

EAST AVE / BENNETT RD IMPROVEMENT PROJECT

SOUTH AVE (NY-259) TO BENNETT RD

MAY 2020

This informational newsletter will provide periodic updates (as needed) on the status of the East Ave / Bennett Rd Improvement Project.

CURRENT PROJECT STATUS

HIGHWAY CONSTRUCTION PROJECT TO BEGIN

Construction will be starting on a new Monroe County Department of Transportation project. The project is located on East Avenue in Hilton (between South Ave and Bennett Rd). The Contractor for this project is Keeler Construction, and the Resident Engineer is The LiRo Group. Construction work is scheduled to begin on or around **May 26, 2020**.

This project will involve:

- Widening of the East Avenue / Bennett Road intersection to add a new left turn lane for eastbound traffic
- Installation of a new traffic signal at East Avenue / Bennett Road
- Milling/paving on East Avenue between South Ave (NY-259) to Bennett Road
- Reconstruction of select sidewalk ramps to meet current standards
- Relocation of signs and installation of new pavement markings

Traffic will be maintained during construction using lane closures, shoulder closures, and alternating one-way traffic (with flaggers). Access to driveways and side streets will be maintained, except when work is occurring directly in front of these access points. In these instances, there may be a brief delay until flaggers indicate that it is safe to cross the work zone.

We recognize that this project may be an inconvenience, but we ask for your patience for the protection of our workers. Barring any unforeseen delays, we expect the work to be completed this Fall.

For updated information on this project, and other Monroe County DOT projects, please visit:
