Monroe County Department of Public Health COVID-19 Update

Monday, August 3, 2020

Monroe County COVID-19 Dashboard

For more comprehensive data, please visit: dashboard.monroecounty.gov

Weekly Adjustment to Total Number of Cases To-Date

The total number of COVID-19 cases to-date is 4565. This reset reflects the removal of previously reported new cases that investigators determined were duplicates or out-of-county cases, or the addition of new cases that were initially reported in counties other than Monroe County. This adjustment will be made every Monday. (Previously, the reset occurred on the date a discrepancy was identified.)

New Cases

There are 21 new confirmed cases of COVID-19 since the last update.
