

Department of Transportation

Monroe County, New York

Adam J. Bello
County Executive

Thomas J. Frys, P.E.
Director

May 28, 2025

On May 23, 2025 the Jacobs Road Bridge over Yanty Creek in the Town of Hamlin was closed to through traffic due to the deteriorated structural condition of the bridge. Traffic is being detoured around the closure via Priem Road, Moscow Road and Redman Road. Neighbors living on either side of the bridge are able to access their properties via this detour.

Jacobs Road is a Town Road, however, this particular bridge is owned and maintained by MCDOT. A replacement bridge is currently being designed, and construction of the new bridge is scheduled to take place in 2026. The bridge closure will be removed once construction is completed.

Should you have any questions or concerns about the closure, you may contact Henry Herdzik, Chief of Highway & Bridge Engineering at 585-753-7729 or via email at hherdzik@monroecounty.gov.
