Currently acceptable diagnoses to justify exemption:

- A previously documented neuromuscular disorder that makes it difficult for a child to remove a mask themselves, or
- A child with a previously diagnosed, severe developmental/behavioral problem, or
- A child with a diagnosis of Serious Emotional Disturbance (SED) or other significant mental health problem, currently in the care of a behavioral health team, and it is believed by this team that wearing a face mask would lead to worsening emotional harm.

Please describe the patient's contraindication(s)/precaution(s) here:
