, his/her pistol permit is void.

Q. Is a pistol permit issued by a licensing officer in an upstate county valid in New York City?
A. No. A pistol permit issued by an upstate county is valid in any county in New York State except New York City.

Q. What section of the Penal Law authorizes the placing of restrictions on pistol permits by the issuing authority?
A. The Penal Law does not specifically authorize the placing of restrictions on pistol permits. However, court decisions have consistently supported the ability of licensing officials to impose these restrictions. Such an imposition is an administrative function of the licensing officer.

Q. I heard that if I put down “self defense or personal protection” on my permit application it will be denied? This is false. Do not be “creative” with the reasons you require a handgun. Be direct and to the point.

Q. My permit has restrictions on it. What can I do?
A. Send a well-written correspondence to the issuing judge detailing your reasons for requesting the lifting of restrictions. Note: This does not guarantee that the judge will lift the restrictions.

Q. How long does it take to get a pistol permit in Monroe County?
A. Generally, the population in a county has a direct affect on the speed in which the permit application and investigation are completed. Monroe County has a large population thus, more applications.

**FIREARMS SAFETY STARTS WITH YOU!**

**DO YOU HAVE FIREARMS IN YOUR HOUSE?**
**ARE THEY STORED PROPERLY?**
**DOES YOUR FAMILY KNOW HOW TO HANDLE THEM SAFELY?**

---

**BASIC GUN SAFETY RULES**

**ANYONE TOUCHING A FIREARM SHOULD KNOW:**

1. Treat every firearm as if it were loaded.
2. Never allow the muzzle to point at anything you are not willing to see destroyed.
3. Be sure of your target and know what lies behind it.
4. Keep your finger off the trigger until your sights are aligned on target.
5. Be sure your guns are never accessible to unauthorized or untrained individuals.

**SUPPLEMENTAL SAFETY RULES**

Alcohol & gunpowder don’t mix -- Don’t shoot or handle firearms after drinking or using psycho-active drugs.

Get training before shooting. The Monroe County Sheriff Office offers a Home Firearms Safety Course.

Learn & follow range rules for the location where you’re shooting.

Wear hearing protection and safety glasses.

**KEY GUIDELINES FOR SAFE STORAGE INCLUDE:**

Unloaded firearms should be stored in a locked cabinet, safe, gun vault or storage case. Be sure to place a locked storage case in a location inaccessible to children.

Unloaded firearms can also be secured with a gun locking device that renders the firearm inoperable. A gun lock should be used as an additional safety precaution and not as a substitute for lock storage. If firearms are disassembled, parts should be securely stored in separate locations.

---

**Rules continued**

Store ammunition in a locked location separate from firearms.

Always re-check firearms carefully and completely to confirm that they are “still” unloaded when you remove them from storage.

**SAFETY AND STORAGE DEVICES:**

If you decide to keep a firearm in your home you must consider the issue of how to store the firearm in a safe and secure manner.

There are a variety of safety and storage devices currently available. Some devices are locking mechanisms designed to keep the firearm from being loaded or fired, but don’t prevent the firearm from being handled or stolen.

There are also locking storage containers that hold the firearm out of sight. For maximum safety you should use both a firearm safety device and a locking storage container to store your unloaded firearm.

**REMEMBER:**

Safety and storage devices are only as secure as the precautions you take to protect the key or combination to the lock.

---

**Frequently Asked Questions**

**Q. What happens to lawfully possessed firearm belonging to a licensee who has died?**
**A.** The person designated as the executor or administrator of the deceased’s estate may lawfully possess the firearms in question for a period of up to 15 days for the sole purpose of lawfully disposing of the firearms. If this cannot be accomplished within the 15 day time frame, the weapons must be surrendered to a law enforcement agency.

**Q. Are antique handguns subject to the same laws as those applied to modern handguns?**
**A.** The Penal Law definition of antique firearm is generally applied to muzzle loading black powder firearms, but also applies to pistols or revolvers “that use fixed cartridges which are no longer available in the ordinary channels of commercial trade”. Muzzle loading pistols or revolvers do not have to be registered on a pistol permit if the owner never intends to fire them. If they are possessed in a loaded condition or are simply possessed simultaneously with the components necessary to make them fire, they must first be registered on a valid pistol permit.

**Q. When can a licensing officer revoke a pistol permit?**
**A.** The New York State Penal Law provides a number of instances which mandate the automatic revocation of a pistol permit, such as conviction for a felony-level crime or a serious offense. The law also provides for the cancellation of a license at any time by a judge or justice of a court of record who decides that a licensee is no longer fit to possess firearms.

**Q. Can a licensee who owns two homes in separate counties obtain pistol permits in both counties?**
**A.** No. An application for a pistol permit can only be made in the county in which the applicant primarily resides.
