**RE: CALKINS ROAD REHABILITATION PROJECT – PUBLIC OUTREACH**

Dear Neighbor:

Monroe County is planning to perform roadway improvements on Calkins Road between the Pinnacle Road and East Henrietta Road, in the Town of Henrietta.

Ahead of the project, we are looking for input from the public on the design. An informational pamphlet is enclosed with a brief summary of the proposed work. More detailed information, including a brief video presentation, can be found on the Monroe County DOT website: <https://www2.monroecounty.gov/dot-construction>.

Proposed work includes: milling and resurfacing of the existing pavement surface (with some isolated areas of full depth replacement), installation of paved shoulders and replacement of existing gutters with granite curbs, and replacement of existing closed drainage systems.

Construction for this project is scheduled for Spring thru fall 2024. During construction, please expect some delays in traffic around work zones during work hours.

If you have any comments regarding the proposed project, please contact me by phone at 585-753-7747 or by e-mail at [timothyharris@monroecounty.gov](mailto:timothyharris@monroecounty.gov) no later than **December 22, 2022**. For future project updates, please go to <https://www2.monroecounty.gov/dot-construction> and sign up for email updates at <https://www.monroecounty.gov/dot-emaillist>

Sincerely,

A handwritten signature in black ink, appearing to be "TH", is written over a faint, large watermark of the Monroe County seal.

Tim Harris, P.E.  
Transportation Project Manager
