**Subject:** Authorize an Intermunicipal Agreement with the Town of Brighton for the Allens Creek Road, Clover Street, Elmwood Avenue and Westfall Road Sidewalk Extension Project Partially Funded through Monroe County; Appropriate Committed Fund Balance; and Authorize an Interfund Transfer

**Honorable Legislators:**

We recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Brighton (the "Town") for the Allens Creek Road, Clover Street, Elmwood Avenue and Westfall Road Sidewalk Extension Project, partially funded through Monroe County in an amount not to exceed \$310,000; appropriate committed fund balance; and authorize an interfund transfer.

The Town has submitted a Monroe County Municipal Sidewalk Funding Application to install approximately 500 linear feet of sidewalk along Allens Creek Road between Schoolhouse Lane and Clover Street, approximately 500 linear feet of sidewalk along Clover Street between Rowland Parkway and Esplanade Drive, approximately 510 linear feet of sidewalk along Elmwood Avenue between Valley Road and Grosvenor Road and approximately 1000 linear feet of sidewalk along Westfall Road between Edgewood Avenue and Monroe Avenue (the "Project"). The total construction costs are anticipated to be approximately \$620,000. Through the intermunicipal agreement, the County will reimburse the Town in an amount not to exceed \$310,000 for construction expenses. The \$310,000 of the County's share will be paid for by the appropriation and transfer of committed fund balance pursuant to Resolution 197 of 2023.

The Project will connect existing sidewalk networks serving the aforementioned areas and provide a continuous path between residential neighborhoods, schools, town parks, places of worship, and various retail and tourist destinations within the Brighton community. Such connections would further the goals of the County's Countywide Active Transportation Plan to fill gaps within the existing sidewalk network.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Brighton in an amount not to exceed \$310,000 for the Allens Creek Road, Clover Street, Elmwood Avenue and Westfall Road Sidewalk Extension Project.
2. Amend the 2025 operating budget of the Department of Finance-Unallocated by appropriating committed fund balance in the amount of \$310,000 into general fund 9001, funds center 1209030000, Transfer to Other Funds.

COUNTY OFFICE BUILDING, ROOM 409, 39 WEST MAIN STREET, ROCHESTER, NEW YORK 14614

3. Authorize an interfund transfer in the amount of \$310,000 from the Department of Finance-Unallocated, general fund 9001, funds center 1209030000, Transfer to Other Funds, to the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects.

This action is an Unlisted Action under the New York State Environmental Quality Review Act ("SEQRA"). The Town of Brighton will conduct a coordinated review and the provisions of SEQRA shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

Funding for this intermunicipal agreement will be available in the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects once the interfund transfer has been authorized. This interfund transfer requires \$310,000 of additional net County support for which the appropriation of committed fund balance is requested.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

**Subject:** Authorize the Alteration of Monroe County Fiber and Lighting Systems by the New York State Department of Transportation During the NYS I-490 Improvement Project in the Town of Gates

Honorable Legislators:

I recommend that Your Honorable Body authorize the alteration of Monroe County fiber and lighting systems by the New York State Department of Transportation ("NYSDOT") during the NYS I-490 Improvements Project in the Town of Gates.

The NYSDOT proposes the construction/reconstruction/improvement of NYS I-490 between Route 204 and Howard Road in the Town of Gates. As part of this work, the New York State Department of Transportation may alter part of the Monroe County fiber and lighting systems that are within the project limits. The project is planned to take place during 2025, with actual dates to be determined.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to execute a utility work agreement, and any amendments thereto, for the alteration of Monroe County fiber and lighting systems by the New York State Department of Transportation during the NYS I-490 Improvement Project in the Town of Gates.
2. Incorporate by reference and adopt the attached resolution required by New York State for the alteration of Monroe County fiber and lighting systems by the New York State Department of Transportation during the NYS I-490 Improvement Project in the Town of Gates.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

This project will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
