Dear Ms. Clemonds,

I am writing to offer support to the Door of Hope rapid rehousing program funded by the American Rescue Plan Act.

Our support includes offering Door of Hope participants enrollment in, “Keys to Renting.” This group education class informs low income households on their rights, responsibilities and best practices as a tenant. The course covers budgeting, fair housing law, maintenance, community resources and apartment search support. This course will be available to Door of Hope participants between January 2023 and December 2026.

In addition, if we receive called from persons fleeing domestic violence or human trafficking and they require housing, we will contact Door of Hope at Providence Housing for availability and eligibility.

We look forward to working with you.
