## Monroe County Legislature

Yversha Román

President

Since its establishment in 1967, the Monroe County Legislature has served as the chief lawmaking body for the people of Monroe County, succeeding the former Board of Supervisors. Today, the Legislature is composed of 29 independently elected representatives—each bringing perspectives that reflect the strength and diversity of our community. As legislators, we are entrusted with the responsibility to act in the best interests of our constituents and to uphold the well-being of Monroe County.

As we look ahead to 2026, we must acknowledge the very real and growing challenges that our community continues to face, many of which are shaped by factors well beyond our Municipality. Economic uncertainty, ongoing fiscal pressures, and shifting policy priorities in Washington are already impacting our local

landscape. These realities are unlikely to change in the near term, and we must prepare for the difficult decisions they may force us to make.

Despite these challenges, the Legislature remains focused on protecting critical public services, promoting economic stability, and supporting residents across Monroe County. We are working closely with our partners in government to find solutions that reflect the needs of our communities. The choices we face may require tough conversations, but our commitment to serving the people of Monroe County remains steadfast.

The 2026 Monroe County Directory includes contact information for elected officials at every level of government, along with the Rules of the Legislature and a summary of our legislative process. This guide is meant to equip you with the information necessary to stay informed, engaged, and empowered in navigating and participating in your local government. Your voice, participation, and continued involvement are critical to ensuring that our democracy functions as it should.

## **LOCATION AND HISTORY**

Monroe County is located in western New York on the south shore of Lake Ontario, approximately 70 miles east of the Buffalo/Niagara Falls area. The County is the northernmost portion of the Genesee River Valley and contains one city, 19 towns and 10 villages.

The Genesee River flows north from the uplands of northern Pennsylvania to Lake Ontario. Within Rochester, the river drops in elevation over rapids and waterfalls. As early as the 1790's, this geographic feature was harnessed by settlers to power grist mills and sawmills. The combination of the fertile Genesee River Valley land and the availability of hydro-power for mills resulted in the beginning of an agricultural and grain processing economy in the earliest part of the 19th century.

In the mid 1820's, a third factor resulted in explosive development in the Rochester/Monroe County area. Construction of the Erie Canal began in 1817 and reached Rochester in 1823. This provided farmer and grain processors with low-cost access to growing western markets and Monroe County's future as a major center was assured.

Monroe County is an incredible place with an extraordinary history and heritage, giving rise to celebrated change makers like Frederick Douglass and Susan B. Anthony and launching Fortune 500 companies like Kodak, and Xerox, and Bausch and Lomb. Monroe County is home to over 1,000 small and mid-sized businesses that employ less than 1,000 people, accounting for the bulk of the countywide workforce. Monroe County's largest industries by employment include precision manufacturing, optics, financial services, healthcare, education, plastics, pharmaceuticals, and information technology, among others.

## **GOVERNMENT**

Established on February 23, 1821 from parts of neighboring Genesee and Ontario Counties, the county was named after United States President James Monroe. The first meeting of the 43-member Board of Supervisors took place on May 8, 1821. The first County Manager was appointed by the Board in 1936. The Monroe County Charter became effective in 1967 creating the 29-member County Legislature which replaced the Board of Supervisors. In 1980, the Charter was amended to provide for the direct election of a County Executive for a four-year term beginning in 1984.

# **RULES OF THE LEGISLATURE OF THE COUNTY OF MONROE**

## **ARTICLE I - PREAMBLE**

### **§545-1 Preamble**

These rules are intended to promote and preserve the order and dignity that mark Monroe County Legislature sessions. These rules are to be construed by the presiding officer of the Legislature and the chairpersons of its committees to promote this tradition.

## **ARTICLE II – MEETINGS OF THE LEGISLATURE**

### **§545-2 Organizational Meeting**

In accordance with § C2-9 of the Monroe County Charter, the organizational meeting of the Monroe County Legislature shall be held on the first business day following January 1 of each year following the general election of County Legislators.

### **§545-3 Procedure at Organizational Meeting**

- A. The Clerk of the County Legislature or, in the Clerk's absence, the Deputy Clerk last elected shall act as Chairperson Pro Tem of the Legislature. The Clerk shall call the legislators to order and call the roll, and shall then proceed to the election of a Temporary Chairperson. The Clerk shall receive nominations from the floor for such Chairperson, and when there are no further nominations, the Clerk shall call the roll of Legislators, each of whom shall answer by declaring the name of the nominated candidate of his/her choice. The Legislator receiving the most votes shall serve as Temporary Chairperson of the Legislature.
- B. The Temporary Chairperson shall proceed with the invocation or prayer and a pledge of allegiance to the flag. In accordance with § C2-4 of the Monroe County Charter, the Temporary Chairperson shall next proceed with the business of electing the President of the Legislature, from among the members of the Legislature, to serve at the pleasure of the Legislature. The Temporary Chairperson shall direct the Clerk to call the roll of Legislators, each of whom shall answer by declaring the name of the nominated candidate of his/her choice. Voting shall continue until a candidate receives the vote of a majority of all Legislators (i.e., 15).
- C. The President shall proceed with the election of a permanent Clerk, Deputy Clerk and Assistant Deputy Clerks, and the President shall then proceed with the regular order of business.

### **§545-4 Regular Meetings**

- A. In accordance with § C2-9 of the Monroe County Charter, the Legislature shall meet on the second Tuesday of each month at 6:00 p.m. If the second Tuesday falls on a county holiday, the Legislature shall meet

at 6:00 p.m. on the following business day. The Legislature may, by majority vote, reschedule a regular meeting if said meeting conflicts with an important community/government event or religious holiday. In any case, the Legislature shall not meet less than once a month. The President shall notify members of the Legislature concerning the schedule of regular meetings no later than January 1 of each year.

- B. The leader of each major party caucus shall determine the manner in which each caucus' recommending legislators are chosen.

#### **§545-15 Presentation of Legislative Business by the Clerk**

Upon the direction of the presiding officer and in the order of business, the Clerk shall read all petitions and communications and the title of all local laws and resolutions. After the title of a local law or resolution is read, the presiding officer or any Legislator may request that it be read in full. Written motions which are not read by the Legislator offering the same shall be read in full by the Clerk before being offered.

#### **§545-16 Debate**

The rules governing debate shall be as follows, except that matters not covered by these rules shall be governed by the current edition of Robert's Rules of Order.

- A. To be recognized, a Legislator shall stand in place and shall not speak until recognized by the Chair.
- B. Debate shall not begin on a local law, resolution or otherwise debatable motion until it has been moved by a Legislator and seconded by another Legislator.
- C. A Legislator may speak as often on a question as he/she is recognized by the Chair. However, no Legislator shall speak for more than five minutes in total except by permission of the presiding officer.
- D. No Legislator shall speak or stand while another is speaking unless the latter yields to the former.

#### **§545-17 Debatable Motions**

Debatable motions shall be as follows:

- A. The main motion. The main motion is a motion by itself or one to adopt a local law or resolution before the Legislature. It may be amended and

requires a majority vote except where otherwise required by law or these rules. A motion may be withdrawn by its proposer at any time before a vote is taken.

- B. An amendment to the main motion or an amendment of such amendment. An amendment is a motion to change or modify the main motion or an amendment of it. An amendment shall not be amended more than once. Amendments shall be disposed of in inverse order before voting on the main motion, and require a majority vote.
- C. To commit. This motion is used to refer a matter to committee or back to committee. The motion may be amended and requires a majority vote.
- D. To reconsider. The purpose of this motion is to reconsider a motion that was previously carried or lost. It may be made only by one who voted with the prevailing side, but may be seconded by anyone. No question can be reconsidered more than once. It may not be amended and requires a majority vote. (Note: two votes are required: first, on whether the original question shall be reconsidered, and if passed, second, on the original motion.)
- E. To sever. This motion is used to divide a question into two or more logical parts. It may be amended, and requires a majority vote.
- F. Point of order. A point of order is not properly a motion, since it is used by a Legislator to object to an aspect of procedure. It is always in order, except during roll call, and requires an immediate ruling from the presiding officer. The form is, "Mr./Ms. President, a point of order please." The Presiding Officer then says, "Please state your point of order." The Legislator then states his/her position, and the presiding officer then sustains or denies the point of order. The form is, "I sustain (or deny) your point of order." If the Legislator is not satisfied with the ruling of the presiding officer, the Legislator may appeal the decision by stating, "I respectfully appeal the decision of the Chair to the Legislature." The presiding officer then addresses the Legislature as follows: "Shall the decision of the Chair be sustained?" At this point, debate is in order, and the presiding officer may discuss the issue without substituting another member in his/her place. At the conclusion of debate and upon the direction of the presiding officer, the Clerk shall call the full roll call. A majority or tie vote of those present sustains the decision of the presiding officer. The presiding officer shall be entitled to vote on the appeal of the decision of the Chair.
- G. To discharge a Committee. This motion is used to remove a matter from the consideration by one or more of the standing or special committees of the Legislature it may be amended and requires a majority vote.

## **§545-18 Motions Without Debate**

The following motions are not debatable:

- A. To lay on the table. This motion is used to postpone a subject under discussion to some time in the near future. It is not amendable and requires a majority vote. When a subject is to be reconsidered, a motion is in order to remove the matter from the table.
- B. To adjourn. This motion is always in order except when a speaker has the floor, during roll call, or immediately after it has been voted down. It

- requires a majority vote.
- C. The previous question. This motion is used to close debate and may be made by any Legislator when debate has become long drawn out. It is made in the following manner: "Mr. President, I move the previous question." Without a second the Presiding Officer then asks the Legislative body, "Shall debate be closed and the question now be put?" The Clerk then calls the full roll call, and if two-thirds (2/3) of those present vote in the affirmative, the question under debate and then before the legislative body is immediately voted upon in the usual manner without further debate.

### **§545-19 Voting**

- All voting on local laws, resolutions and motions shall be by voice vote, in the following manner:
- A. The Clerk shall call the roll on every occasion when requested to do so by any Legislator.
- B. No Legislator shall leave his/her seat, refuse to vote or abstain from voting on a local law, resolution or motion unless excused from voting pursuant to this rule. No Legislator shall speak during roll call except to request to be excused from voting.
- C. Any Legislator requesting to be excused from voting shall make a brief statement of the reasons for making such a request, and the presiding officer shall excuse from voting any member who, in the opinion of the presiding officer, has a direct personal or pecuniary interest in the matter to be voted upon.
- D. Any Legislator desiring to leave the meeting shall first obtain permission from the Presiding Officer.
- E. A majority of the total Legislature (i.e., 15 votes) is required to pass any local law, resolution or motion except where otherwise required by law or stated in these rules. When the number of votes cast for and against any proposition is equally divided, the question shall be deemed to be lost, except in the case of an appeal of the decision of the Chair, as set forth in § 545-17F.

Only the President of the Legislature shall have the power to establish additional caucuses beyond those set forth herein. Legislators shall be members of the legally constituted political party caucus corresponding to their political party enrollment unless notice to the contrary is filed with the President of the Legislature. ## THE LEGISLATIVE PROCESS

Many people in the community often ask how the legislative process in Monroe County works. We hope that you find the following brief explanation helpful and informative:

1. A Monroe County Legislator or the County Executive gets an idea based on local needs, county wide needs or information from constituents. These ideas are put in writing over the signature of the Legislator or County Executive. These communications can seek to create new laws, amend or repeal existing laws, provide authorization or funding for county projects and programs or simply request authorization.
2. The communication is submitted to the Clerk of the Legislature for processing. The President of the Legislature refers the communication to one or more of the nine standing committees of the Legislature. The Referral is then given a number and printed.
3. The Referral is placed on the agenda of the standing committee(s) to which it has been assigned. The Referral must be moved and seconded in committee in order to be considered. The Referral is discussed and then either voted on, referred to the County Administration for more information, tabled or filed.
4. If the Referral is adopted in committee, it is then sent before the full Monroe County Legislature for consideration. Again, the Referral must first be moved and seconded. Once it is introduced, the 29 members of the Legislature have an opportunity to discuss the Referral. Legislators may offer amendments to the Referral at this time. The Referral is then either adopted by the Legislature, tabled or sent back to committee for more information. Most Referrals require a simple majority vote in order to be adopted, however, if the Referral requires bonding authority, then a two-thirds majority (20 votes) is required.
5. If the Referral is passed by the full Legislature, it is henceforth known as a Resolution of the Legislature or a Local Law and receives a number. Resolutions and Local Laws are sent to the County Executive for approval. If the County Executive Vetoes a Resolution or Local Law which required a simple majority to be adopted, it may still go into effect provided that three-fifths (18) of the 29 Legislators vote to Override the Veto. A Veto Override of a Resolution or Local Law which required a two-thirds majority to be adopted demands a vote of three-fourths (22) of the entire Legislature.
