An additional late fee of \$50.00 will be applied to all fees of \$100.00 or greater that are received past the due date.

Note: Charitable non-profit organizations with annual budgets of \$50,000 or more are assessed a fee equal to 50% of the standard fee. Charitable non-profit organizations with annual budgets of less than \$50,000 will be exempt from Environmental Health fees. Governmental agencies that receive more than 50% of their operating funds from general tax revenues will be assessed a fee equal to 50% of the standard fee. Fee exemptions are not applicable to Food Worker Certification Fees as they are specific to the individual receiving certification.

^a Bulk water inspection fee is included in Community Water Supply Inspections cost (price based on class). No need for separate line.

^b Swimming Pools and Wading Pools are under the same NYS Sanitary Code (Subpart 6-1) and have the same inspection requirements

^c Removed size categories from Bathing Beach fees

^d Daycare Plan Review was previously encompassed withing Food Service Establishment plan review fees. Separated to own line for clarity.

^e Mass Gatherings is its own category (not hotel/motel)

^f Travel Trailer Parks are listed in NYS Sanitary Code (Subpart 7-3) as Campgrounds. Name updated to match. Also changed range bands to match formatting of rest of fee schedule (no facilities would be currently affected by this change).

^g Migrant Farmworker Housing facilities require multiple inspections per year. Erie County charges fees of \$375 for 0-9 units and \$600 for over 9 units (fees effective as of 2013)
