On Wednesday, December 6, 2023, the Gillett Road bridge over CSX railroad, located just south of the bridge over the Erie Canal, will be closed for an indefinite period of time to through traffic due to the deteriorated structural condition of the bridge. Although the bridge is owned by CSX railroad, Monroe County is closing the bridge in the interest of public safety.

Through traffic will be detoured around the closure via Big Ridge Road, Manitou Road and Spencerport Road. Neighbors living on either side of the bridge will still be able to access their properties via this detour.

Should you have any questions or concerns about the closure, you may contact Karen Cox, Chief of Highway & Bridge Engineering at 753-7742.
