TRANSPORTATION NEWS

This informational newsletter will provide periodic updates (as needed) on the status of the Walker Road Bridge Replacement Project and communicate upcoming construction activities to local residents.

CURRENT PROJECT STATUS

WALKER ROAD TO CLOSE JUNE 8, 2026 FOR BRIDGE REPLACEMENT

Beginning on **Monday June 8th**, the bridge on Walker Road over Moorman Creek (approx. ½ mile east of Walker-Lake Ontario Road (NY-260)) will be closed to all traffic. This closure will allow for Monroe County DOT's contractor, C.P. Ward, Inc., to replace the entire bridge.

Local traffic will be maintained to all driveways up to the bridge; however, the bridge itself will not be passable. Through traffic will follow a signed detour via Walker Lake Ontario Road (NY-260), Brick Schoolhouse Road, and Hamlin-Parma Townline Road (refer to the back of this letter for a map of the detour route).

The project work will involve:

- Removal of the original 1935 bridge structure.
- Installation of new pile foundations.
- Construction of new footers and abutments.
- Installation of new a new concrete bridge deck.
- Minor asphalt paving at both bridge approaches.
- Installation of new pavement markings.

Barring any unforeseen delays, we expect the project to be completed in November 2026.

Additional information on this project, as well as other Monroe County Department of Transportation projects, is available at: <https://www.monroecounty.gov/dot-construction>

PROJECT CONTACTS:

If you have questions about the Project, you can contact David Kubiak of the Monroe County DOT. Once the project starts you can also contact the Resident Engineer, Sean Kuhaneck, who will be on-site with the contractor.

County Representative:

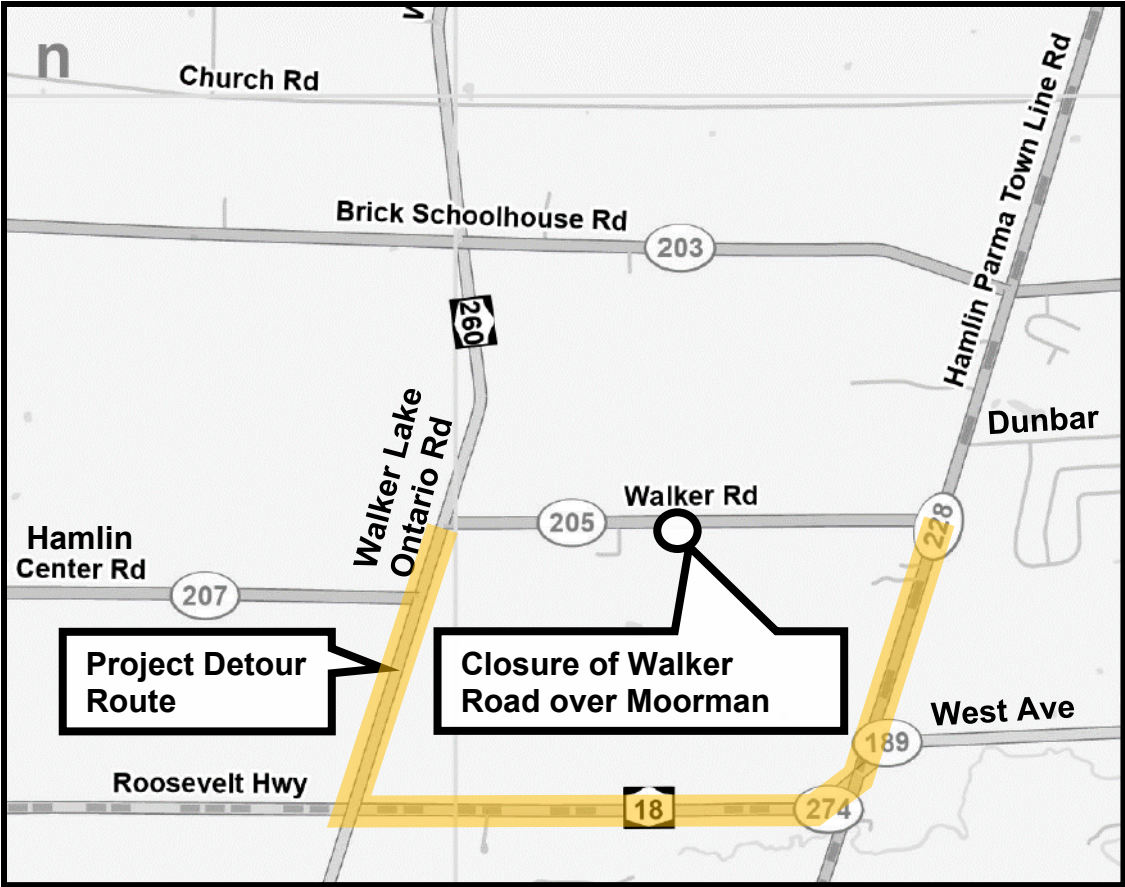

David Kubiak, P.E.
Transportation Project Manager
