To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York  14614

Subject: Authorize a Contract with LeChase Construction Services, LLC for Construction Management Services for the County Office Building HVAC Upgrades Project

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with LeChase Construction Services, LLC in the amount of $92,000 for construction management services for the County Office Building HVAC Upgrades Project.

The Monroe County Office Building ("COB") is a 168,000 square foot, 4-story building located at 39 West Main Street originally completed in 1896. Building systems and equipment are decades old and reaching the end of their useful service life due to age and obsolescence. Monroe County Department of Environmental Services completed a Master Plan report in 2009 that identified deficient building infrastructure including recommendations for phased mechanical, electrical, plumbing, HVAC, envelope, energy, and code improvements to maintain the operational integrity of the building and continuity of services to users of the COB. Electrical upgrades were completed in 2012. Several bathrooms were upgraded in 2014. The exterior windows were renovated/replaced in 2021. This project will upgrade HVAC systems throughout the COB. Design of the new HVAC systems at the COB has been completed. Bidding, construction, and commissioning will commence in 2022.

A Request for Proposals was issued, with LeChase Construction Services, LLC selected as the most qualified to perform these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with LeChase Construction Services, LLC, 205 Indigo Creek Drive, Rochester, New York 14626, in the amount of $92,000 for construction management services for the County Office Building HVAC Upgrades Project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.
This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(1) ("maintenance or repair involving no substantial changes in an existing structure or facility") and (2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 1850 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither LeChase Construction Services, LLC, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

R. Wayne LeChase, Chairman  
William H. Goodrich, CEO & Managing Partner  
William L. Mack, President  
Kyle L. Syers, Executive Vice President & COO

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize a Contract with SWBR Architecture, Engineering, and Landscape Architecture D.P.C. for Professional Design Services for the Frontier Field Improvements Project

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with SWBR Architecture, Engineering, and Landscape Architecture D.P.C. for professional design services in the amount of $58,848 for the Frontier Field Improvements Project.

The Frontier Field Improvements Project includes planning, design, and construction of phased improvements to Frontier Field Stadium located between Morrie Silver Way, Plymouth Avenue and Interstate I-490 in the City of Rochester. The outdoor stadium was originally opened in 1996 and is nearly 25 years old. Frontier Field is home to the Rochester Red Wings Minor League Baseball team and hosts multiple events year round including festivals, concerts, sporting, and other special events.

This project will focus on stadium infrastructure and patron improvements to various components of the facility that may include, but are not limited to: seating; structural caulking; kitchen facilities; restrooms; building systems including mechanical, electrical, and plumbing; heating, ventilation and air conditioning (HVAC); masonry and structural; building envelope (windows, doors, walls and roof); lighting; energy; life safety and security; and parking areas.

A Request for Proposals was issued, with SWBR Architecture, Engineering, and Landscape Architecture D.P.C. selected as the most qualified to perform these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with SWBR Architecture, Engineering, and Landscape Architecture D.P.C., 387 East Main Street, Rochester, New York 14604, in the amount of $58,848 for professional design services for the Frontier Field Improvements project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.
This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(1) ("maintenance or repair involving no substantial changes in an existing structure or facility") and (2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 2004 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither SWBR Architecture, Engineering, and Landscape Architecture D.P.C., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Thomas R. Gears, President
David J. Beinetti, Principal
Steven V. Rebholz, Principal

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize a Contract with Christa Construction, LLC for Construction Management Services for the Frontier Field Major League Baseball Requirements Project

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Christa Construction, LLC in the amount of $171,656 for construction management services for the Frontier Field Major League Baseball Requirements Project.

The Rochester Red Wings received notification from Major League Baseball ("MLB") that Frontier Field is required to be in full compliance with all new MLB standards by April 1, 2025 or lose their approval to conduct baseball at a professional level. Improvements and modifications of facility elements could include stadium security, media facilities, home and visiting club facilities, additional team facilities, playing field features, and/or maintenance items. Even though full compliance of all facility standards is not required until April 1, 2025, phased improvements are required by April 1st of 2023 and 2024.

A Request for Proposals was issued, with Christa Construction, LLC selected as the most qualified to perform these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with Christa Construction, LLC, 64 Commercial Street, Suite 401, Rochester, New York 14614, in the amount of $171,656 for construction management services for the Frontier Field Major League Baseball Requirements Project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(1) ("maintenance or repair involving no substantial changes in an existing structure or facility") and (2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and is not subject to further review under the State Environmental Quality Review Act.
Funding for this contract, consistent with authorized uses, is included in capital fund 2004 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Christa Construction, LLC, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Michael J. Seaman, President
David Mattucci, Executive Vice President
Gail Morelle, Vice President

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Subject: Authorize a Contract with CHA Consulting, Inc. for Design Services for the Rehabilitate Taxiway A from Taxiway A4 to Taxiway E Project at the Frederick Douglass – Greater Rochester International Airport

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with CHA Consulting, Inc. in the amount of $244,800 for design services for the Rehabilitate Taxiway A from Taxiway A4 to Taxiway E Project at the Frederick Douglass – Greater Rochester International Airport.

This project will include rehabilitation of approximately 200,000 square feet of existing asphalt and concrete with significant surface degradation. The project area is some of the oldest remaining pavement on the airfield. The project will also include widening of associated connecting taxiways to meet Federal Aviation Administration Advisory Circulars. Besides the replacement of the asphalt and concrete, the project will include grading of grass islands between Taxiway A and the airport security/ARFF roads and taxiway edges to remove years of sand buildup, maintenance to related storm water drainage systems, signage, lighting and pavement markings. Construction will allow critical Group III and IV aircraft to utilize pavement on Taxiways A, A4, and E.

This project will be funded by a Federal Aviation Administration grant of 90%, a New York State Department of Transportation grant of 5%, and a local share of 5%.

The Department of Aviation recommends authorization of a contract with CHA Consulting, Inc., a designated airport consultant per Resolution 320 of 2020, to provide design services for the Rehabilitate Taxiway A from Taxiway A4 to Taxiway E Project in the amount of $244,800.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with CHA Consulting, Inc., Five Star Bank Plaza, 100 Chestnut Street, Suite 1300, Rochester, New York 14604, for design services for the Rehabilitate Taxiway A from Taxiway A4 to Taxiway E Project at the Frederick Douglass – Greater Rochester International Airport in the amount of $244,800, along with any amendments necessary to complete the project within the total capital fund(s) appropriation.
This action is a Type II action pursuant to 6 NYCRR §617.5(c)(2) and (5) ("rehabilitation or repaving of existing highways not involving the addition of new travel lanes") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 2017 and any other capital fund(s) created for the same intended purpose. The local funding for this project will ultimately be provided by the Monroe County Airport Authority from Airport generated revenues. No net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither CHA Consulting, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

James Stephenson, CEO—CHA Holdings, Inc., President—CHA Consulting, Inc.
Michael Carroll, Chairman of the Board
Dom Bernardo, Executive Vice President, Chief Financial Officer
Michael Platt, Executive Vice President, General Counsel

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Acquisition of Interests in Real Property for a Permanent Easement Located at 1492 Spencerport Road in the Town of Gates

Honorable Legislators:

I recommend that Your Honorable Body determine whether the authorization of interests in real property at 1492 Spencerport Road in the Town of Gates may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

The proposed acquisition of interests are as follows:

The acquisition of interests in real property located at 1492 Spencerport Road in the Town of Gates has been preliminarily classified as an Unlisted action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that the acquisition of interests of this real property located at 1492 Spencerport Road in the Town of Gates is an Unlisted action.

2. Make a determination of significance regarding the acquisition of interests located at 1492 Spencerport Road in the Town of Gates pursuant to 6 NYCRR § 617.7.

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the acquisition of a permanent easement for a sanitary sewer realignment project for the purpose of constructing, reconstructing and maintaining a sanitary sewer which is a Type II action and has been found categorically to not have significant adverse impacts on the environment. The acquisition for permanent easement at the property is limited to a permanent easement related to a Type II action and all changes or disturbance will be temporary or subject to permitting authorities such as NYS Department of Environmental Conservation.

Part 1 of the EAF indicates the site contains or is near the following: 100 Year Flood Plan and wetlands.

Future use or development of the parcel may be subject to a wetland delineation and the New York State Freshwater Wetlands Act.

The acquisition of a permanent easement at this property will not result in any significant adverse environmental impacts.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☑ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Sale of County Owned Tax Foreclosure Property Located in the Village of Honeoye Falls

Honorable Legislators:

I recommend that Your Honorable Body determine whether the sale of County owned tax foreclosure property located in the Village of Honeoye Falls may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act (“SEQRA”).

The proposed sale is as follows:

<table>

</tbody>
</table>

The vacant land identified as Tax number’s 228-16-2-37, 228.16-2-38, and 228.16-2-88 were acquired January 31, 2017 and January 14, 2008 through tax foreclosure, are surplus property, and are not needed by Monroe County. The price indicated above was negotiated by Monroe County Real Estate.

The sale of County owned tax foreclosure property located in the Village of Honeoye Falls has been preliminarily classified as an Unlisted action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.
The specific legislative actions required are:

1. Determine that the sale of County owned tax foreclosure property located in the Village of Honeoye Falls is an Unlisted action.

2. Make a determination of significance regarding the sale of County owned tax foreclosure property located in the Village of Honeoye Falls pursuant to 6 NYCRR § 617.7.

3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Part 1 of the EAF indicates the site contains or is near the following: archaeological resources.

According to the New York State Cultural Resource Inventory System (CRIS) this action is not an action subject to review as no construction or disturbance is involved in this property transfer. Future actions that involve disturbance may be subject to environmental review, including cultural review at that time.

The sale of this property does not include physical disturbance or development of the parcel and will not result in any significant adverse environmental impacts.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☑ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Subject: Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Sale of County Owned Tax Foreclosure Property Located in the Village of Honeoye Falls

Honorable Legislators:

I recommend that Your Honorable Body determine whether the sale of County owned tax foreclosure property located in the Village of Honeoye Falls may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

The proposed sale is as follows:

This vacant land was acquired January 31, 2017 through tax foreclosure, is surplus property, and is not needed by Monroe County. The price indicated above was negotiated by Monroe County Real Estate.

The sale of County owned tax foreclosure property located in the Village of Honeoye Falls has been preliminarily classified as an Unlisted action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that the sale of County owned tax foreclosure property located in the Village of Honeoye Falls is an Unlisted action.
2. Make a determination of significance regarding the sale of County owned tax foreclosure property located in the Village of Honeoye Falls pursuant to 6 NYCRR § 617.7.

3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Part 3 Determination of Significance

For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Part 1 of the EAF indicates the site contains or is near the following: archaeological resources and wetlands.

Future use or development of the parcel may be subject to a wetland delineation and the New York State Freshwater Wetlands Act.

The sale of this property does not include physical disturbance or development of the parcel and will not result in any significant adverse environmental impacts.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize Monroe County to Submit Funding Applications to Federal, State, and/or Not-for-Profit Funding Assistance Programs

Honorable Legislators:

I recommend that Your Honorable Body authorize Monroe County to submit funding applications to federal, state, and/or not-for-profit corporations, including but not limited to the annual Consolidated Funding Application, the New York State Environmental Facilities Corporation, the United States Environmental Protection Agency, and other state and federal agencies and not-for-profit corporations for various projects in calendar year 2022.

Any projects that qualify and are selected for funding will be referred to Your Honorable Body for approval.

The specific legislative action required is to authorize the County Executive, or his designee, to submit funding applications to federal, state, and/or not-for-profit corporations for various projects in calendar year 2022.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(27) ("conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action") and is not subject to further review under the State Environmental Quality Review Act.

No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
