

# TRANSPORTATION NEWS

**ADAM J. BELLO**  
COUNTY EXECUTIVE

*This informational newsletter will provide periodic updates (as needed) on the status of the Highway Preventive Maintenance #12 Project and communicate upcoming construction activities to local residents.*

## CURRENT PROJECT STATUS

### ROAD WORK STARTING ON HYLAN DRIVE (CALKINS RD TO JEFFERSON RD)

As part of Monroe County Department of Transportation’s Highway Preventive Maintenance #12 Project, the contractor, Sealand Contractors Corp, is scheduled to begin roadwork on **Hylan Drive from Calkins Road to Jefferson Road**.

Construction will begin on **Hylan Drive** on or around **June 26, 2026**. Work will include:

- Replacement of various sidewalk curb ramps
- Milling of the top layer of asphalt
- Spot repairs of asphalt base layer
- Utility manhole and drainage inlet preparation and adjustments
- Paving of the top layer of asphalt
- Replacement of the traffic signal at Marketplace Drive

*Milling & paving, between Summer Sky Dr and Jefferson Rd, will be completed during nighttime hours in order to reduce traffic impacts. All other work will be completed during daytime hours.*

Typical work operations will allow for two-way traffic to be maintained with daily/nightly lane closures, as needed. Flaggers may be utilized to guide traffic around work zones and through intersections. Please expect some delays due to this work. The milling and paving work is expected to be complete by November, 2026, while the traffic signal replacement at Marketplace Drive is scheduled to be completed by June, 2027.

Additional information on this project, as well as other Monroe County Department of Transportation projects, is available at: <https://www.monroecounty.gov/dot-construction>

### PROJECT CONTACTS:

*If you have questions about the Project, you can contact Eric Tait of the Monroe County DOT. Once the project starts you can also contact the Resident Engineer, Karen Montgomery, who will be on-site with the contractor.*
