Monroe County Department of Public Health COVID-19 Update

Wednesday, October 28, 2020

Monroe County COVID-19 Dashboard

For more comprehensive data, please visit: dashboard.monroecounty.gov

Statement from Dr. Michael Mendoza, Commissioner of the Monroe County Department of Public Health: *Today, we are adding a new metric to our daily reports. In addition to the daily number of new cases reported to us by the New York State Electronic Clinical Laboratory Reporting System, we are reporting the 7-day average number of cases based on the date the tests were done. This will help put daily fluctuations in total new cases into perspective.*

New Cases and 7-Day Rolling Average of New Cases

There are 66 new confirmed cases of COVID-19 since the last update. The 7-day rolling average of new cases is 61 new cases per day.

	Female under 10
