

MONROE COUNTY DISTRICT ATTORNEY'S OFFICE

WEEKLY BULLETIN

July 2, 2026

From Monroe County District Attorney Brian Green

One of the greatest strengths of the Monroe County District Attorney's Office is the dedication our attorneys bring to serving this community, not only in the courtroom, but wherever they have the opportunity to make a positive impact.

This past weekend, four of our Assistant District Attorneys, Ryan Lamon, Luke Schiano, Anthony Ciaccio, and Christopher Reed, represented our office in the First Responders Bracket at the Gus Macker Tournament. The special division brought together members of law enforcement, fire departments, EMS, and 911 professionals from across Monroe County for a weekend centered on wellness, teamwork, and community engagement. The tournament was designed to give first responders the opportunity to connect with one another and with the community in a positive, family-friendly environment, and to benefit the YMCA.

I'm especially proud to share that our team won the First Responders Championship, earning the inaugural trophy in what we hope becomes a longstanding tradition.

While bringing home a championship is certainly something to celebrate, what makes me most proud is the willingness of these ADAs to represent our office outside of their daily responsibilities. Every day, they work to seek justice on behalf of victims and protect public safety. This event was another reminder that public service also means building relationships in the community that make Monroe County a better place to live and work.

Congratulations to Ryan, Luke, Anthony, and Christopher on an outstanding accomplishment. Thank you for proudly representing the Monroe County District Attorney's Office with professionalism, teamwork, and integrity. Your commitment to our community extends far beyond the courtroom, and I am grateful for the example you continue to set for our office.
