## Monroe County Department of Public Health COVID-19 Update

Monday, October 20, 2020

### Monroe County COVID-19 Dashboard

For more comprehensive data, please visit: [dashboard.monroecounty.gov](https://dashboard.monroecounty.gov)

**Statement from Dr. Michael Mendoza, Commissioner of the Monroe County Department of Public Health regarding St. John Fisher College:** *I commend the leadership, staff and students of St. John Fisher College for their diligent planning, preparation and actions over the past several months. They faced the unprecedented challenge of returning to campus during the COVID-19 pandemic and, undoubtedly, this cluster of cases could have been much worse without their efforts. The Monroe County Department of Public Health has worked collaboratively with college officials throughout the process and I fully support their decision to implement remote learning for the remainder of the semester. Let this serve as a reminder to our entire community that, until we have an effective vaccine, all of us must remain vigilant in working to contain the spread of COVID-19.*

### New Cases

There are 28 new confirmed cases of COVID-19 since the last update.
