## Monroe County Department of Public Health COVID-19 Update

Friday, October 9, 2020

### Monroe County COVID-19 Dashboard

For more comprehensive data, please visit: [dashboard.monroecounty.gov](https://dashboard.monroecounty.gov)

### Statement from Dr. Michael Mendoza, Commissioner of Public Health

*Today, we are reporting an increase in positive cases of COVID-19 in our community compared to recent days.*

*The numbers below do not yet reflect all of the cases being reported by Nazareth College, so the DPH contact tracing team has been working hard to determine where these 54 individuals were exposed. So far, we know that approximately 70% were close contacts of individuals recently identified as positive for COVID-19. Nearly all of the remaining individuals report traveling outside of the area or attending a social event.*

*At this point, it is premature to conclude whether we are seeing increased community spread. The outcome of contact tracing related to today's cases is reassuring so far, but DPH is monitoring the situation very closely and we will keep you informed. Please continue to maintain physical distance, wear your mask, wash your hands and stay home if you are sick.*

### New Cases

There are 54 new confirmed cases of COVID-19 since the last update.

	Female under 10
1	Male under 10
