*Director*

February 19, 2026

Dear Neighbor:

Monroe County plans to replace the existing bridge carrying Vintage Lane **over** Round Pond Creek in 2027. This bridge is approximately 300 feet east of Long Pond Road.

The existing bridge was originally constructed in 1981. The bridge has been inspected regularly and has been deemed by the Department of Transportation to be near the end of its useful service life. The bridge is proposed to be replaced with a new, precast concrete arch.

Construction is scheduled to begin in the Spring of 2027. During that time, Vintage Lane will be closed to vehicular and pedestrian traffic at the bridge site. Detours will be posted around the closure utilizing Long Pond Road, English Road and Fetzner Road. The project is estimated to take approximately 6 months to complete. Additional information will be sent out at least 2 weeks before the planned road closure.

Additional information can be found on the Monroe County DOT website, Project Updates page: <https://www2.monroecounty.gov/dot-construction>. From this page, you can subscribe to email updates for the project through the menu options.

Please find enclosed with this letter an information sheet describing the project and the detour route. It also contains a link (with QR code) to submit comments or questions through an online form. Comments or questions may also be submitted by phone or email at 585-753-7733, [samuelgiovino@monroecounty.gov](mailto:samuelgiovino@monroecounty.gov). Please provide response no later than March 12<sup>th</sup>, 2026.

Sincerely,

Samuel Giovino  
Transportation Project Manager
