*Monroe County, New York*

**Adam J. Bello**  
*County Executive*

**Michael D. Mendoza, MD, MPH, MS**  
*Commissioner of Public Health*

## **Monroe County Department of Public Health COVID-19 Daily Case Update**

*Friday, September 3, 2021*

**Statement from Monroe County Executive Adam Bello and Commissioner of Public Health Dr. Michael Mendoza:** *As we head into the holiday weekend, please celebrate wisely. When gathering with family and friends, keep in mind the health and safety of everyone in our community. This is especially important as our students head back into the classroom while the COVID-19 community transmission rate remains at such a high level. As much as possible, stay outdoors when you are with people outside of your own household. If you have to go indoors and are unable to maintain physical distance, wear masks – even if you are fully vaccinated. Taking these simple, yet effective steps, will go a long way toward controlling the spread of this virus. Thank you.*
