

# What to do if...

...you are exposed to someone with COVID-19?

Do you have symptoms now?

NO

YES

Fully vaccinated & boosted  
**OR** Fully vaccinated but not eligible to be boosted

Fully vaccinated & eligible for a booster but not boosted **OR** not fully vaccinated

- No quarantine
- Wear a mask around others for 10 days
- If symptoms arise at any time, quarantine and get tested.
- If you can, get tested on day 5 even if you don't feel sick

**Negative Test?**

Quarantine ends. Continue to mask.

- Quarantine for 5 days
- Wear mask around others for an additional 5 days
- If symptoms arise at any time, continue quarantine and get tested
- **Even if test is negative,** finish quarantine and mask for additional 5 days

Regardless of vaccine status:

- Isolate and get tested

**Not tested?**

- Stay home, isolate from everyone in household for 5 days or until you feel better
- Continue to mask for additional 5 days

...you test positive for COVID-19

Is it a lab-confirmed test?

Is it an at-home test?

**ISOLATE**

Stay home and separate from others in your household for at least 5 days.

**NEED ISOLATION DOCUMENTS?**

You can access the NYS Affirmation of Isolation form online. [www.monroecounty.gov](http://www.monroecounty.gov)

**ISOLATE**

Stay home and separate from others in your household for at least 5 days.

**REPORT IT**

If you choose, you can report your positive home test result online at [www.monroecounty.gov](http://www.monroecounty.gov). It is not required.

**NEED ISOLATION DOCUMENTS?**

You can access the NYS Affirmation of Isolation form online. [www.monroecounty.gov](http://www.monroecounty.gov)

**What about after 5 days?**

If your symptoms are resolving, you may end your isolation period. If you still don't feel well, end isolation when you feel better.

**BUT** – continue to wear a well-fitting mask whenever you're around other people for another 5 days.
