Dear Ms. Clemonds:

On behalf of International Institute of Buffalo's (IIB) Anti-Trafficking Program, I am writing to offer support to the Door of Hope rapid rehousing program funded by the American Rescue Plan Act.

IIB has received federal funding since 2006 to initiate and grow its anti-trafficking services. In 2021 alone, IIB served over 500 survivors of human trafficking and now operates as one of the most experienced and robust anti-trafficking programs in the country.

When eligible, IIB will offer our experience in building trauma-informed, harm reductionist and culturally responsive services through training and technical assistance to Door of Hope leadership. We will also make referrals to Door of Hope for those survivors of human trafficking and/or domestic violence who seek housing support.

We look forward to working with you.
