Department of Public Health is warning of possible COVID exposures at Ferrari Pizza Bar in E. Rochester

The Monroe County Department of Public Health is urging anyone who was at Ferrari Pizza Bar, 349 W. Commercial St., E. Rochester, on any day beginning Saturday, March 20 after 7:30 p.m., through Monday, April 5 at 4 p.m., to immediately self-quarantine and contact the Monroe County COVID Hotline at 585-753-5555 as soon as possible.

The MCDPH has identified multiple patrons and staff members who have tested positive for COVID-19 during that timeframe and contact tracing is ongoing.

The MCDPH would like to remind everyone of the critical importance of cooperating with our contact tracing investigators, especially as we experience an upward trend in our positivity rate. Contact tracing is essential to controlling the spread of the virus and protecting the health and safety of everyone in our community.

In general, the Monroe County Department of Public Health does not comment on potential or confirmed cases of COVID-19 concerning specific individuals, businesses or institutions unless doing so is necessary to prevent or lessen a serious and imminent threat to public health.
