<p>Holly-wood Decorative Creations</p>	<p>As of right now I offer wooden home décor that can be customized to your home. My inventory runs from blanket ladders, to stove top covers, all the way to toilet paper holders, along with personalize signs that can be multifunctional and much more. All items can come in different colors, saying and sizes. Everything is completely handmade and painted by me in my home. I am looking to open a storefront soon to expand my sales but also help other local small business that are woman and or minority owned to have a place to sell their products as well.</p>	<p>As a young child Holly grew up working on wood with her grandfather and father. Once the pandemic hit and she found herself at home, she started crafting and posting them for sale. That was when her friend asked her to make some shelves and her love for wood come flowing back. The shelves were posted and she found herself receiving orders for many other wooden products. Holly-Wood Decorative Creations was then born. She now frequents craft shows and sells online, but is looking to open her own store.
