

Department of Transportation

Monroe County, New York

Adam J. Bello
County Executive

James R. Pond, P.E., PTOE
Director

July 6, 2021

Dear Neighbor:

On **Monday, July 19, 2021**, the Monroe County Department of Transportation will start construction work on the **Elmgrove Road over Elmford Creek project**. The culvert is located within the roadway on Elmford Road, Elmgrove Road and Shadow Lane. Monroe County shares jurisdiction of this culvert with the Town of Gates. The project work consists of replacing the county-owned section of the culvert. To facilitate this work, the intersection of Elmford Road at Elmgrove Road will be closed to through traffic for approximately three weeks while the pipes and drainage structures are replaced. During the closure, neighborhood traffic will be detoured via Tangerine Way and Citrus Drive. The remainder of the project work will be completed under two way traffic.

Barring any unforeseen circumstances, we expect to have the project completed in approximately three months.

If you have any questions regarding the project, please contact me at 753-7742 or e-mail at kcox@monroecounty.gov. Construction updates may also be obtained by visiting our website at <https://www.monroecounty.gov/dot-construction> and clicking on the "Construction Updates" link on the left side of the web page.

Sincerely,

Karen F. Cox

Karen F. Cox, P.E.
Acting Associate Bridge Engineer
