## Monroe County Department of Public Health COVID-19 Update

Monday, July 27, 2020

### Weekly Adjustment to Total Number of Cases To-Date

The total number of COVID-19 cases to-date is 4406. This reset reflects the removal of previously reported new cases that investigators determined were duplicates or out-of-county cases, or the addition of new cases that were initially reported in counties other than Monroe County. This adjustment will be made very Monday. (Previously, the reset occurred on the date a discrepancy was identified.)
