Monroe County Department of Public Health COVID-19 Update

5 p.m. Friday, April 10, 2020

Monroe County COVID-19 Dashboard

Our new web-based dashboard is available here:

dashboard.monroecounty.gov

Monroe County will update the dashboard at approximately 5 p.m. daily.

New Information

We will begin including cumulative data and corresponding graphs pertaining to COVID-19 in Monroe County in our Friday update. We will also include the updated death information in our Friday update.

New Cases

There are 32 new confirmed cases of COVID-19 since the 4 p.m. update on Thursday, April 9.

These new individuals include:

- 1 Female in her 30s
- 1 Female in her 40s
- 1 Male in his 40s
- 2 Females in their 50s
- 6 Females in their 60s
- 5 Males in their 60s
- 2 Females in their 70s
- 3 Males in their 70s
- 6 Females in their 80s
- 1 Male in his 80s
- 3 Females in their 90s
- 1 Males in his 90s

Deaths

There were 6 new deaths since Thursday, April 9, bringing the total to 46.

* Five of today's newly accounted for deaths occurred earlier in the week, but are being included in today's report as a result of when they were reported to the Monroe County Department of Public Health. While this data is released daily, the totals are not always reflective of the previous day's results.
