

MONROE COUNTY DISTRICT ATTORNEY'S OFFICE

WEEKLY BULLETIN

December, 31 2025

From Monroe County District Attorney Brian Green

As we end the year, I want to take a moment to reflect on my first three months as Monroe County District Attorney and share a brief look ahead.

Since my appointment at the end of September, these early months have been focused on listening, learning, and building a strong foundation for the work ahead. I have met with members of our office, law enforcement partners, community leaders, and residents across Monroe County to better understand the needs, expectations, and challenges facing our justice system. Those conversations have been difficult and invaluable, and have reaffirmed the importance of collaboration, transparency, and trust.

In a short period of time, we have begun the important work of strengthening our office by reviewing operations, reinforcing professional standards, and ensuring our approach to justice is thoughtful, fair, and effective. I am encouraged by the dedication and professionalism of the men and women who serve this community every day, and by our shared commitment to doing this work the right way.

As we look ahead to 2026, our priorities are clear. We will continue investing in comprehensive training, concentrate on thoughtfully restructuring the office to better serve the public, and focus on expanding meaningful community outreach. Most importantly, we remain firmly committed to public safety and justice, holding individuals accountable under the law while ensuring fairness, integrity, and respect for all.

Thank you for your trust as we close out the year and move forward together.
