Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the Oswego County Soil and Water Conservation District in the amount of $89,200 for the period of April 1, 2022 through March 31, 2024 for the Water Quality Program and authorize a contract with the Monroe County Soil and Water Conservation District in an amount not to exceed $69,600 for the completion of water quality projects for the period of April 1, 2022 through March 31, 2024.

The purpose of this grant is to assist counties that are members of the Finger Lakes-Lake Ontario Watershed Protection Alliance (FL-LOWPA), in funding programs to improve water quality. The Monroe County Soil and Water Conservation District will provide stormwater management consulting and project management services to identify and implement water quality improvement projects such as stream bank erosion and shoreline stabilization in Monroe County and serve as the program manager for the New York State Watercraft Steward Program to control invasive species in Monroe County.

Subject: Amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to Add a Project Entitled “Multimodal Freight Initiative Planning Project” and Authorize Financing for the Project

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to add a project entitled “Multimodal Freight Initiative Planning Project” (the “Project”) in the amount of $1,000,000 and authorize financing for the Project in the amount of $1,000,000.

Rochester-Genesee Regional Transportation Authority and Genesee Transportation Council studies have reviewed freight-related issues in the region and made recommendations for future projects. Several of the recommendations are focused on infrastructure in Monroe County and include expansion of the main (04-22) runway at the Frederick Douglas Greater Rochester International Airport (“ROC”), creation of a regionalscale multimodal transfer facility, marine facilities, expansion of railroad sidings, and safety improvements to rail and highway infrastructure. The COVID-19 pandemic and recent international conflicts have exacerbated an already fragile supply chain. Coastal multimodal facilities are experiencing increased delays in docking ships and off-loading freight, and there is an increased utilization of air freight solutions. Monroe County is well-positioned to relieve these regional and national supply chain limitations based on our unique combination of air (ROC), rail (CSX), and highway (I-90, I-390, I-490, I-590) infrastructure with direct access to North American and global markets.

The Departments of Environmental Services (“DES”) and Planning and Development (“P&D”) have reviewed the recent regional studies; initiatives planned or undertaken by other municipalities across the state and county; and federal, state and local grant opportunities, as well as assessed the feasibility of undertaking an initiative to site a multimodal facility in Monroe County to transload bulk materials and provide centralized paper and food-grade storage. Based on the aggregate of information, DES and P&D believe that multimodal facilities are viable and could reap real benefits in terms of economic growth and job creation and retention. DES and P&D recommend that a nationally-recognized consultant be engaged to prepare a planning-level business plan and prospectus for a Multimodal Freight Initiative. The initial task of this is an economic and marketing assessments. In the event the economic and marketing assessments determine that the Multimodal Freight Initiative is viable, more detailed work would be completed on infrastructure assessments, environmental assessments, preliminary engineering, and grant applications. These succeeding tasks would be the subject of future referrals to advance the additional planning of the Project.
This project is scheduled to be considered by the Monroe County Planning Board on July 28, 2022.

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to add a project entitled “Multimodal Freight Initiative Planning Project,” in the amount of $1,000,000.

2. Amend the 2022 Capital Budget to add a project entitled “Multimodal Freight Initiative Planning Project,” in the amount of $1,000,000.

3. Authorize financing for the project entitled “Multimodal Freight Initiative Planning Project,” in the amount of $1,000,000.

This action is a Type II Action pursuant to 6 NYCRR §617.5(c)(24) (“information collection, including basic data collection and research; water quality and pollution studies, traffic counts, engineering studies; surveys; subsurface investigations; and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action”) and (27) (“conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action”), and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to Advance the “Tropical Exhibit and Main Entry Plaza” Project from 2023 to 2022 and Retitle the Project as “Tropical Exhibit and Main Entry Plaza, Phase 2;” Amend the 2022 Capital Budget to Increase Funding for the “Tropical Exhibit and Main Entry Plaza, Phase 2” Project; Authorize Financing for the Project

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to advance the “Tropical Exhibit and Main Entry Plaza” project from 2023 to 2022 in the amount of $64,120,000 and retitle the project as “Tropical Exhibit and Main Entry Plaza, Phase 2;” amend the 2022 Capital Budget to increase funding for the “Tropical Exhibit and Main Entry Plaza, Phase 2” project in the amount of $38,780,000; and authorize financing for the “Tropical Exhibit and Main Entry Plaza, Phase 2” project in the amount of $102,900,000.

By Resolution 180 of 2015, Your Honorable Body adopted the 2016-2021 Capital Improvement Program which included the Tropical Exhibit and Main Entry Plaza Project. This project features a state-of-the-art Tropics complex, showcasing animals from the ecosystems of Borneo and Madagascar at the south end of the Seneca Park Zoo, in the area previously occupied by the rhinoceros exhibit and the main building. This will include a naturalistic orangutan habitat enabling climbing and more “treetop-like” movement. The new Tropics complex will also feature ring-tailed lemurs and an aquarium. Other animals from these ecosystems will be incorporated as well. A new Entry Building will include a Conservation Resource Center, housing conservation and education programs. It will also include larger event capacity, space for Parks staff and the Zoo Society, and operations like Zoo Membership and admissions. The ZooShop will be expanded and upgraded to meet the best-in-class standards as well as the increased demands based on attendance growth.

The new zoo facilities will provide a world-class experience to Monroe County residents and will be of a quality that the Seneca Park Zoo is expected to be a destination trip for regional visitors. The indoor tropical environmental is expected to be an attractive draw during the winter months and is expected to increase overall seasonal attendance.

Governor Hochul has committed $42,500,000 in the State’s 2022-2023 budget toward the project. In addition, the Seneca Park Zoo Society, a not-for-profit corporation chartered to cooperate with the County in the raising of funds for the benefit of the Zoo; to foster, develop, and promote interest and civic pride among the citizens of Monroe County in their zoo and the animals therein; and to provide an organization dedicated to the advancement of scientific education and conservation knowledge of the members of the animal kingdom, has committed to undertaking significant fundraising efforts to raise $23,000,000 for the project.
This project is scheduled to be considered by the Monroe County Planning Board at its July 28, 2022 meeting.

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to advance the “Tropical Exhibit and Main Entry Plaza,” project from 2023 to 2022 and retitle the project as “Tropical Exhibit and Main Entry Plaza, Phase 2” in the amount of $64,120,000.

2. Amend the 2022 Capital Budget to increase funding for the “Tropical Exhibit and Main Entry Plaza, Phase 2” project in the amount of $38,780,000.

3. Authorize financing for the “Tropical Exhibit and Main Entry Plaza, Phase 2” in the amount of $102,900,000.

This action is a Type I Action under the New York State Environmental Quality Review Act (“SEQRA”). Pursuant to Resolution 145 of 2022, the Monroe County Legislature issued an Amended Negative Declaration for this action. No further action under SEQRA is required.

Funding for this project consistent with authorized uses, will be included in capital fund 1774, the new capital fund to be created, and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester for limited access to the Monroe County electronic pistol permit records system, for a term of three (3) years, with the option to renew for two (2) additional one-year terms.

The City of Rochester, through the Rochester police Department, desires access to the County’s system. The County is willing to permit the City limited access to the County’s system provided the City assumes all costs, responsibilities, and liabilities of its access to the County’s system.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the City of Rochester for limited access to the Monroe County electronic pistol permit records system for a term of three (3) years, with the option to renew for two (2) additional one-year terms.

Subject: Classification of Action, Designation of Lead Agency, and Determination of Significance Pursuant to the State Environmental Quality Review Act for Monroe Community College Applied Technology Center - S.T.E.M. Addition

Honorable Legislators:

I recommend that Your Honorable Body determine whether the Monroe Community College Applied Technology Center - S.T.E.M. Addition may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

By Resolution 181 of 2013, Your Honorable Body adopted the 2014-2019 Capital Improvement Program which included the Monroe Community College Applied Technology Center - S.T.E.M. Addition Project. The Applied Technology Center ("ATC"), currently located on West Henrietta Road, houses the facilities necessary for practical, hands-on training leading to a certificates or associate degrees in Automotive Technology; Heating, Ventilation and Air Conditioning Technology; Solar Thermal Technology; and Precision Tooling Machining Technology. An addition was planned to provide space for new Science, Technology, Engineering and Mathematics ("S.T.E.M.") programs while supporting the corporate sponsorships and industrial training that is an important part of the College’s mission.

The 2021 Facilities Master Plan included a recommendation to relocate the ATC to the Brighton Campus in order to better integrate its technical programs with academic and S.T.E.M. programs currently available at the Brighton Campus. In addition, there are significant deferred maintenance costs at the existing ATC site. Avoiding these costs, as well as placing the ATC on the Brighton Campus, provides an opportunity to improve efficiency of campus staffing and facility maintenance efforts. Finally, locating the ATC on the Brighton Campus enables growth in emerging highly technical fields such as optics and diesel technology. Advancing the construction of the ATC helps to accelerate the availability of properly trained workers to help satisfy the occupational demand in these well-paying technical fields.

The Monroe Community College Applied Technology Center - S.T.E.M. Addition has been preliminarily classified as a Type I action. The SEQRA regulations found at 6 NYCR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.
The specific legislative actions required are:

1. Determine that the Monroe Community College Applied Technology Center - S.T.E.M. Addition is a Type I action.

2. Designate Monroe County as Lead Agency for a coordinated review of the Monroe Community College Applied Technology Center - S.T.E.M. Addition.

3. Make a determination of significance regarding the Monroe Community College Applied Technology Center - S.T.E.M. Addition pursuant to 6 NYCRR § 617.7.

4. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Amend the 2022-2027 Capital Improvement Program to Advance the Monroe Community College Applied Technology Center - S.T.E.M. Addition Project from 2023 to 2022; Amend the 2022 Capital Budget to Add a Project Entitled "Monroe Community College Applied Technology Center - S.T.E.M. Addition;" Authorize Financing for the Project; and Authorize Contracts with the Dormitory Authority of the State of New York

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program to advance the Monroe Community College Applied Technology Center - S.T.E.M. Addition project from 2023 to 2022; Amend the 2022 Capital Budget to add a project entitled "Monroe Community College Applied Technology Center - S.T.E.M. Addition," in the amount of $34,634,000; authorize financing for the project in the amount of $34,634,000; and authorize contracts with the Dormitory Authority of the State of New York.

By Resolution 181 of 2013, Your Honorable Body adopted the 2014-2019 Capital Improvement Program which included the Monroe Community College Applied Technology Center - S.T.E.M. Addition project. The Applied Technology Center ("ATC"), currently located on West Henrietta Road, houses the facilities necessary for practical, hands-on training leading to a certificates or associate degrees in Automotive Technology; Heating, Ventilation and Air Conditioning Technology; Solar Thermal Technology; and Precision and Tooling Machining Technology. An addition was planned to provide space for new Science, Technology, Engineering and Mathematics ("S.T.E.M.") programs while supporting the corporate sponsorships and industrial training that is an important part of the College’s mission.

The 2021 Facilities Master Plan included a recommendation to relocate the ATC to the Brighton Campus in order to better integrate its technical programs with academic and S.T.E.M. programs currently available at the Brighton Campus. In addition, there are significant deferred maintenance costs at the existing ATC site. Avoiding these costs, as well as placing the ATC on the Brighton Campus, provides an opportunity to improve efficiency of campus staffing and facility maintenance efforts. Finally, locating the ATC on the Brighton Campus enables growth in emerging highly technical fields such as optics and diesel technology. Advancing the construction of the ATC helps to accelerate the availability of properly trained workers to help satisfy the occupational demand in these well-paying technical fields.
Partial reimbursement of 50% for project costs will be requested from the State University of New York (SUNY) upon establishment of the Resolution and the capital fund.

This project is scheduled to be considered by the Monroe County Planning Board at its July 28, 2022 meeting.

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to advance the Monroe Community College Applied Technology Center - S.T.E.M. Addition project from 2023 to 2022, in the amount of $34,634,000.

2. Amend the 2022 Capital Budget to add a project entitled “Monroe Community College Applied Technology Center - S.T.E.M. Addition,” in the amount of $34,634,000.

3. Authorize financing for the project entitled “Monroe Community College Applied Technology Center - S.T.E.M. Addition,” in the amount of $34,634,000.

4. Authorize the County Executive, or his designee, to execute contracts with the Dormitory Authority of the State of New York to purchase fixtures and equipment for the Monroe Community College Applied Technology Center - S.T.E.M. Addition project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

Funding for this project consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Acceptance of a Grant from the New York State Office of Children and Family Services for the Family First Mobile Response Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Office of Children and Family Services in the amount of $320,000 for the Family First Mobile Response Program for the period of January 1, 2022 through December 31, 2022.

This funding is provided through the federal Family First Prevention Services Act. Monroe County has intensified efforts around keeping children and families together. When out of home placement is necessary, Monroe County first tries to place children with kin but when that is not possible, utilizes foster homes within the community, rather than congregate care settings. The trauma experienced by these youth prior to coming into foster care may lead to behavioral and mental health challenges that compromise their safety and the safety of others. When these challenges exceed what caregivers can provide, children in care and their caregivers would benefit from in-home assistance to de-escalate the situation, effectively manage behavior, stabilize the child and family situation, and ultimately improve outcomes for children in care.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a $320,000 grant from, and to execute a contract and any amendments thereto with, the New York State Office of Children and Family Services for the Family First Mobile Response Program for the period January 1, 2022 through December 31, 2022.

2. Amend the 2022 operating budget of the Department of Human Services, Division of Social Services by appropriating the sum of $320,000 into general fund 9300, funds center 5102010000, Child/Family Service Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant of 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Office of Children and Family Services. No net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Subject: Authorize an Appropriation Transfer and Intermunicipal Agreements with the City of Rochester and All Towns and Villages Within Monroe County for Continuing COVID-19 Mitigation and Response Actions

Honorable Legislators:

I recommend that Your Honorable Body authorize an appropriation transfer in the amount of $20,000,000 from the Monroe County Legislature Local Recovery Fund to the Department of Public Health and authorize intermunicipal agreements with the City of Rochester and all towns and villages within Monroe County as may be necessary for continuing COVID-19 mitigation and response actions.

As you are aware, Monroe County has been incurring costs to mitigate the effects of, and respond directly to, the COVID-19 pandemic. For over two years, Monroe County has managed multiple fixed and mobile sites for Coronavirus rapid testing, vaccinations, and boosters, purchased personal protective equipment, test kits, and other medical supplies for use by the County and community at large, and has provided non-congregate sheltering for those requiring quarantine or isolation. Expenses for the aforementioned services have been accounted for within the Department of Public Health for program management, accounting, and reimbursement claiming purposes.

Actions to respond to and mitigate the public health impacts of the Coronavirus pandemic are an allowable use of the American Rescue Plan State and Local Fiscal Recovery Fund, for which Monroe County was awarded over $144 million. As such, the Local Recovery Fund was always intended to support the Department of Public Health’s efforts. By Section 3 of Resolution 213 of 2021, however, no amount of the County’s award may be expensed, charged, appropriated, reserved, encumbered, committed, posted, transferred or otherwise utilized except by resolution of the County Legislature.

The Department of Public Health does not have sufficient appropriations to continue its current or future mitigation and response actions, therefore an appropriation transfer will be required before the next variant of the virus manifests itself. In addition, prior experience has demonstrated that municipal assistance has been valuable to the County in providing support for its response efforts. The ability to quickly engage another municipality – within the appropriation limit requested – via intermunicipal agreement offers flexibility during challenging times.
The specific legislative actions required are:

1. Authorize an appropriation transfer of $20,000,000 from the Monroe County Legislature, general fund 9301, funds center 1001030000, Local Recovery Fund to the Department of Public Health, general fund 9001, funds center 5801090100, Pandemic Response.

2. Authorize intermunicipal agreements with the City of Rochester and all towns and villages within Monroe County as may be necessary to assist the Department of Public Health in mitigating or responding to local public health impacts.

The legislative action requested in this referral is not an “Action,” as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

These actions will have no net impact on the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Amend Resolution 250 of 2021, as Amended by Resolution 414 of 2021, to Extend the Time Period for the 2021 Safe Summer Youth Engagement Program and Authorize Contracts

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 250 of 2021, as amended by Resolution 414 of 2021, to extend the time period for three (3) months, through June 30, 2022, for the 2021 Safe Summer Youth Engagement Program and authorize contracts for the 2021 Safe Summer Youth Engagement Program for the period of July 1, 2021 through June 30, 2022.

This time extension will be used by the Monroe County Department of Human Services, Youth Bureau, to continue the work of the 2021 Safe Summer Youth Engagement Program. Monroe County initially received this 6-month grant in 2021 with effective dates of July 1, 2021 through December 31, 2021. New York State Office of Child and Family Services has extended the grant period through June 30, 2022. This is a no-cost extension, which means no additional funding will be provided, and only the grant period will be extended.

The specific legislative actions required are:

1. Amend Resolution 250 of 2021, as amended by Resolution 414 of 2021, to extend the time period for the New York State Office of Children and Family Services Safe Summer Youth Engagement Program for three (3) months, through June 30, 2022.

2. Amend Resolution 414 of 2021 to extend the time period with Center for Teen Empowerment, Inc. for three (3) months, through June 30, 2022.

3. Authorize the County Executive, or his designee, to execute contracts, and any amendments thereto, with the AW Foundation Inc., 1100 University Avenue, Rochester, New York 14607 and The Greater New York Revitalization Inc., on behalf of the P.A.C.T.S. Program, 182 Monroe Avenue, Rochester, New York 14607, for the 2021 Safe Summer Youth Engagement Program in a total aggregate amount not to exceed $130,000 for the period of July 1, 2021 through June 30, 2022.
4. Should funding of these programs be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program(s) and where applicable, to terminate or abolish some or all positions funded under such program(s). Any termination or abolishment of positions shall be in accordance with the New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2022 operating budget of the Department of Human Services, Youth Bureau, general fund 9001, funds center 5603010000, Youth Contracts. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Amending Resolution 109 of 2022, Election of a Cents per Gallon Rate of Sales and Compensating Use Taxes on Motor Fuel and Diesel Motor Fuel

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 109 of 2022, which amended Resolution 265 of 1965, as amended, to elect a cents per gallon rate of sales and compensating use taxes on motor fuel and diesel motor fuel in lieu of the percentage rate of such taxes, pursuant to the authority of Article 29 of the Tax Law of the State of New York.

After Your Honorable Body adopted Resolution 109 of 2022 to enact a temporary cents-per-gallon rate of sales and use tax for motor fuel and diesel motor fuel, New York State enacted Chapter 187 of 2022, which permitted such temporary rates to sunset on January 1, 2023. This resolution would extend Monroe County’s temporary cents-per-gallon rate of sales and use tax from December 1, 2022 to January 1, 2023, as permitted under Chapter 187 of 2022.

The specific legislative actions required is to amend Resolution 109 of 2022 so that it expires and is deemed repealed on January 1, 2023.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. A new chapter shall be added as Chapter 341 of the Monroe County Code entitled "Monroe County School Bus Stop Arm Demonstration Program" and shall read as follows:

§ 1 Definitions. Defined terms used in this local law shall have the same meaning as ascribed to them below:

COUNTY shall mean Monroe County.

SCHOOL BUS PHOTO VIOLATION MONITORING SYSTEM shall mean a device that is capable of operating independently of an enforcement officer which is installed to work in conjunction with a school bus stop-arm and which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of a vehicle at the time it is used or operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

SCHOOL DISTRICT shall mean any school district wholly contained within Monroe County except for the Rochester City School District.

§ 2 Program established.

A. There is hereby established, pursuant to § 1174-a of the New York State Vehicle and Traffic Law, a demonstration program imposing monetary liability on owners of vehicles for failure of the operators thereof to comply with § 1174 of the New York State Vehicle and Traffic Law when meeting a school bus marked and equipped as provided in Subdivisions 20 and 21-c of § 375 of the New York State Vehicle and Traffic Law in the County of Monroe.

B. To carry out the demonstration program, the County is authorized to enter into an agreement with a school district for the installation, maintenance, and use of school bus photo violation monitoring systems as well as proper handling and custody of data received by the school bus cameras, subject to the provisions of § 1174-a of the New York Vehicle and Traffic Law. Once a school district has entered into an agreement with the County, cameras shall be installed on school buses owned or operated by that school district or privately owned and operated for compensation under a contract with such school district.
§ 3 Cost of program and reports relating thereto.

A. The total cost to a school district of the installation, maintenance, and use of school bus photo violation monitoring systems pursuant to an agreement authorized by this local law shall be borne entirely by the County.

B. A school district shall provide any information necessary or desirable to the County in order to meet its reporting requirements under § 1174-a of the Vehicle and Traffic Law.

C. Pursuant to § 1174-a (a)(3) of the Vehicle and Traffic Law, any school district participating in the demonstration program shall be prohibited from accessing any photographs, microphotographs, videotapes, other recorded images and data from school bus photo violation monitoring systems but shall provide, pursuant to the agreement with the County, as provided in this local law, for the proper handling and custody of such photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs, videotapes, other recorded images and data to the County for the purpose of determining whether a motor vehicle was operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and imposing monetary liability on the owner of such motor vehicle therefor.

D. Photographs, microphotographs, videotapes, other recorded images and data produced by school bus photo violation monitoring systems shall be destroyed (a) 90 days after the date of the alleged imposition of liability if a notice of liability is not issued for such alleged imposition of liability pursuant to this local law, or (b) upon final disposition of a notice of liability issued pursuant to this local law.

E. The County shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a school bus photo monitoring device. Such measures shall include:

   a. Utilization of necessary technologies to ensure, to the extent practicable, that photographs produced by such school photo violation monitoring systems shall not include images that identify the driver, the passengers, the contents of the vehicle, pedestrians and cyclists; provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that the County has made a reasonable effort to comply with the provisions of this subsection;

   b. A prohibition of the use or dissemination of vehicles' license plate information and other information and images captured by school bus photo violation monitoring systems except: (a) as required to establish liability under this section or collect payment of penalties; (b) as required by court order; or (c) as otherwise required by law;

   c. Oversight procedures to ensure compliance with the privacy protection measures required herein.
F. The County shall undertake the installation of signage in conformance with standards established in the Manual of Uniform Traffic Control Devices. Such signage shall be installed at each roadway entrance of the jurisdictional boundaries of the County giving notice that school bus photo violation monitoring systems are used to enforce restrictions on vehicles violating § 1174 of the New York Vehicle and Traffic Law. For the purposes of this subsection, the term "roadway" shall not include state expressway routes or state interstate routes but shall include controlled-access highway exit ramps that enter the boundaries of the County.

§ 4 Penalties for offenses.

A. An owner liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law shall be liable for monetary penalties in accordance with the following schedule of fines and penalties:

a. $250 for a first violation;
b. $275 for a second violation committed within 18 months of the first violation;
c. $300 for a third violation or subsequent violation all of which were committed within 18 months from the first violation; and
d. An additional penalty of $25 for each violation for the failure to respond to a notice of liability within the prescribed time period.

B. An imposition of liability under this local law shall not be deemed a conviction and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

C. All fines and penalties collected pursuant to this local law shall be deposited with the County of Monroe County Finance Department.

§ 5 Notice of liability.

A. A notice of liability shall be sent as provided by state law by first-class mail to each person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein. The notice of liability shall be prepared and mailed by the County, or by any other entity authorized by the County.

B. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

C. A notice of liability shall contain information advising the person charged of the manner and the time in which he or she may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner
and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

D. A notice of liability may contain such other information as the entity causing such notice of liability to be mailed deems appropriate to communicate the law, and the adjudicatory process if the addressee of the notice wishes to contest the notice of liability.

§ 6 Owner liability.

A. The owner of a vehicle shall be liable for a penalty imposed pursuant to this local law if such vehicle was used or operated with the permission of the owner, express or implied, in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and such violation is evidenced by information obtained from a school bus photo violation monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this local law where the operator of such vehicle has been convicted of the underlying violation of Subdivision (a) of § 1174 of the New York State Vehicle and Traffic Law. For purposes of (i) this section; and (ii) this local law, there shall be a presumption that such vehicle was used and operated with the consent of the owner at the time it was used and operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

B. If the owner receives a notice of liability pursuant to this local law for any time period during which the vehicle was reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subsection, it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent or delivered to a court of competent jurisdiction or parking violations bureau having jurisdiction where any contested notice of liability would otherwise be determined.

C. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to this local law shall not be liable for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, provided that he or she complies with the provisions of § 1174-a of the New York Vehicle and Traffic Law and otherwise sends to the Court of competent jurisdiction, or other adjudicatory bureau or agency of competent jurisdiction, a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within 37 days after receiving notice from the agency or entity which caused such notice of liability to be issued, together with the information contained in the original notice of liability. Failure to send such information within the 37-day time period shall render the owner liable for the penalty prescribed by this local law. Where the lessor complies with the provisions of this subsection, the lessee of such vehicle for purposes of this section, shall be deemed to be the owner of such vehicle on the date of such violation for the purposes of this section, shall be subject to liability for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law and shall be sent a notice of liability pursuant to § 4 of this local law.
D. A certificate, sworn to or affirmed by a technician employed by the County, or a facsimile thereof, upon inspection of photographs, microphotographs, videotapes, other recorded images produced by a school bus photo violation monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotapes, other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.

E. It shall be a defense to any prosecution for or allegation of a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that such school bus stop-arms were malfunctioning at the time of the alleged violation.

§ 7 Adjudication of liability. Liability pursuant to the demonstration program established hereunder shall be imposed upon owners by the Court of competent jurisdiction in the County of Monroe or in another manner pursuant to the New York State Vehicle and Traffic Law.

§ 8 Action for indemnification. If the owner held liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

§ 9 Reporting requirements.

A. The County shall develop and cause to be submitted an annual report on the results of the use of a school bus photo violation monitoring system to the Governor, the temporary president of the Senate and the speaker of the Assembly on or before June 1 of each year in which the demonstration program is operable. Such report shall include any information required by § 1174-a(m) of the New York Vehicle and Traffic Law to be included as a result of the enactment of this local law.

B. Pursuant to the requirements of § 1174-a of the New York State Vehicle and Traffic Law, courts, bureaus, and agencies conducting adjudications as a result of this local law shall report at least annually to the County on the quality of the adjudication process and its results including the total number of hearings scheduled, rescheduled, and held; the total number of persons scheduled for such hearings; the total number of cases where fines were paid or on or before the hearing date; and the total number of default judgments entered.

Section 2. If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 3. This local law shall take effect in accordance with the provisions of the Municipal Home Rule Law and the Monroe County Charter.

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Fifty two parcels have been requested to be added to the Monroe County Agricultural Districts, Western #5 and Eastern #6. These parcels are located throughout the County. A Part 1 Environmental Assessment Form ("EAF") that utilized the EAF Mapper was completed for each parcel. Those results have been reviewed and aggregated into Parts 1, 2, and 3 of this Short Environmental Assessment Form ("SEAF"). The addition of each parcel is part of the larger Monroe County Annual Additions to the Agricultural Districts. Accordingly, this will be reviewed as one action and all impacts, scope, and significance will be determined together.

Upon review of the SEAF Part 1 for each parcel some individual parcels may contain or be adjacent to endangered species (bald eagle and least bittern), national or state register of historic places or state eligible sites, archaeological sites, wetlands or other regulated water-bodies, 100 year flood plain(s), and remediation sites (see part 1).

The action taking place is the addition of parcels to an agricultural district, no physical construction or changes to the parcels is permitted by this action. Any such physical changes will be consistent with the existing regulations and zoning or will need to be permitted by the local municipality and undergo an environmental review at that time. The parcels being added to the Agricultural District are largely used for agricultural activities that reflect the current and historic character of the surrounding area and will remain the same through this action. They are not anticipated to change in character, attract people or traffic, impact existing water and waste water services.

As such, this action will not result in significant adverse impacts to on-site or adjacent endangered species (bald eagle and least bittern), national or state register of historic places or state eligible sites, archaeological sites, wetlands or other regulated water-bodies, 100 year flood plain(s), and remediation sites are anticipated.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☑ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Monroe County Legislature - July 12, 2022
To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Enact a Local Law Entitled “Monroe County School Bus Stop Arm Demonstration Program”

Honorable Legislators:

We recommend that Your Honorable Body enact a Local Law to establish a School Bus Stop Arm Demonstration Program in Monroe County.

According to the National Highway Traffic Safety Association ("NHTSA"), the greatest risk to a student is not riding a school bus, but approaching or leaving one. Although passing a school bus that has its red lights flashing and stop-arm extended is illegal in all fifty states, school bus drivers have reported that motorists still illegally pass school buses, placing children at risk for serious if not deadly injury. According to NHTSA study on illegal passing in one state, approximately 3,394 motorists illegally passed a stopped school bus in a single day, meaning in a 180-day school year there would be approximately 611,000 instances of illegal passing.

To successfully combat school bus stop-arm violations, national studies indicate that programs must incorporate education on compliance with the law, effective reporting of violations, and proper enforcement of the law. Monroe County is authorized under Section 1174-a of the New York Vehicle and Traffic Law to adopt a local law establishing a demonstration program that imposes monetary liability on the owner of a vehicle for failure to stop at a school bus displaying a red visual sign and stop arm. The proposed local law would allow the County to develop and implement a comprehensive program to deter vehicle operators from overtaking and passing a stopped school bus and reduce the incidence of possible serious injuries to students, including: (1) installing and operating video monitoring systems on school buses for the purpose of recording violations of vehicles passing school buses, and (2) imposing civil penalties on vehicle owners for violations.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.

2. Enact the enclosed Local Law Entitled Monroe County School Bus Stop Arm Demonstration Program.
This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) (31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials"); (33) ("adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list") and (35) ("civil or criminal enforcement proceedings, whether administrative or judicial, including a particular course of action specifically required to be undertaken pursuant to a judgment or order, or the exercise of prosecutorial discretion") and is not subject to further review under the State Environmental Quality Review Act.

This Local Law will have no impact on the revenues or expenditures of the current Monroe County budget.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Intro No. ____

LOCAL LAW NO. ___ OF 2022

ENACT A LOCAL LAW ENTITLED “MONROE COUNTY SCHOOL BUS STOP ARM DEMONSTRATION PROGRAM”

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. A new chapter shall be added to the Monroe County Code entitled “Monroe County School Bus Stop Arm Demonstration Program” and shall read as follows:

§ 1 Definitions. Defined terms used in this local law shall have the same meaning as ascribed to them below:

COUNTY shall mean Monroe County.

SCHOOL BUS PHOTO VIOLATION MONITORING SYSTEM shall mean a device that is capable of operating independently of an enforcement officer which is installed to work in conjunction with a school bus stop-arm and which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of a vehicle at the time it is used or operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

SCHOOL DISTRICT shall mean any school district wholly contained within Monroe County except for the Rochester City School District.

§ 2 Program established.

A. There is hereby established, pursuant to § 1174-a of the New York State Vehicle and Traffic Law, a demonstration program imposing monetary liability on owners of vehicles for failure of the operators thereof to comply with § 1174 of the New York State Vehicle and Traffic Law when meeting a school bus marked and equipped as provided in Subdivisions 20 and 21-c of § 375 of the New York State Vehicle and Traffic Law in the County of Monroe.

B. To carry out the demonstration program, the County is authorized to enter into an agreement with a school district for the installation, maintenance, and use of school bus photo violation monitoring systems as well as proper handling and custody of data received by the school bus cameras, subject to the provisions of § 1174-a of the New York Vehicle and Traffic Law. Once a school district has entered into an agreement with the County, cameras shall be installed on school buses owned or operated by that school district or privately owned and operated for compensation under a contract with such school district.
§ 3  Cost of program and reports relating thereto.

A. The total cost to a school district of the installation, maintenance, and use of school bus photo violation monitoring systems pursuant to an agreement authorized by this local law shall be borne entirely by the County.

B. A school district shall provide any information necessary or desirable to the County in order to meet its reporting requirements under § 1174-a of the Vehicle and Traffic Law.

C. Pursuant to § 1174-a (a)(3)(i) of the Vehicle and Traffic Law, any school district participating in the demonstration program shall be prohibited from accessing any photographs, microphotographs, videotapes, other recorded images and data from school bus photo violation monitoring systems but shall provide, pursuant to the agreement with the County, as provided in this local law, for the proper handling and custody of such photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs, videotapes, other recorded images and data to the County for the purpose of determining whether a motor vehicle was operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and imposing monetary liability on the owner of such motor vehicle therefor.

D. Photographs, microphotographs, videotapes, other recorded images and data produced by school bus photo violation monitoring systems shall be destroyed (a) 90 days after the date of the alleged imposition of liability if a notice of liability is not issued for such alleged imposition of liability pursuant to this local law, or (b) upon final disposition of a notice of liability issued pursuant to this local law.

E. The County shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a school bus photo monitoring device. Such measures shall include:

   a. Utilization of necessary technologies to ensure, to the extent practicable, that photographs produced by such school photo violation monitoring systems shall not include images that identify the driver, the passengers, the contents of the vehicle, pedestrians and cyclists; provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that the County has made a reasonable effort to comply with the provisions of this subsection;

   b. A prohibition of the use or dissemination of vehicles' license plate information and other information and images captured by school bus photo violation monitoring systems except: (a) as required to establish liability under this section or collect payment of penalties; (b) as required by court order; or (c) as otherwise required by law;

   c. Oversight procedures to ensure compliance with the privacy protection measures required herein.
F. The County shall undertake the installation of signage in conformance with standards established in the Manual of Uniform Traffic Control Devices. Such signage shall be installed at each roadway entrance of the jurisdictional boundaries of the County giving notice that school bus photo violation monitoring systems are used to enforce restrictions on vehicles violating § 1174 of the New York Vehicle and Traffic Law. For the purposes of this subsection, the term "roadway" shall not include state expressway routes or state interstate routes but shall include controlled-access highway exit ramps that enter the boundaries of the County.

§ 4 Penalties for offenses.

A. An owner liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law shall be liable for monetary penalties in accordance with the following schedule of fines and penalties:

a. $250 for a first violation;

b. $275 for a second violation committed within 18 months of the first violation;

c. $300 for a third violation or subsequent violation all of which were committed within 18 months from the first violation; and

d. An additional penalty of $25 for each violation for the failure to respond to a notice of liability within the prescribed time period.

B. An imposition of liability under this local law shall not be deemed a conviction and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

C. All fines and penalties collected pursuant to this local law shall be deposited with the County of Monroe County Finance Department.

§ 5 Notice of liability.

A. A notice of liability shall be sent as provided by state law by first-class mail to each person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein. The notice of liability shall be prepared and mailed by the County, or by any other entity authorized by the County.

B. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

C. A notice of liability shall contain information advising the person charged of the manner and the time in which he or she may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.
D. A notice of liability may contain such other information as the entity causing such notice of liability to be mailed deems appropriate to communicate the law, and the adjudicatory process if the addressee of the notice wishes to contest the notice of liability.

§ 6 Owner liability.

A. The owner of a vehicle shall be liable for a penalty imposed pursuant to this local law if such vehicle was used or operated with the permission of the owner, express or implied, in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and such violation is evidenced by information obtained from a school bus photo violation monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this local law where the operator of such vehicle has been convicted of the underlying violation of Subdivision (a) of § 1174 of the New York State Vehicle and Traffic Law. For purpose of (i) this section; and (ii) this local law, there shall be a presumption that such vehicle was used and operated with the consent of the owner at the time it was used and operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

B. If the owner receives a notice of liability pursuant to this local law for any time period during which the vehicle was reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subsection, it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent or delivered to a court of competent jurisdiction or parking violations bureau having jurisdiction where any contested notice of liability would otherwise be determined.

C. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to this local law shall not be liable for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, provided that he or she complies with the provisions of § 1174-a of the New York Vehicle and Traffic Law and otherwise sends to the Court of competent jurisdiction, or other adjudicatory bureau or agency of competent jurisdiction, a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within 37 days after receiving notice from the agency or entity which caused such notice of liability to be issued, together with the information contained in the original notice of liability. Failure to send such information within the 37-day time period shall render the owner liable for the penalty prescribed by this local law. Where the lessor complies with the provisions of this subsection, the lessee of such vehicle for purposes of this section, shall be deemed to be the owner of such vehicle on the date of such violation for the purposes of this section, shall be subject to liability for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law and shall be sent a notice of liability pursuant to § 4 of this local law.
D. A certificate, sworn to or affirmed by a technician employed by the County, or a facsimile thereof, upon inspection of photographs, microphotographs, videotapes, other recorded images produced by a school bus photo violation monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotapes, other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.

E. It shall be a defense to any prosecution for or allegation of a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that such school bus stop-arms were malfunctioning at the time of the alleged violation.

§ 7 Adjudication of liability. Liability pursuant to the demonstration program established hereunder shall be imposed upon owners by the Court of competent jurisdiction in the County of Monroe or in another manner pursuant to the New York State Vehicle and Traffic Law.

§ 8 Action for indemnification. If the owner held liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

§ 9 Reporting requirements.

A. The County shall develop and cause to be submitted an annual report on the results of the use of a school bus photo violation monitoring system to the Governor, the temporary president of the Senate and the speaker of the Assembly on or before June 1 of each year in which the demonstration program is operable. Such report shall include any information required by § 1174-a(m) of the New York Vehicle and Traffic Law to be included as a result of the enactment of this local law.

B. Pursuant to the requirements of § 1174-a of the New York State Vehicle and Traffic Law, courts, bureaus, and agencies conducting adjudications as a result of this local law shall report at least annually to the County on the quality of the adjudication process and its results including the total number of hearings scheduled, rescheduled, and held; the total number of persons scheduled for such hearings; the total number of cases where fines were paid on or before the hearing date; and the total number of default judgments entered.

Section 2. If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 3. This local law shall take effect in accordance with the provisions of the Municipal Home Rule Law and the Monroe County Charter.

E. The County shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a school bus photo monitoring device. Such measures shall include:

Utilization of necessary technologies to ensure, to the extent practicable, that photographs produced by such school photo violation monitoring systems shall not include images that identify the driver, the passengers, the contents of the vehicle, pedestrians and cyclists; provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that the County has made a reasonable effort to comply with the provisions of this subsection;

b. A prohibition of the use or dissemination of vehicles' license plate information and other information and images captured by school bus photo violation monitoring systems except: (a) as required to establish liability under this section or collect payment of penalties; (b) as required by court order; or (c) as otherwise required by law;

c. Oversight procedures to ensure compliance with the privacy protection measures required herein.
F. The County shall undertake the installation of signage in conformance with standards established in the Manual of Uniform Traffic Control Devices. For the purposes of this subsection, the term "roadway" shall not include state expressway routes or state interstate routes but shall include controlled-access highway exit ramps that enter the boundaries of the County.

The notice of liability shall be prepared and mailed by the County, or by any other entity authorized by the County.

B. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

ADOPTION: Date: ___________ Vote: _____
To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Enact a Local Law Entitled “Monroe County School Bus Stop Arm Demonstration Program”

Honorable Legislators:

We recommend that Your Honorable Body enact a Local Law to establish a School Bus Stop Arm Demonstration Program in Monroe County.

According to the National Highway Traffic Safety Association (“NHTSA”), the greatest risk to a student is not riding a school bus, but approaching or leaving one. Although passing a school bus that has its red lights flashing and stop-arm extended is illegal in all fifty states, school bus drivers have reported that motorists still illegally pass school buses, placing children at risk for serious if not deadly injury. According to NHTSA study on illegal passing in one state, approximately 3,394 motorists illegally passed a stopped school bus in a single day, meaning in a 180-day school year there would be approximately 611,000 instances of illegal passing.

To successfully combat school bus stop-arm violations, national studies indicate that programs must incorporate education on compliance with the law, effective reporting of violations, and proper enforcement of the law. Monroe County is authorized under Section 1174-a of the New York Vehicle and Traffic Law to adopt a local law establishing a demonstration program that imposes monetary liability on the owner of a vehicle for failure to stop at a school bus displaying a red visual sign and stop arm. The proposed local law would allow the County to develop and implement a comprehensive program to deter vehicle operators from overtaking and passing a stopped school bus and reduce the incidence of possible serious injuries to students, including: (1) installing and operating video monitoring systems on school buses for the purpose of recording violations of vehicles passing school buses, and (2) imposing civil penalties on vehicle owners for violations.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.
2. Enact the enclosed Local Law Entitled Monroe County School Bus Stop Arm Demonstration Program.
This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) (31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials"); (33) ("adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list") and (35) ("civil or criminal enforcement proceedings, whether administrative or judicial, including a particular course of action specifically required to be undertaken pursuant to a judgment or order, or the exercise of prosecutorial discretion") and is not subject to further review under the State Environmental Quality Review Act.

This Local Law will have no impact on the revenues or expenditures of the current Monroe County budget.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

§ 6 Owner liability.

A. The owner of a vehicle shall be liable for a penalty imposed pursuant to this local law if such vehicle was used or operated with the permission of the owner, express or implied, in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and such violation is evidenced by information obtained from a school bus photo violation monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this local law where the operator of such vehicle has been convicted of the underlying violation of Subdivision (a) of § 1174 of the New York State Vehicle and Traffic Law. For purpose of (i) this section; and (ii) this local law, there shall be a presumption that such vehicle was used and operated with the consent of the owner at the time it was used and operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

B. If the owner receives a notice of liability pursuant to this local law for any time period during which the vehicle was reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subsection, it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent or delivered to a court of competent jurisdiction or parking violations bureau having jurisdiction where any contested notice of liability would otherwise be determined.

C. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to this local law shall not be liable for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, provided that he or she complies with the provisions of § 1174-a of the New York Vehicle and Traffic Law and otherwise sends to the Court of competent jurisdiction, or other adjudicatory bureau or agency of competent jurisdiction, a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within 37 days after receiving notice from the agency or entity which caused such notice of liability to be issued, together with the information contained in the original notice of liability. Failure to send such information within the 37-day time period shall render the owner liable for the penalty prescribed by this local law. Where the lessor complies with the provisions of this subsection, the lessee of such vehicle for purposes of this section, shall be deemed to be the owner of such vehicle on the date of such violation for the purposes of this section, shall be subject to liability for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law and shall be sent a notice of liability pursuant to § 4 of this local law.
D. A certificate, sworn to or affirmed by a technician employed by the County, or a facsimile thereof, upon inspection of photographs, microphotographs, videotapes, other recorded images produced by a school bus photo violation monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotapes, other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.

E. It shall be a defense to any prosecution for or allegation of a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that such school bus stop-arms were malfunctioning at the time of the alleged violation.

§ 7 Adjudication of liability. Liability pursuant to the demonstration program established hereunder shall be imposed upon owners by the Court of competent jurisdiction in the County of Monroe or in another manner pursuant to the New York State Vehicle and Traffic Law.

§ 8 Action for indemnification. If the owner held liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

§ 9 Reporting requirements.

A. The County shall develop and cause to be submitted an annual report on the results of the use of a school bus photo violation monitoring system to the Governor, the temporary president of the Senate and the speaker of the Assembly on or before June 1 of each year in which the demonstration program is operable. Such report shall include any information required by § 1174-a(m) of the New York Vehicle and Traffic Law to be included as a result of the enactment of this local law.

B. Pursuant to the requirements of § 1174-a of the New York State Vehicle and Traffic Law, courts, bureaus, and agencies conducting adjudications as a result of this local law shall report at least annually to the County on the quality of the adjudication process and its results including the total number of hearings scheduled, rescheduled, and held; the total number of persons scheduled for such hearings; the total number of cases where fines were paid on or before the hearing date; and the total number of default judgments entered.

Section 2. If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 3. This local law shall take effect in accordance with the provisions of the Municipal Home Rule Law and the Monroe County Charter.

Monroe County Legislature

Subject: Enact a Local Law Entitled “Monroe County School Bus Stop Arm Demonstration Program”

Honorable Legislators:

We recommend that Your Honorable Body enact a Local Law to establish a School Bus Stop Arm Demonstration Program in Monroe County.

According to the National Highway Traffic Safety Association (“NHTSA”), the greatest risk to a student is not riding a school bus, but approaching or leaving one. Although passing a school bus that has its red lights flashing and stop-arm extended is illegal in all fifty states, school bus drivers have reported that motorists still illegally pass school buses, placing children at risk for serious if not deadly injury. According to NHTSA study on illegal passing in one state, approximately 3,394 motorists illegally passed a stopped school bus in a single day, meaning in a 180-day school year there would be approximately 611,000 instances of illegal passing.

To successfully combat school bus stop-arm violations, national studies indicate that programs must incorporate education on compliance with the law, effective reporting of violations, and proper enforcement of the law. Monroe County is authorized under Section 1174-a of the New York Vehicle and Traffic Law to adopt a local law establishing a demonstration program that imposes monetary liability on the owner of a vehicle for failure to stop at a school bus displaying a red visual sign and stop arm. The proposed local law would allow the County to develop and implement a comprehensive program to deter vehicle operators from overtaking and passing a stopped school bus and reduce the incidence of possible serious injuries to students, including: (1) installing and operating video monitoring systems on school buses for the purpose of recording violations of vehicles passing school buses, and (2) imposing civil penalties on vehicle owners for violations.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.

2. Enact the enclosed Local Law Entitled Monroe County School Bus Stop Arm Demonstration Program.
This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) (31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials"); (33) ("adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list") and (35) ("civil or criminal enforcement proceedings, whether administrative or judicial, including a particular course of action specifically required to be undertaken pursuant to a judgment or order, or the exercise of prosecutorial discretion") and is not subject to further review under the State Environmental Quality Review Act.

This Local Law will have no impact on the revenues or expenditures of the current Monroe County budget.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

LOCAL LAW NO. ___ OF 2022

ENACT A LOCAL LAW ENTITLED “MONROE COUNTY SCHOOL BUS STOP ARM DEMONSTRATION PROGRAM”

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. A new chapter shall be added to the Monroe County Code entitled “Monroe County School Bus Stop Arm Demonstration Program” and shall read as follows:

§ 1 Definitions. Defined terms used in this local law shall have the same meaning as ascribed to them below:

COUNTY shall mean Monroe County.

SCHOOL BUS PHOTO VIOLATION MONITORING SYSTEM shall mean a device that is capable of operating independently of an enforcement officer which is installed to work in conjunction with a school bus stop-arm and which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of a vehicle at the time it is used or operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

SCHOOL DISTRICT shall mean any school district wholly contained within Monroe County except for the Rochester City School District.

§ 2 Program established.

A. There is hereby established, pursuant to § 1174-a of the New York State Vehicle and Traffic Law, a demonstration program imposing monetary liability on owners of vehicles for failure of the operators thereof to comply with § 1174 of the New York State Vehicle and Traffic Law when meeting a school bus marked and equipped as provided in Subdivisions 20 and 21-c of § 375 of the New York State Vehicle and Traffic Law in the County of Monroe.

B. To carry out the demonstration program, the County is authorized to enter into an agreement with a school district for the installation, maintenance, and use of school bus photo violation monitoring systems as well as proper handling and custody of data received by the school bus cameras, subject to the provisions of § 1174-a of the New York Vehicle and Traffic Law. Once a school district has entered into an agreement with the County, cameras shall be installed on school buses owned or operated by that school district or privately owned and operated for compensation under a contract with such school district.
§ 3 Cost of program and reports relating thereto.

A. The total cost to a school district of the installation, maintenance, and use of school bus photo violation monitoring systems pursuant to an agreement authorized by this local law shall be borne entirely by the County.

B. A school district shall provide any information necessary or desirable to the County in order to meet its reporting requirements under § 1174-a of the Vehicle and Traffic Law.

C. Pursuant to § 1174-a (a)(3)(i) of the Vehicle and Traffic Law, any school district participating in the demonstration program shall be prohibited from accessing any photographs, microphotographs, videotapes, other recorded images and data from school bus photo violation monitoring systems but shall provide, pursuant to the agreement with the County, as provided in this local law, for the proper handling and custody of such photographs, microphotographs, videotapes, other recorded images and data produced by such systems, and for the forwarding of such photographs, microphotographs, videotapes, other recorded images and data to the County for the purpose of determining whether a motor vehicle was operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and imposing monetary liability on the owner of such motor vehicle therefor.

D. Photographs, microphotographs, videotapes, other recorded images and data produced by school bus photo violation monitoring systems shall be destroyed (a) 90 days after the date of the alleged imposition of liability if a notice of liability is not issued for such alleged imposition of liability pursuant to this local law, or (b) upon final disposition of a notice of liability issued pursuant to this local law.

E. The County shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a school bus photo monitoring device. Such measures shall include:

   a. Utilization of necessary technologies to ensure, to the extent practicable, that photographs produced by such school photo violation monitoring systems shall not include images that identify the driver, the passengers, the contents of the vehicle, pedestrians and cyclists; provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that the County has made a reasonable effort to comply with the provisions of this subsection;

   b. A prohibition of the use or dissemination of vehicles' license plate information and other information and images captured by school bus photo violation monitoring systems except: (a) as required to establish liability under this section or collect payment of penalties; (b) as required by court order; or (c) as otherwise required by law;

   c. Oversight procedures to ensure compliance with the privacy protection measures required herein.
F. The County shall undertake the installation of signage in conformance with standards established in the Manual of Uniform Traffic Control Devices. Such signage shall be installed at each roadway entrance of the jurisdictional boundaries of the County giving notice that school bus photo violation monitoring systems are used to enforce restrictions on vehicles violating § 1174 of the New York Vehicle and Traffic Law. For the purposes of this subsection, the term "roadway" shall not include state expressway routes or state interstate routes but shall include controlled-access highway exit ramps that enter the boundaries of the County.

§ 4 Penalties for offenses.

A. An owner liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law shall be liable for monetary penalties in accordance with the following schedule of fines and penalties:

a. $250 for a first violation;
b. $275 for a second violation committed within 18 months of the first violation;
c. $300 for a third violation or subsequent violation all of which were committed within 18 months from the first violation; and
d. An additional penalty of $25 for each violation for the failure to respond to a notice of liability within the prescribed time period.

B. An imposition of liability under this local law shall not be deemed a conviction and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

C. All fines and penalties collected pursuant to this local law shall be deposited with the County of Monroe County Finance Department.

§ 5 Notice of liability.

A. A notice of liability shall be sent as provided by state law by first-class mail to each person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein. The notice of liability shall be prepared and mailed by the County, or by any other entity authorized by the County.

B. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

C. A notice of liability shall contain information advising the person charged of the manner and the time in which he or she may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.
D. A notice of liability may contain such other information as the entity causing such notice of liability to be mailed deems appropriate to communicate the law, and the adjudicatory process if the addressee of the notice wishes to contest the notice of liability.

§ 6 Owner liability.

A. The owner of a vehicle shall be liable for a penalty imposed pursuant to this local law if such vehicle was used or operated with the permission of the owner, express or implied, in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law and such violation is evidenced by information obtained from a school bus photo violation monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this local law where the operator of such vehicle has been convicted of the underlying violation of Subdivision (a) of § 1174 of the New York State Vehicle and Traffic Law. For purpose of (i) this section; and (ii) this local law, there shall be a presumption that such vehicle was used and operated with the consent of the owner at the time it was used and operated in violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law.

B. If the owner receives a notice of liability pursuant to this local law for any time period during which the vehicle was reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subsection, it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent or delivered to a court of competent jurisdiction or parking violations bureau having jurisdiction where any contested notice of liability would otherwise be determined.

C. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to this local law shall not be liable for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law, provided that he or she complies with the provisions of § 1174-a of the New York Vehicle and Traffic Law and otherwise sends to the Court of competent jurisdiction, or other adjudicatory bureau or agency of competent jurisdiction, a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within 37 days after receiving notice from the agency or entity which caused such notice of liability to be issued, together with the information contained in the original notice of liability. Failure to send such information within the 37-day time period shall render the owner liable for the penalty prescribed by this local law. Where the lessor complies with the provisions of this subsection, the lessee of such vehicle for purposes of this section, shall be deemed to be the owner of such vehicle on the date of such violation for the purposes of this section, shall be subject to liability for the violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law and shall be sent a notice of liability pursuant to § 4 of this local law.
D. A certificate, sworn to or affirmed by a technician employed by the County, or a facsimile thereof, upon inspection of photographs, microphotographs, videotapes, other recorded images produced by a school bus photo violation monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotapes, other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation.

E. It shall be a defense to any prosecution for or allegation of a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law that such school bus stop-arms were malfunctioning at the time of the alleged violation.

§ 7 Adjudication of liability. Liability pursuant to the demonstration program established hereunder shall be imposed upon owners by the Court of competent jurisdiction in the County of Monroe or in another manner pursuant to the New York State Vehicle and Traffic Law.

§ 8 Action for indemnification. If the owner held liable for a violation of Subdivision (a) of § 1174 of the New York Vehicle and Traffic Law pursuant to this local law was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

§ 9 Reporting requirements.

A. The County shall develop and cause to be submitted an annual report on the results of the use of a school bus photo violation monitoring system to the Governor, the temporary president of the Senate and the speaker of the Assembly on or before June 1 of each year in which the demonstration program is operable. Such report shall include any information required by § 1174-a(m) of the New York Vehicle and Traffic Law to be included as a result of the enactment of this local law.

B. Pursuant to the requirements of § 1174-a of the New York State Vehicle and Traffic Law, courts, bureaus, and agencies conducting adjudications as a result of this local law shall report at least annually to the County on the quality of the adjudication process and its results including the total number of hearings scheduled, rescheduled, and held; the total number of persons scheduled for such hearings; the total number of cases where fines were paid on or before the hearing date; and the total number of default judgments entered.

Section 2. If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 3. This local law shall take effect in accordance with the provisions of the Municipal Home Rule Law and the Monroe County Charter.

To the Honorable
Monroe County Legislature

Subject: Enact a Local Law Entitled “Hybrid Videoconferencing by County Public Bodies”

Honorable Legislators:

The COVID-19 pandemic led to many changes in the professional workplace, the most common being holding remote or virtual meetings. The capabilities and use of videoconferencing technologies have widely expanded and altered to accommodate both private and public sectors. While using videoconferencing by public bodies during the COVID-19 pandemic was a temporary measure – its usage has become a permanent staple of our time.

New York State has amended its Open Meetings Law to allow for permanent hybrid remote or virtual attendance of public bodies. This Local Law is pursuant to Public Officers Law Section 103-a and will allow Monroe County to follow suit and update its procedures for the 21st century.

Pursuant to Public Officers Law Section 103-a, this Local Law will permit hybrid meeting attendance, requiring a quorum of members of the County Public Body to be gathered together at physical locations open to the public. Members shall be physically present at any such meeting unless such member is unable to be physically present at any such meeting location due to extraordinary circumstances, as outlined in the resolution, including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member’s physical attendance at such meeting.

The specific legislative action required is to:

1. Schedule and hold a public hearing.

2. Adopt the local law as attached.
The legislative action requested in this referral is not an "Action" as that term is defined in Article 6 NYCRR.2(b) and is not subject to the State Environmental Quality Review Act.

This action would have no impact on the current Monroe County budget.

Sincerely,

To the Honorable
Monroe County Legislature

Subject: Enact a Local Law Entitled “Hybrid Videoconferencing by County Public Bodies”

Honorable Legislators:

The COVID-19 pandemic led to many changes in the professional workplace, the most common being holding remote or virtual meetings. The capabilities and use of videoconferencing technologies have widely expanded and altered to accommodate both private and public sectors. While using videoconferencing by public bodies during the COVID-19 pandemic was a temporary measure – its usage has become a permanent staple of our time.

New York State has amended its Open Meetings Law to allow for permanent hybrid remote or virtual attendance of public bodies. This Local Law is pursuant to Public Officers Law Section 103-a and will allow Monroe County to follow suit and update its procedures for the 21st century.

Pursuant to Public Officers Law Section 103-a, this Local Law will permit hybrid meeting attendance, requiring a quorum of members of the County Public Body to be gathered together at physical locations open to the public. Members shall be physically present at any such meeting unless such member is unable to be physically present at any such meeting location due to extraordinary circumstances, as outlined in the resolution, including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member’s physical attendance at such meeting.

The specific legislative action required is to:

1. Schedule and hold a public hearing.

2. Adopt the local law as attached.
The legislative action requested in this referral is not an "Action" as that term is defined in Article 6 NYCRR.2(b) and is not subject to the State Environmental Quality Review Act.

This action would have no impact on the current Monroe County budget.

Adam J. Bello, County Executive and

Supplement to the Recommended 2023-2028 Capital Improvement Program

This Supplement to the April, 2022, Recommended CIP submitted to the Monroe County Legislature is being provided to expand the project summary tables for those departments that use cash from their operating budgets as a source of funds for capital projects (Information Services, Library, Pure Waters, Solid Waste, Parks, Traffic Engineering, Public Safety, and the Office of the Sheriff).

As described in the main CIP document, the sources of funds for financing the County's capital projects are primarily County revenues, project revenues, state and federal aid, and debt financing. Sometimes, private parties or local governments contribute towards a portion of project costs. County revenues primarily consist of property and sales taxes. Project revenues are made up of special district charges (Pure Waters assessments) and enterprise (direct user) fees (Airport, Solid Waste, and Monroe Community Hospital). State and federal aid is in the form of grants for specific projects.

The following department summary tables designate funding sources as follows: County operating cash (cc); County debt financing (c); special district charges (d); district operating cash (dc); enterprise fees (e); enterprise operating cash (ec); state grants (s); federal grants (f); and private funds (p).

Subject: Authorize the Use of a New York State Department of Agriculture and Markets Short Environmental Assessment Form for Unlisted Actions related to Agricultural Districts and Enter into a Cooperative Agreement with the New York State Department of Agriculture and Markets Regarding State Environmental Quality Reviews for Monroe County Agricultural District Processes

Honorable Legislators:

I recommend that Your Honorable Body authorize the use of a New York State Department of Agriculture and Markets Short Environmental Assessment Form for Unlisted Actions related to agricultural districts and enter into a Cooperative Agreement with the New York State Department of Agriculture and Markets ("Ag and Markets") for the purpose of establishing Monroe County as the Lead Agency to conduct a coordinated review with Ag and Markets.

The scope of the Cooperative Agreement will cover the following processes that Agriculture & Markets Law, Article 25-AA requires Monroe County to undertake: review of an existing Agricultural District, which includes termination or modification of such district, pursuant to AML § 303-a; inclusion of viable agricultural land to an existing Agricultural District, pursuant to AML § 303-b; consolidation of existing Agricultural Districts, pursuant to AML § 303-c; and any other actions which may be deemed as an Unlisted action related to NYS Agriculture & Markets Law Article 25-AA and its subsequent amendments.

6 NYCRR § 617.14(f) requires agencies to hold a public hearing to amend SEQRA procedures. 6 NYCRR § 617.14(d) authorizes agencies “to enter into cooperative agreements with other agencies regularly involved in carrying out or approving the same actions for the purposes of coordinating their procedures.” Ag and Markets has provided a draft Cooperative Agreement for counties to use.

The specific legislative actions required are:

1. Schedule and hold a public hearing regarding the adoption and authorization of using the Short Environmental Assessment Form for Unlisted Actions related to Agricultural Districts as provided by the New York State Department of Agriculture and Markets.

2. Adopt and authorize the use of the Short Environmental Assessment Form for Unlisted Actions related to Agricultural Districts as provided by the New York State Department of Agriculture and Markets.
3. Authorize the County Executive, or his designee, to enter into a Cooperative Agreement with the New York State Department of Agriculture and Markets whereby Monroe County is designated as Lead Agency and prepares the Short Environmental Assessment Form for Agricultural Districts for agricultural district processes.

This is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and (33) ("adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list") and is not subject to further review under the State Environmental Quality Review Act.

This agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Fifty two parcels have been requested to be added to the Monroe County Agricultural Districts, Western #5 and Eastern #6. These parcels are located throughout the County. A Part 1 Environmental Assessment Form ("EAF") that utilized the EAF Mapper was completed for each parcel. Those results have been reviewed and aggregated into Parts 1, 2, and 3 of this Short Environmental Assessment Form ("SEAF"). The addition of each parcel is part of the larger Monroe County Annual Additions to the Agricultural Districts. Accordingly, this will be reviewed as one action and all impacts, scope, and significance will be determined together.

Upon review of the SEAF Part 1 for each parcel some individual parcels may contain or be adjacent to endangered species (bald eagle and least bittern), national or state register of historic places or state eligible sites, archaeological sites, wetlands or other regulated water-bodies, 100 year flood plain(s), and remediation sites (see part 1).

The action taking place is the addition of parcels to an agricultural district, no physical construction or changes to the parcels is permitted by this action. Any such physical changes will be consistent with the existing regulations and zoning or will need to be permitted by the local municipality and undergo an environmental review at that time. The parcels being added to the Agricultural District are largely used for agricultural activities that reflect the current and historic character of the surrounding area and will remain the same through this action. They are not anticipated to change in character, attract people or traffic, impact existing water and waste water services.

As such, this action will not result in significant adverse impacts to on-site or adjacent endangered species (bald eagle and least bittern), national or state register of historic places or state eligible sites, archaeological sites, wetlands or other regulated water-bodies, 100 year flood plain(s), and remediation sites are anticipated.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☑ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

SUBJECT: Addition of 52 Parcels to Agricultural Districts

Honorable Legislators:

Article 25AA Section 303-B of the NYS Agriculture and Markets law allows additions to established agricultural districts prior to the normal eight-year review date. The law also requires the county agricultural and farmland protection board to review the proposed additions to the district(s) and make recommendations on the proposal to the legislative body. Resolution number 20 of 2022 adopted by Your Honorable Body directed the Agricultural and Farmland Protection Board to review and make recommendations on additions to the district(s).

Therefore, in accordance with Article 25AA, we are pleased to transmit this report concerning our review, findings, and recommendations. This report includes 1) a list of ten (10) parcels from six (6) landowners that are currently not receiving an agricultural value assessment, and 2) an attachment of forty-two (42) parcels from twenty-three (23) landowners receiving an agricultural assessment. More information about agricultural assessments is provided as an attachment.

Parcels without an agricultural assessment: Ten (10) parcels from six (6) applicants have requested these parcels be added to an agricultural district. All applicants were interviewed by phone. A determination was made by the AFPB based on soil type, site visit, physical structures and landowner intent as to whether or not these parcels are predominantly viable agricultural land. The following 10 parcels have been found to be viable agricultural land and are recommended by AFPB to be added to an agricultural district.

1) Eastern Agricultural District #6: parcel address Ryan A. Perry, 23 Pannell Circle, Fairport NY, one parcel located in Town of Perinton, 181.01-1-14.2 (15.82 acres).

2) Eastern Agricultural District #6: mailing address Joseph Hurley, 249 Benson Road, Victor NY, one parcel located in Town of Perinton, 180.02-1-2 (30 acres).

3) Eastern Agricultural District #6: mailing address Courtney & Joshua Cawley, 1100 Pittsford Mendon Center Road, Mendon NY, five parcels located in Town of Mendon, 204.02-1-3 (2.28 acres), 204.02-1-8 (10.8 acres), 204.02-1-37 (20.28 acres), 204.02-1-38 (10 acres), 201.02-1-36 (20 acres).

4) Western Agricultural District #5: mailing address Elizabeth A. Van Blargan, 385 Humphrey Road, Chili NY, one parcel located in Town of Chili, 173.01-1-1.2 (20 acres).

5) Western Agricultural District #5: mailing address Gage Olschewski, 730 Ogden Sweden Townline Road, Spencerport NY, one parcel located in Town of Sweden, 099.04-2-5.2 (15.32 acres).

6) Western Agricultural District #5: mailing address Michael & Sandra LeDuc, 960 Salomon Creek Road, Brockport NY, one parcel located in Town of Sweden, 099.04-002-11.2 (17 acres).

Parcels with an agricultural assessment: Forty-two (42) parcels with agricultural assessments from twenty-three (23) applicants have requested that their parcels be added to an agricultural district. These parcels have previously been determined by a Town assessor (based on a soils group worksheet and proof of farm revenue) to be viable agricultural land. A Town assessor reaffirms this determination every year. All applicants were contacted by AFPB staff and/or the local assessor's office by phone and/or by USPS mail regarding the 30 day annual addition process. The Board concurs with each respective assessor's determination along with findings by AFPB staff that these parcels are viable agricultural land and recommends to the county legislature that these 42 parcels also be added to an agricultural district. A list of these parcels is attached as Appendix A.

Based on telephone interviews with owners and assessors, analysis of USDA soil maps, and site visits, the Board has determined that all 52 parcels are comprised of predominantly viable agricultural land and inclusion of these parcels into an agricultural district would serve the public interest by assisting in maintaining a viable agricultural industry within the respective municipalities.

Sincerely,

Robert J. Colby, Chairman

Pursuant to § 303-b of the Agriculture and Markets Law, a report has been prepared by the Monroe County Agricultural and Farmland Protection Board recommending the proposed addition to the Monroe County Agricultural Districts. The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This addition to the Monroe County Agricultural Districts will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

SUBJECT: Addition of 52 Parcels to Agricultural Districts

Honorable Legislators:

Article 25AA Section 303-B of the NYS Agriculture and Markets law allows additions to established agricultural districts prior to the normal eight-year review date. The law also requires the county agricultural and farmland protection board to review the proposed additions to the district(s) and make recommendations on the proposal to the legislative body. Resolution number 20 of 2022 adopted by Your Honorable Body directed the Agricultural and Farmland Protection Board to review and make recommendations on additions to the district(s).

Therefore, in accordance with Article 25AA, we are pleased to transmit this report concerning our review, findings, and recommendations. This report includes 1) a list of ten (10) parcels from six (6) landowners that are currently not receiving an agricultural value assessment, and 2) an attachment of forty-two (42) parcels from twenty-three (23) landowners receiving an agricultural assessment. More information about agricultural assessments is provided as an attachment.

Parcels without an agricultural assessment: Ten (10) parcels from six (6) applicants have requested these parcels be added to an agricultural district. All applicants were interviewed by phone. A determination was made by the AFPB based on soil type, site visit, physical structures and landowner intent as to whether or not these parcels are predominantly viable agricultural land. The following 10 parcels have been found to be viable agricultural land and are recommended by AFPB to be added to an agricultural district.

1000 East Henrietta Road, Rochester, New York 14623
(585) 292-2065 Fax (585) 292-3866
1) Eastern Agricultural District #6: parcel address Ryan A. Perry, 23 Pannell Circle, Fairport NY, one parcel located in Town of Perinton, 181.01-1-14.2 (15.82 acres).
2) Eastern Agricultural District #6: mailing address Joseph Hurley, 249 Benson Road, Victor NY, one parcel located in Town of Perinton, 180.02-1-2 (30 acres).
3) Eastern Agricultural District #6: mailing address Courtney & Joshua Cawley, 1100 Pittsford Mendon Center Road, Mendon NY, five parcels located in Town of Mendon, 204.02-1-5 (2.28 acres), 204.02-1-8 (10.8 acres), 204.02-1-37 (20.28 acres), 204.02-1-38 (10 acres), 201.02-1-36 (20 acres).
4) Western Agricultural District #5: mailing address Elizabeth A. Van Blargan, 385 Humphrey Road, Chili NY, one parcel located in Town of Chili, 173.01-1-1.2 (20 acres).
5) Western Agricultural District #5: mailing address Gage Olschewski, 730 Ogden Sweden Townline Road, Spencerport NY, one parcel located in Town of Sweden, 099.04-2-5.2 (15.32 acres).
6) Western Agricultural District #5: mailing address Michael & Sandra LeDuc, 960 Salomon Creek Road, Brockport NY, one parcel located in Town of Sweden, 099.04-002-11.2 (17 acres).

Parcels with an agricultural assessment: Forty-two (42) parcels with agricultural assessments from twenty-three (23) applicants have requested that their parcels be added to an agricultural district. These parcels have previously been determined by a Town assessor (based on a soils group worksheet and proof of farm revenue) to be viable agricultural land. A Town assessor reaffirms this determination every year. All applicants were contacted by AFPB staff and/or the local assessor’s office by phone and/or by USPS mail regarding the 30 day annual addition process. The Board concurs with each respective assessor’s determination along with findings by AFPB staff that these parcels are viable agricultural land and recommends to the county legislature that these 42 parcels also be added to an agricultural district. A list of these parcels is attached as Appendix A.

Based on telephone interviews with owners and assessors, analysis of USDA soil maps, and site visits, the Board has determined that all 52 parcels are comprised of predominantly viable agricultural land and inclusion of these parcels into an agricultural district would serve the public interest by assisting in maintaining a viable agricultural industry within the respective municipalities.

Sincerely,

Robert J. Colby, Chairman

Pursuant to § 303-b of the Agriculture and Markets Law, a report has been prepared by the Monroe County Agricultural and Farmland Protection Board recommending the proposed addition to the Monroe County Agricultural Districts. Your Honorable Body must hold a public hearing before taking action to add these parcels to the District. I recommend adding the parcels listed above to the Monroe County Agricultural Districts.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the addition of fifty-two (52) parcels to the Monroe County Agricultural Districts, as set forth in the report prepared by the Monroe County Agricultural and Farmland Protection Board.

2. Consider the recommendations and facts presented at the hearing relative to the addition of the parcels to the Monroe County Agricultural Districts.

3. Add fifty-two (52) parcels to the Monroe County Agricultural Districts, upon favorable consideration of the recommendations.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This addition to the Monroe County Agricultural Districts will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

SUBJECT: Addition of 52 Parcels to Agricultural Districts

Honorable Legislators:

Article 25AA Section 303-B of the NYS Agriculture and Markets law allows additions to established agricultural districts prior to the normal eight-year review date. The law also requires the county agricultural and farmland protection board to review the proposed additions to the district(s) and make recommendations on the proposal to the legislative body. Resolution number 20 of 2022 adopted by Your Honorable Body directed the Agricultural and Farmland Protection Board to review and make recommendations on additions to the district(s).

Therefore, in accordance with Article 25AA, we are pleased to transmit this report concerning our review, findings, and recommendations. This report includes 1) a list of ten (10) parcels from six (6) landowners that are currently not receiving an agricultural value assessment, and 2) an attachment of forty-two (42) parcels from twenty-three (23) landowners receiving an agricultural assessment. More information about agricultural assessments is provided as an attachment.

Parcels without an agricultural assessment: Ten (10) parcels from six (6) applicants have requested these parcels be added to an agricultural district. All applicants were interviewed by phone. A determination was made by the AFPB based on soil type, site visit, physical structures and landowner intent as to whether or not these parcels are predominantly viable agricultural land. The following 10 parcels have been found to be viable agricultural land and are recommended by AFPB to be added to an agricultural district.

1000 East Henrietta Road, Rochester, New York 14623
(585) 292-2065 Fax (585) 292-3866
1) Eastern Agricultural District #6: parcel address Ryan A. Perry, 23 Pannell Circle, Fairport NY, one parcel located in Town of Perinton, 181.01-1-14.2 (15.82 acres).
2) Eastern Agricultural District #6: mailing address Joseph Hurley, 249 Benson Road, Victor NY, one parcel located in Town of Perinton, 180.02-1-2 (30 acres).
3) Eastern Agricultural District #6: mailing address Courtney & Joshua Cawley, 1100 Pittsford Mendon Center Road, Mendon NY, five parcels located in Town of Mendon, 204.02-1-5 (2.28 acres), 204.02-1-8 (10.8 acres), 204.02-1-37 (20.28 acres, 204.02-1-38 (10 acres), 201.02-1-36 (20 acres).
4) Western Agricultural District #5: mailing address Elizabeth A. Van Blargan, 385 Humphrey Road, Chili NY, one parcel located in Town of Chili, 173.01-1-1.2 (20 acres).
5) Western Agricultural District #5: mailing address Gage Olschewski, 730 Ogden Sweden Townline Road, Spencerport NY, one parcel located in Town of Sweden, 099.04-2-5.2 (15.32 acres)
6) Western Agricultural District #5: mailing address Michael & Sandra LeDuc, 960 Salomon Creek Road, Brockport NY, one parcel located in Town of Sweden, 099.04-002-11.2 (17 acres).

Parcels with an agricultural assessment: Forty-two (42) parcels with agricultural assessments from twenty-three (23) applicants have requested that their parcels be added to an agricultural district. These parcels have previously been determined by a Town assessor (based on a soils group worksheet and proof of farm revenue) to be viable agricultural land. A Town assessor reaffirms this determination every year. All applicants were contacted by AFPB staff and/or the local assessor’s office by phone and/or by USPS mail regarding the 30 day annual addition process. The Board concurs with each respective assessor’s determination along with findings by AFPB staff that these parcels are viable agricultural land and recommends to the county legislature that these 42 parcels also be added to an agricultural district. A list of these parcels is attached as Appendix A.

Based on telephone interviews with owners and assessors, analysis of USDA soil maps, and site visits, the Board has determined that all 52 parcels are comprised of predominantly viable agricultural land and inclusion of these parcels into an agricultural district would serve the public interest by assisting in maintaining a viable agricultural industry within the respective municipalities.

Sincerely,

Robert J. Colby, Chairman

Monroe County Legislature - July 12, 2022
To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Approving the Amended and Restated Monroe County Deferred Compensation Plan, as Previously Adopted by the New York State Deferred Compensation Board

Honorable Legislators:

I recommend that Your Honorable Body approve the Amended and Restated Monroe County Deferred Compensation Plan ("Amended Plan"), as previously adopted by the New York State Deferred Compensation Board ("State Board").

The Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") and the Coronavirus Aid, Relief and Economic Security Act of 2020 ("CARES Act") enacted regulatory changes to certain types of distributions and loans to Plan participants and beneficiaries after a participant's death, and permitted the option to elect certain changes in response to the Coronavirus pandemic. The State Board made amendments to its Model Plan on December 11, 2020 to reflect the regulatory changes and to permit public employers in this state to elect certain distribution and loan options in response to the pandemic’s impact on personal finances.

In accordance with Chapter 41 of the Monroe County Code and New York State regulations, the Monroe County Deferred Compensation Committee must adopt said amendments, the Monroe County Legislature must approve the amendments, and the Amended Plan must be filed with the President of the New York State Civil Service Commission. Accordingly, the Monroe County Deferred Compensation Committee met, discussed, and adopted the Amended Plan on September 10, 2020. The Amended Plan is now before Your Honorable Body for consideration and approval.

A copy of the Amended Plan is on file within the Office of the Clerk of the Legislature. Legislators and their staffs may review the Amended Plan at their convenience.
The specific legislative actions required are:

1. Approve the Amended and Restated Monroe County Deferred Compensation Plan, as previously adopted by the New York State Deferred Compensation Board, and adopted by the Monroe County Deferred Compensation Committee, in accordance with Chapter 41 of the Monroe County Code.

2. Authorize the Clerk of the Legislature to send a certified copy of this resolution to the Director of the Department of Human Resources, who shall maintain a certified copy of the Amended Plan, for information and inspection at all times as required by Local Law No. 4 of 1998.

3. Authorize the Chairperson of the Monroe County Deferred Compensation Committee to file the Amended Plan, and any other necessary documentation, with the President of the New York State Civil Service Commission, as may be required.

This action is a Type II action pursuant to 6 NYCRR 617.5(c)(26) ("routine or continuing agency administration and management") and is not subject to review under the State Environmental Quality Review Act.

Adoption of this resolution will have no net impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

(i) twice the dollar amount set forth in Section 3.2(a); and

(ii) the sum of the limitations provided for in Section 3.2(a) for each of the Plan Years the Participant was eligible to participate in the Plan, minus the aggregate amount actually deferred or contributed for such Plan Years (disregarding any amounts deferred or contributed pursuant to Section 3.2(c)).

A Participant may not elect to have Section 3.2(b) apply more than once, whether or not the Participant rejoins the Plan after a Severance from Employment.

(c) **Age 50 Catch-Up.** All Participants who have attained age 50 before the close of a Plan Year and who are not permitted to defer or contribute additional Compensation pursuant to Section 3.2(b) for such Plan Year, due to the application of any limitation imposed by the Code or the Plan, shall be eligible to make additional catch-up contributions in the form of Before-Tax Deferrals, Roth Contributions or a combination thereof in accordance with, and subject to, the limitations of Section 3.2(c) of the Plan and Section 414(v) of the Code. Age 50 catch-up contributions pursuant to Section 3.2(c) shall not exceed the lesser of:
(i) the excess of 100% of Participant’s Includible Compensation for the Plan Year over the sum of any other Amounts Deferred or Contributed by the Participant for such Plan Year; and

Distributions under Section 3.2(f) will be reportable as taxable income to the extent required by applicable law.
SECTION 4
INVESTMENT OF AMOUNTS DEFERRED OR CONTRIBUTED AND ROLLOVER CONTRIBUTIONS

4.1 Remittance of Deferrals and Contributions. All Amounts Deferred or Contributed in accordance with Section 3 shall be paid by the applicable Employer as promptly as possible, but in no event later than two Business Days from the applicable payroll date, to the Trust Fund. Thereafter, Amounts Deferred or Contributed shall be invested by the Trustee in accordance with the investment instructions received by the Trustee from the Administrative Service Agency, within two Business Days following receipt by the Trust Fund of such Amounts Deferred or Contributed (or, if later, on the first Business Day coincident with or immediately following receipt by the Trustee of the investment instructions from the Administrative Service Agency related to such Amounts Deferred or Contributed). All such Amounts Deferred or Contributed shall be invested by the Trustee (in accordance with the investment instructions received from the Administrative Service Agency) in the Investment Options provided by one or more Financial Organizations appointed by the Committee in accordance with the Regulations, and shall be held, managed, invested and reinvested in accordance with the applicable agreement entered into by the Committee or the Trustee with each such Financial Organization.

4.2 Allocation of Deferrals and Contributions. A Participant who has enrolled in the Plan pursuant to Section 2 shall, by filing a direction with the Administrative Service Agency in writing or in such other manner as the Committee may authorize, specify the percentage (in multiples of one percent) of his or her Amounts Deferred or Contributed, that shall be allocated to each Investment Option made available by the Committee. A Participant’s investment allocation elections shall be applied in the same manner to both Before-Tax Deferrals and Roth Contributions (to the extent applicable).

4.3 Continuation of Deferral and Contribution Allocation. Any deferral and contribution allocation direction given by a Participant shall be deemed to be a continuing direction until changed by the Participant. A Participant may change his or her deferral and contribution allocation direction with respect to future Amounts Deferred or Contributed, as of any Enrollment Date, by giving notice in writing or in such other manner as the Committee may authorize to the Administrative Service Agency prior to any Enrollment Date. Any change to a Participant’s deferral and contribution allocation direction shall be applied in the same manner to both Before-Tax Deferrals and Roth Contributions (to the extent applicable). All such future deferrals and contributions shall be invested by the Trustee in the Investment Options in accordance with such changed direction.

4.4 Transfer of Assets Among Investment Options.

(a) Transfer of Assets. As of any Valuation Date an Account Participant may direct the Administrative Service Agency, by giving notice in writing or in such other manner as the Committee may authorize, to liquidate his or her interest in any of the Investment Options and transfer the proceeds thereof to one or more other Investment Options in the proportions directed by such Participant. Account Participants may make separate transfer directions for their Before-Tax Deferral Accounts and Accounts relating to Rollover Contributions involving before-tax deferrals and their Roth Accounts and Accounts relating to Rollover Contributions involving
Roth contributions (to the extent applicable). Such direction must be made in accordance with
the requirements and procedures established by the Committee and in effect at the time and in a
multiple of one percent or one dollar increments of the Account Participant’s interest in the
applicable Investment Option.

(b) Committee’s Right to Reduce or Deny Transfer Request. If the Trustee or any
Financial Organization appointed by the Committee advises the Committee, or the Committee
otherwise determines, that it is not reasonably able to prudently liquidate the necessary amount
and transfer it from one of the Investment Options to another, the amount to be transferred with
respect to each Account Participant who duly requested such a transfer may be reduced in
proportion to the ratio which the aggregate amount that the Trustee or the Financial Organization
has advised the Committee may not prudently be so transferred bears to the aggregate amount
that all Account Participants have duly requested be so transferred. Regardless of any Account
Participant’s investment direction, no transfer between Investment Options may be made in
violation of any restriction imposed by the terms of the agreement between the Committee or the
Trustee and a Financial Organization providing any Investment Option or of any applicable law.
Notwithstanding anything in this Section 4.4(b) or the Plan to the contrary, the Committee, the
Trustee or the Financial Organization shall have the right, without prior notice to any Account
Participant, to suspend, for a limited period of time, daily transfers between and among
Investment Options for one or more days if the Committee, the Trustee or the Financial
Organization determines that such action is necessary or advisable (i) in light of unusual market
conditions, (ii) in response to technical or mechanical problems with the Plan’s or the
Administrative Service Agency’s record keeping systems, (iii) in connection with any suspension
of normal trading activity on the New York Stock Exchange or other major securities exchange,
(iv) as a result of strikes, work stoppages, acts of war or terrorism, insurrection, revolution,
nuclear or natural catastrophes or other similar events, losses or interruptions of power, other
utility outages or malfunctions, or malfunctions in communications or computer services, in each
case, that make it necessary or advisable to suspend trading activity, or (v) in accordance with
Section 4.10.

4.5 Administrative Actions with Regard to Investment Directions. The Administrative
Service Agency shall have the right to decline to implement any investment direction upon its
determination that: (i) the person giving the direction is legally incompetent to do so; (ii)
implementation of the investment direction would be contrary to the Plan or applicable law or
governmental ruling or regulation including, Treasury Regulations; (iii) implementation of the
investment direction would be contrary to a court order, including a Qualified Domestic
Relations Order; (iv) implementation of the investment direction would be contrary to the rules,
regulations or prospectuses of the Investment Funds; or (v) implementation of the investment
direction would be contrary to the investment guidelines or terms of any agreements applicable
to the Stable Value Fund or any similar Investment Fund then available under the Plan.

4.6 Account Participant Responsibility for Deferrals, Contributions and Investment
Allocations. Each Participant is solely responsible for the allocation of his or her Amounts
Deferred or Contributed, and each Account Participant is solely responsible for the investment
allocation of his or her Account, in each case, in and among the Investment Options. Each
Account Participant shall assume all risk in connection with the allocation of amounts in and
among the Investment Options and for any losses incurred or deemed to be incurred as a result of
the Account Participant’s allocation or failure to allocate any amount to an Investment Option or any decrease in the value of any Investment Option. Neither the Committee, any Trustee, any Employer nor the Administrative Service Agency is empowered to advise a Participant as to the manner in which the Account Participant’s Account shall be allocated among the Investment Options. The fact that a particular Investment Option is available to Participants for investment under the Plan shall not be construed by any Account Participant as a recommendation for investment in such Investment Option. If the Committee elects to make available investment guidance services or investment advice services to Account Participants, such services shall be utilized only at the voluntary election of the Account Participant and shall not limit the Account Participant’s responsibility under Section 4.6 for the allocation of his or her Accounts in and among the Investment Options.

4.7 Investment Allocation of Alternate Payee Accounts. Notwithstanding any other provision of the Plan, during any period when an Alternate Payee Account is created and segregated on behalf of an Alternate Payee pursuant to a Qualified Domestic Relations Order from the Accounts of the related Participant, the Alternate Payee shall be entitled to direct the allocation of investments of such Alternate Payee Account in accordance with Sections 4.2 and 4.4, as applicable, and shall be subject to the provisions of Sections 4.5 and 4.6, but only to the extent provided in such order. In the event that an Alternate Payee fails to specify an investment direction on the date of creation of the Alternate Payee Account pursuant to Section 4.9, such Alternate Payee’s Alternate Payee Account shall be invested in the same manner as the relevant Participant’s corresponding Before-Tax Deferral Account, Roth Account (to the extent applicable) and Rollover Accounts on such date and, except as otherwise provided by the Qualified Domestic Relations Order, shall remain invested in accordance with such initial allocation until the Alternate Payee directs otherwise or until such time as the Alternate Payee ceases to have an Alternate Payee Account under the Plan by reason of distribution or otherwise.

4.8 Investment Allocation of Beneficiary Accounts. Notwithstanding any other provision of the Plan, during any period following the death of a Participant and prior to distribution of the entire Plan Benefit of such Participant, such Participant’s Beneficiary shall be entitled to direct the allocation of investments of such Plan Benefit in accordance with Section 4.4 or, as applicable, his or her proportional interest in such Plan Benefit, in accordance with Section 4.4 and shall be subject to the provisions of Sections 4.5 and 4.6. In the event that a Beneficiary fails to specify an investment direction on the date of creation of the Beneficiary Account pursuant to Section 4.4, such Beneficiary’s Beneficiary Account shall be invested in the same manner as the relevant Participant’s corresponding Before-Tax Deferral Account, Roth Account (to the extent applicable) and Rollover Accounts on such date.

4.9 Initial and Ongoing Investment Allocation with respect to Rollover Contributions and Section 457 Transfers. Unless otherwise directed by the Account Participant, the same deferral and contribution allocation direction applicable to an Account Participant pursuant to Section 4.2 or 4.3, as applicable, shall apply to all Section 457 Transfers and Rollover Contributions. Notwithstanding the foregoing, in accordance with procedures established by the Administrative Service Agency, an Account Participant may make an alternative initial allocation election in accordance with the procedures set forth in Section 4.4 for any applicable Section 457 Transfer or Rollover Contribution. Thereafter, such Account Participant may direct the Administrative Service Agency to liquidate his or her interest in any of the Investment Options and transfer the
proceeds thereof to one or more other Investment Options in accordance with Section 4.4 (in each case subject to the limitations set forth in Sections 4.5 and 4.6). All Rollover Contributions shall be invested by the Trustee in the Investment Options in accordance with such directions as soon as administratively practicable.

4.10 Fund Mapping or Similar Activity. Notwithstanding anything in Section 4 to the contrary, if the Committee eliminates one or more of the Investment Funds or Investment Options or undertakes similar activity on behalf of the Plan, the Committee shall be authorized to liquidate without an Account Participant’s consent and without the need for prior notice to the Account Participant the portion of each Account invested in such eliminated Investment Fund or Investment Option and direct the proceeds of such liquidation in one or more remaining or replacement Investment Funds or Investment Options in accordance with such liquidation and transfer procedures as the Committee may determine to be necessary or advisable in connection with such elimination.
SECTION 5
ROLLOVERS

5.1 Transfer from Another Governmental 457 Plan. Compensation previously deferred or contributed by (or contributed on behalf of) a Participant, a Beneficiary or a spousal Alternate Payee pursuant to another eligible deferred compensation plan under Section 457 of the Code maintained by another employer described in Section 457(e)(1)(B) of the Code shall be accepted for a plan-to-plan transfer to the Plan by the Trustee in the form and in the manner prescribed by the Committee. All such Section 457 Transfers shall be credited to the applicable Account Participant’s corresponding Before-Tax Deferral Account or Roth Account (to the extent applicable), or a combination thereof and shall be invested in accordance with Section 4.9.

5.2 Acceptance of Assets from an Eligible Retirement Plan.

(a) Rollover Contributions in General. Amounts previously deferred or contributed by (or contributed on behalf of) a Participant, a Beneficiary or a spousal Alternate Payee under another Eligible Retirement Plan (other than a Roth IRA) that (i) are distributed to the Participant, the Beneficiary or the spousal Alternate Payee or (ii) are directly rolled over to the Plan as an eligible rollover distribution from such Eligible Retirement Plan, may be accepted as a Rollover Contribution by the Trustee in the form and in the manner specified by the Administrative Service Agency; provided, that Rollover Contributions of amounts from a Qualified Roth Contribution Program may be contributed only to the extent that the Committee has resolved to implement a Roth Program pursuant to Section 3.1(c) of Schedule A and any such contributions must be directly rolled over to the Plan. Notwithstanding the foregoing, other than Rollover Contributions from a Qualified Roth Contribution Program as described in the preceding sentence, the Administrative Service Agency shall not accept any Rollover Contribution, or any portion thereof, that represents deferrals or contributions under another Eligible Retirement Plan that were made from compensation that was included in the Participant, Beneficiary or spousal Alternate Payee’s gross income in the year the amounts were deferred or contributed. The Administrative Service Agency may require such documentation from the distributing Eligible Retirement Plan as it deems necessary to effectuate the rollover in accordance with section 402 of the Code and to confirm that such plan is an Eligible Retirement Plan.

(b) Written Request: Acceptance of Assets. The Administrative Service Agency, in accordance with the Code and procedures established by the Committee, shall, as soon as practicable following its receipt of the written request of a Participant, a Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee, determine whether the Rollover Contribution shall be accepted by the Plan. Any written request filed by a Participant, a Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee pursuant to Section 5.2(a) shall set forth the fair market value of such Rollover Contribution and a statement in a form satisfactory to the Administrative Service Agency that the amount to be transferred constitutes a Rollover Contribution. In the event the Administrative Service Agency permits the transfer of the Rollover Contribution, the Trustee shall accept such Rollover Contribution and the
transfer of such Rollover Contribution shall be deemed to have been made on the Valuation Date next following the date on which it was paid to the Trust Fund.

(c) **Rollover Account.** The Rollover Contribution shall be maintained in a separate, fully vested Rollover Account for the benefit of the contributing Participant or the Beneficiary and, in the case of a spousal Alternate Payee, the Alternate Payee Account, and shall be invested in accordance with the investment direction of the applicable Account Participant pursuant to Section 4.9. All amounts so transferred shall be credited to the Account Participant's Rollover Account or Alternate Payee Account and shall be available for distribution at any time during the Plan Year. No other contributions shall be allocated to the Rollover Account. Any Rollover Contributions of amounts from a Qualified Roth Contribution Program shall be segregated and held in a separately designated and maintained Rollover Account from those amounts not from a Qualified Roth Contribution Program. At the election of the Participant, Beneficiary who is a Participant's Surviving Spouse or spousal Alternate Payee, any Rollover Contributions or 457 Transfers from an eligible deferred compensation plan under Section 457(b) of the Code may be held in separately designated and maintained Rollover Accounts for 457(b) Rollover Contributions; provided that any such amounts from a Qualified Roth Contribution Program and any such amounts not from a Qualified Roth Contribution Program shall be segregated and held in separately designated and maintained 457(b) Rollover Accounts.

5.3 **Form of 457 Transfer or Rollover Contribution.** Each 457 Transfer and Rollover Contribution shall consist only of (i) cash and (ii) to the extent that the Employer has resolved to adopt a loan program pursuant to Section 7.3 of Schedule A, solely with respect to 457 Transfers and Rollover Contributions from another eligible deferred compensation plan under Section 457 of the Code maintained by a Public Employer or the Deferred Compensation Plan for Employees of the State of New York and Other Participating Jurisdictions, any outstanding loan to the applicable Account Participant under the transferring or distributing 457 plan, provided that (A) such outstanding loan will be subject to the same terms and conditions as in place under the transferring or distributing 457 plan, (B) an Account Participant may not make a Rollover Contribution that includes an outstanding loan unless the entire amount of such Account Participant's plan benefit under the transferring or distributing 457 plan is contributed into the Plan, (C) the source of the outstanding loan disbursement under the transferring or distributing 457 plan must have been from before-tax deferrals, and (D) the Account Participant does not have a loan outstanding, or a defaulted loan that has not yet been repaid, under the Plan at the time of the 457 Transfer or Rollover Contribution.

5.4 **Rollover of Assets to Purchase Retirement Service Credit.** With respect to trustee-to-trustee transfers, a Participant or Beneficiary may elect, in accordance with procedures established by the Committee, to have all or any portion of the value of his or her Account transferred to the trustee of a defined benefit governmental plan as described in Section 414(d) of the Code; provided, however, that such transfer is for the purchase of permissive service credit (as defined in Section 415(n)(3)(A) of the Code) under such plan or a repayment of contributions and earnings with respect to a forfeiture of service under such plan.
SECTION 6

set forth in the Plan and the Trust Agreement and, in the case of an Alternate Payee Account, the

6.5 Plan Benefit and Trust Fund

(a) Plan Benefit Defined. As of the close of each Valuation Date, the Plan Benefit of
an Account Participant shall equal the aggregate value of his or her Accounts as of such
Valuation Date. As of any date that is not a Valuation Date, a Participant’s Plan Benefit shall be
calculated in accordance with the previous sentence as of such date, but based upon the value of
the Account Participant’s Accounts as of the close of the most recent Valuation Date. The value
of an Account as of a Valuation Date shall be calculated as of each Valuation Date in accordance
with a methodology established by the Committee and reasonably and consistently applied to all
similarly situated Account Participants and shall be based upon an Account Participant’s
aggregate deferrals and contributions to the Trust Fund and distributions and withdrawals from
the Trust Fund, the investment performance of the Investment Options in which each Account
has been allocated, and any fees, credits or debits allocable to each Account. As of each
Valuation Date, each Account shall be adjusted to reflect all Units or dollars credited and Units
or dollars distributed, withdrawn or deducted therefrom in accordance with the terms of the Plan
and the Trust Agreement. The aggregate Plan Benefit of all Account Participants shall in no

Any such payment shall be made from the Trust Fund by the Trustee upon the direction of the Administrative Service Agency and shall be withdrawn by the Trustee pro rata from the Investment Funds in which the Participant has an interest, unless the Participant specifies in the request for such a payment the portion of the total amount to be withdrawn by the Trustee from each Investment Fund. (a) Elective Distribution. An Account Participant with a Plan Benefit, not including the amount in the Participant’s Rollover Accounts, of $5,000 or less (or such greater amount as may be permitted by Section 401(a)(11) of the Code) may elect at any time to receive a lump sum distribution, not to exceed $5,000 of his or her Account and Rollover Account, which distribution will be made in accordance with procedures established by the Administrative Service Agency, provided that both of the following conditions have been met:

Notwithstanding anything in Section 7.3 to the contrary, a Participant who has defaulted on a loan made under the Plan shall not be eligible to obtain another loan hereunder until the defaulted loan and accrued interest has been repaid, and the new loan shall be subject to any other limitations required under Section 1.72(p) of the Treasury Regulations.

Notwithstanding anything to the contrary in Section 7.3, the principal amount of a loan made to a Qualified Participant, from March 27, 2020 to September 23, 2020 shall not exceed the lesser of: (i) $100,000, reduced by the excess (if any) of (x) the Plan’s highest outstanding loan balance during the one-year period ending on the day before the date on which the loan is made over (y) the plan’s outstanding balance on the date on which the loan is made; or (ii) the greater of (x) the present value of the nonforfeitable accrued benefit under the Participant’s Account and (y) $10,000.

(j) **CARES Act Loan Repayment.** To the extent that the Employer has resolved to implement the repayment provisions pursuant to Section 7.3(j) of Schedule B and notwithstanding anything to the contrary in Section 7.3, a Qualified Participant with an
outstanding loan with a repayment date during the period beginning on March 27, 2020 and ending on December 31, 2020 shall have the repayment date delayed by up to one year.

7.4 **Death Prior to Distribution of Proceeds.** If a Participant dies prior to the payment of any withdrawal for an Unforeseeable Emergency, distribution of a small inactive account or disbursement of the proceeds of any Plan loan, the Participant’s withdrawal, distribution or loan request shall be void as of the date of death and no withdrawal, distribution or disbursement shall be made by operation of Section 7 to the Participant’s Beneficiary or estate.

7.5 **Coronavirus-Related Distributions.** To the extent that the Employer has resolved to implement the distribution provisions pursuant to Section 7.5 of Schedule B and notwithstanding anything in Section 7.1, upon a showing by a Qualified Participant of a need for a Coronavirus-Related Distribution, the Administrative Services Agency may permit a payment to be made to the Participant in an amount that does not exceed $100,000 or, to the extent that the Employer has designated a different amount under Section 7.5 of Schedule B, the amount as set forth in Section 7.5 of Schedule B.

SECTION 8
DISTRIBUTIONS FROM THE PLAN AND OTHER ELIGIBLE RETIREMENT PLANS

8.1 Distributions to Participants.

(a) Eligibility for Distribution. A Participant will become eligible to receive a distribution of his Plan Benefit upon the occurrence of any of the following events: (i) the Participant’s Severance from Employment with the Employer; (ii) the Participant’s attainment of age 70½; provided, however, that for purposes of this Section 8, a Participant will be deemed to have had a Severance from Employment during any period he or she is performing service in the uniformed services described in Section 3401(h)(2)(A) of the Code. Except as otherwise provided in Section 7, a Participant may not receive distribution of his or her Plan Benefit at any time prior to the occurrence of one of the foregoing events.

(b) Distributions to Participants. Upon a Participant’s eligibility for a distribution pursuant to Section 8.1(a), the Participant shall be entitled to receive his or her Plan Benefit, which shall be paid in cash by the Trustee from the Trust Fund in accordance with one of the methods described in Section 8.1(c) and as of the commencement date elected by the Participant in accordance with the procedures prescribed Section 8.1(e).

(c) Distribution Options. Subject to Section 8.6, any payment made under this section shall be made in one of the following methods, as the Participant (or, in the case of the death of a Participant, his or her Beneficiary) may elect any of the following:

(i) A total or partial lump sum payment. Any partial lump sum payment shall be an amount of at least the Minimum Lump Sum Amount, and the number of partial lump sum payments in any Plan Year may not exceed the Maximum Annual Number of Partial Distributions.

(ii) Periodic monthly, quarterly, semi-annual or annual installment payments; provided, however, that a Participant (or, in the case of the death of a Participant, his or her Beneficiary) may elect to receive (A) an initial installment payment in a specified amount and (B) the balance of his or her Account in periodic monthly, quarterly, semi-annual or annual installment payments. Any installment payment made pursuant to Section 8.1(c)(ii) shall be at least the Minimum Installment Amount. If the balance of the Participant’s Account and Rollover Account is less than such amount, then the payment will equal the total amount of the Participant’s Account and Rollover Account. Installment payments may consist of (A) fixed amounts paid on each payment date as designated by the Participant (or in the case of the death of a Participant, his or her Beneficiary), or (B) formulaic amounts determined by the Administrative Service Agency, based on a fixed period designated by the Participant (or in the case of the death of a Participant, his or her Beneficiary), calculated by dividing the Plan Benefit on the
date of the payment by the number of payments remaining during the fixed period.

(iii) A Participant who elects to receive installment payments or who is currently receiving installment payments pursuant to Section 8.1(c)(ii) may elect, subject to any limitations set forth by the Committee and in accordance with procedures established by the Administrative Service Agency, to receive a portion of his or her Account distributed in a lump sum; provided, however, that no lump sum payment shall be less than the Minimum Lump Sum Amount; and provided further, that the number of such elections in any Plan Year may not exceed the Maximum Annual Number of Partial Distributions, as set forth in Section 8.1(c) of Schedule A. Such lump sum payments shall not result in a discontinuation of subsequent installment payments; provided, however, that such subsequent payments may be redetermined in accordance with methods and procedures established by the Administrative Service Agency.

(iv) A Participant who is an eligible retired public safety officer, as defined in Section 402(l) of the Code, may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have up to $3,000 per year (or such greater amount as may be permitted under applicable guidance issued by the Internal Revenue Service) of amounts from his or her Before-Tax Deferral Account distributable under the Plan used to pay qualified health insurance premiums for an accident or health plan or long-term care insurance contract covering the Participant and his or her spouse and dependents. Such amounts are excludible from the Participant’s gross income to the extent the qualified health insurance premiums are paid directly to the provider of the accident or health plan or long-term care insurance contract (determined in accordance with Section 402(l) of the Code) by deduction from a distribution to the Plan.

(v) For each distribution election under Section 8.1(c), a Participant shall designate the percentage of each distribution that will come from his or her Before-Tax Deferral Account and the percentage that will come from his or her Roth Account (to the extent applicable). For the avoidance of doubt, for purposes of the limitations and restrictions described in this Section 8.1(c), each distribution election made by a Participant and each payment made in accordance thereto shall be deemed to be one election and one payment, even if payment is
made both from the Participant’s Before-Tax Deferral Account and from his or her Roth Account (to the extent applicable).

Notwithstanding the foregoing, a Participant may not elect an installment period extending beyond the longest of (A) his or her life expectancy, (B) if his or her designated Beneficiary is his or her Spouse, the life expectancy of the Participant and his or her Spouse and (C) if his designated Beneficiary is not his or her Spouse, the life expectancy determined using the applicable table contained in the applicable Treasury Regulation.

(d) **Calculation of Payments.**

(i) If a Participant elects a total lump sum payment, pursuant to Section 8.1(c)(i), the Participant’s Plan Benefit shall be determined as of the Valuation Date coincident with or last preceding the date on which the Plan Benefit is withdrawn from the Investment Options and liquidated for distribution. Such liquidated amount (i) shall be held in the Trust Fund in a payment account maintained by the Trustee for this purpose and (ii) shall not be credited with interest or investment gains or losses following the date of liquidation.

(ii) If a Participant elects to receive a partial lump sum payment pursuant to Section 8.1(c)(i) or (iii), installment payments pursuant to Section 8.1(c)(i), or payment of qualified health insurance premiums for an accident or health plan or long-term care insurance contract covering the Participant and his or her spouse and dependents pursuant to paragraph Section 8.1(c)(iv), any remaining balance in such Participant’s Accounts shall continue to participate in the investment performance of the Investment Options in which such amounts are invested and to bear its allocable share of administrative and investment expenses until the Valuation Date coincident with or last preceding the date on which such Plan Benefit amounts are withdrawn from the Investment Funds and liquidated for distribution; provided, however, that the amount of the installments need not be redetermined to reflect changes in the value of the Account more frequently than annually. All such redeterminations shall be made by the Administrative Service Agency in accordance with procedures of uniform application. Any amount liquidated for purposes of an installment payment (i) shall be held in the Trust Fund in a payment account maintained by the Trustee for this purpose and (ii) shall not be credited with interest or investment gains or losses following the date of liquidation.

(e) **Distribution Election.** In the case of the Participant’s Severance from Employment with the Employer, a distribution election made by the Participant shall specify the form of payment as provided in Section 8.1(c) and the date on which payments shall commence; provided, however, that any such payments that would result in an account balance of less than $500 may not commence earlier than at the end of the Distribution Waiting Period; provided, further that the timing of any distribution must be in compliance with Section 8.6. Subject to Section 8.6, a Participant who is receiving distributions under the Plan may change both the
timing and the method of payment elected subject to any limitations set forth by the Committee and in accordance with procedures established by the Administrative Service Agency.

(f) **Rollover Accounts.** Notwithstanding any other provision of Section 8.1, a Participant who has one or more Rollover Accounts shall be permitted to withdraw all or any portion of such Rollover Accounts at any time during a Plan Year, provided that such withdrawal shall be paid pursuant to a method of payment elected by the Participant in accordance with Section 8.1(c) and the value of such Rollover Accounts shall be determined in accordance with Section 8.1(d).

8.2 **Distributions to Beneficiaries.** If a Participant dies before distribution of his or her Plan Benefit has commenced, a distribution election made by the Beneficiary shall specify the form of payment as provided in Section 8.1(c) and the date on which payments shall commence. If a Participant dies at any time before his or her entire Plan Benefit has been distributed, then the Participant’s Beneficiary may make subsequent distribution elections as provided in Section 8.1(c). Notwithstanding the foregoing, any distribution to a Beneficiary shall be made in accordance with the provisions of Section 401(a)(9) of the Code and subject to Sections 8.6(d) and (e).

8.3 **Distributions to Alternate Payees.** A distribution to an Alternate Payee may be paid in a single lump sum as soon as practicable following the qualification of the Qualified Domestic Relations Order and the close of all appeals to the Qualified Domestic Relations Order if the Alternate Payee consents to such lump sum distribution. In the event that the Alternate Payee does not consent to receive his or her distribution in a single lump sum as soon as practicable following the qualification of the Qualified Domestic Relations Order, the Alternate Payee may make an election to receive a distribution any time after the Earliest Retirement Date, subject to any requirements of Section 401(a)(9) of the Code and Section 8.1(c), by filing a distribution election specifying the form of payment as provided in Section 8.6 and the date on which payments shall commence.

8.4 **Eligible Rollover Distributions.**

(a) **Participant Rollover Distributions.** In connection with a Participant’s Severance from Employment, the Distributee may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution paid directly to the trustee of an Eligible Retirement Plan; provided that such other plan provides for the acceptance of such amounts by the trustee. The Plan shall provide written information to Distributees regarding Eligible Rollover Distributions to the extent required by Section 402(f) of the Code.

(b) **Beneficiary Rollover Distributions.** Upon a Participant’s death, a Beneficiary may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution paid directly to the trustee of an individual retirement arrangement (as defined in
Section 7701(a)(37) of the Code) that is established for the purpose of receiving the distribution on behalf of such Beneficiary.

(c) Roth IRA Rollover Distribution. In connection with a Participant’s Severance from Employment or upon a Participant’s death, as the case may be, a Participant or a Beneficiary may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution rolled over to a Roth individual retirement arrangement (as defined in Section 7701(a)(37) of the Code, and designated as a Roth arrangement at the time of its establishment). Such amounts will be included in gross income as if the distribution had been made to such Participant or Beneficiary.

8.5 Withholding. The Trustee shall withhold or cause to be withheld from any amounts withdrawn or distributed all federal, state, city or other taxes as shall be required pursuant to any law or governmental ruling or regulation, including Treasury Regulations.

8.6 Required Minimum Distributions.

(a) In General. Notwithstanding any other provision of the Plan to the contrary, all distributions under the Plan shall be in accordance with the minimum distribution and timing requirements of Section 401(a)(9) of the Code (including the incidental death benefit requirements of Section 401(a)(9)(G) of the Code) and the final Treasury regulations under Sections 1.401(a)(9)-2 through 1.401(a)(9)-9, which are incorporated herein by reference. Such provisions shall override any distribution options in the Plan that may be inconsistent with Section 401(a)(9) of the Code. Any distributions made pursuant to this Section 8.6 in order to comply with Section 401(a)(9) of the Code shall be charged against the Account or Accounts of the Account Participant in such manner as designated by the Account Participant in accordance with procedures established by the Administrative Service Agency; provided, however, that if no such designation is made, such distributions shall be charged first against the Before-Tax Deferral Account, second against the Roth Account (to the extent applicable), third against the Rollover Account or Rollover Accounts not relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program, and fourth against the Rollover Account or Rollover Accounts relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program.

(b) 2009 Waiver. Notwithstanding anything to the contrary in Section 8.6, an Account Participant who would have been required to receive required minimum distributions for 2009 but for the enactment of Section 401(a)(9)(H) of the Code (“2009 RMDs”), and who would have satisfied that requirement by receiving distributions that are (i) equal to the 2009 RMDs or (ii) one or more payments in a series of substantially equal distributions (that include the 2009 RMDs) made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancy) of the Participant and the Participant’s Beneficiary, or for a period of at least 10 years, will not receive those distributions for 2009 unless the Participant or Beneficiary chooses to receive such distributions. Participants and
Beneficiaries described in the preceding sentence will be given the opportunity to elect to receive the distributions described in the preceding sentence.

(c) **Distributions During Participant’s Life.** The Plan Benefit of a Participant shall be distributed (or commence to be distributed) to such Participant as soon as practicable after the Required Beginning Date. If the Participant has not made an election pursuant to Section 8.1(c) prior to such Required Beginning Date, then the Plan Benefit shall be distributed in the form of installment payments commencing on the Required Beginning Date.

(d) **Death of a Participant Occurring on or Prior to December 31, 2021, and Before the Required Beginning Date.**

(i) If, prior to December 31, 2021, a Participant dies before his Required Beginning Date, the remaining portion (if any) of such Participant’s Plan Benefit shall be distributed to his or her Beneficiary no later than December 31 of the calendar year containing the fifth anniversary of the Participant’s death (determined without regard to 2009), except as set forth in Sections 8.6(d)(i)(a) or (a) as follows:

(a) The Beneficiary may elect to receive a distribution of the Plan Benefit over a period not exceeding the life expectancy of the Beneficiary; provided that the distribution commences no later than December 31 of the calendar year immediately following the calendar year in which the Participant dies; or

(b) If the sole Beneficiary is the Participant’s Surviving Spouse, such Surviving Spouse may elect to receive a distribution of the Account over a period not exceeding the life expectancy of the Surviving Spouse (determined as of the date such payments commence); provided that the distribution commences on or before the later of December 31 of the calendar year immediately following the calendar year in which the Participant dies or December 31 of the calendar year in which the Participant would have attained age 72; provided, further, that if the Surviving Spouse dies after the Participant but before distributions to the Surviving Spouse commence, Section 8.6(d) (with the exception of Section 8.6(d)(i)(a)) shall apply as if the Surviving Spouse were the Participant.

(ii) The Beneficiary may elect to receive payment of the Plan Benefit as a lump sum or in annual, monthly or quarterly installment payments.

(iii) If the Beneficiary is an individual and is not an Eligible Beneficiary and the Participant dies before January 1, 2022, the remaining balance of the Plan Benefit must be distributed within the remaining life expectancy of the Beneficiary, and, if the Beneficiary dies after January 1, 2022 and before the
entire Plan Benefit is distributed, the remaining balance of the Plan Benefit must be distributed within 10 years of the Beneficiary’s death.

(e) Death of a Participant Occurring on or Prior to December 31, 2021. After the Required Beginning Date, and After Commencement of Distributions. If, prior to December 31, 2021, a Participant dies on or after the Required Beginning Date, but before his or her entire Plan Benefit is distributed to him or her, the unpaid portion of his or her Plan Account shall be distributed as follows:

(i) If the Participant has a Designated Beneficiary or Default Beneficiary that is the Surviving Spouse, the longer of the remaining life expectancy of the Participant’s Beneficiary and the remaining life expectancy of the Participant determined in accordance with Section 1.409(a)(9)-5 of the Treasury Regulations; or

(ii) If the Participant does not have a Designated Beneficiary or if the Default Beneficiary is not the Surviving Spouse, the remaining life expectancy of the Participant determined in accordance with Section 1.409(a)(9)-5 of the Treasury Regulations;

provided, however, that if a Beneficiary so elects, the Participant’s remaining Plan Benefit may be paid to the Beneficiary at any time in a lump sum so long as the entire Plan Benefit is paid at least as rapidly as it would be paid under Section 8.6(e)(i); and provided, further, that if the Beneficiary is an individual and is not an Eligible Beneficiary and the Participant dies before January 1, 2022, the remaining balance of the Plan Benefit must be distributed within the remaining life expectancy of the Beneficiary, and, if the Beneficiary dies after January 1, 2022 and before the entire Plan Benefit is distributed, the remaining balance of the Plan Benefit must be distributed with 10 years of the Beneficiary’s death.

(f) Distributions After the Death of a Participant Occurring After December 31, 2021. If, after December 31, 2021, a Participant dies before his or her entire Plan Benefit is distributed to him or her, the unpaid portion of his or her Plan Account shall be distributed as follows:

(i) If the Participant has a Beneficiary who is an Eligible Beneficiary and an individual, the Eligible Beneficiary may receive distributions of the Beneficiary’s unpaid portion of Plan Benefit over his or her remaining life expectancy determined in accordance with applicable Treasury Regulations, provided that, if the Eligible Beneficiary dies, any remaining benefits must be distributed to his or her Beneficiary within 10 years of the Eligible Beneficiary’s death; and provided, further, that, if the Eligible Beneficiary is a minor child, any remaining benefits must be distributed within 10 years after such child reaches the age of majority; and

(ii) If the Participant has a Beneficiary who is not an Eligible Beneficiary but is an individual, the Beneficiary shall receive distribution of the Beneficiary’s
unpaid portion of the Plan Benefit in its entirety within 10 years following the date of the Participant’s death; or

(iii) If the Participant has a Beneficiary who is not an individual, the Beneficiary shall receive distribution of the Beneficiary’s unpaid portion of the Plan Benefit in its entirety with five years following the date of the Participant’s death.

(g) **Alternate Payee Accounts.** In the case of any Alternate Payee Account, payments to the Alternate Payee must be made in accordance with the Plan and Section 401(a)(9) of the Code.

(h) **2020 Waiver.** Notwithstanding anything to the contrary in Section 8.6, whether a Participant or Beneficiary who would have been required to receive required minimum distributions in 2020 (or paid in 2021 for the 2020 calendar year for a Participant with a required beginning date of April 1, 2021) but for the enactment of Section 401(a)(9)(I) of the Code (“2020 RMDs”), and who would have satisfied that requirement by receiving distributions that are either (1) equal to the 2020 RMDs, or (2) one of more payments (that include the 2020 RMDs) in a series of substantially equal periodic payments made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancies) of the Participant and the Participant’s designated Beneficiary, or for a period of at least 10 years (“Extended 2020 RMDs”), will receive those distributions as determined in accordance with the option chosen by the employer in Schedule B. Notwithstanding the option chosen by the employer in Schedule B, a Participant or Beneficiary will be given an opportunity to make an election as to whether or not to receive those distributions. In addition, notwithstanding Section 8.4, and solely for purposes of applying the direct rollover provisions of the plan, certain additional distributions in 2020, as chosen by the employer in Schedule B, will be treated as eligible rollover distributions. If no election is made by the employer in the adoption agreement, a direct rollover will be offered only for distributions that would be eligible rollover distributions in the absence of section 401(a)(9)(I) of the Code. To the extent there is a conflict between this Section 8.6(h) of the Plan and Section 401(a) of the Code, the provision of the Code shall prevail.

8.7 **Special Proceeds.** If the Plan receives Special Proceeds (as defined below) that are allocable to an Account Participant who has received a final distribution of his or her entire Plan Benefit, then the Plan shall distribute such Special Proceeds to the former Participant, Beneficiary, or Alternate Payee (or in accordance with Section 9.2, if the Participant is deceased and no Beneficiary designation was in effect at the time of the Participant’s death, or to the estate of Beneficiary or Alternate Payee, as applicable, if such person is deceased) in a lump sum as soon as practicable after the Plan receives such Special Proceeds unless, at the time of such mandatory distribution, the value of such distribution would exceed $1,000. For purposes of Section 8.7, “Special Proceeds” means amounts attributable to a settlement of any dispute or controversy related to any of the assets previously attributable to any Account of the former Participant, Beneficiary, or Alternate Payee or any other amounts allocable under the Plan to a
former Participant, Beneficiary, or Alternate Payee relating to an adjustment to the amount or value of any such Account.

8.8 In-Plan Rollover to Roth Account.

(a) A Participant who has not severed employment or a spousal Alternate Payee would be permitted to have all or any portion of the Participant's Plan Benefit not otherwise distributable under the Plan, and not attributable to Roth Contributions or outstanding loans, directly rolled over into a separately maintained Account within his or her Roth Account. Any such amounts will be included in gross income as if the distribution had been made to such Participant or spousal Alternate Payee. After a Participant or spousal Alternate Payee has made an in-Plan rollover into a Roth Account, such Participant or spousal Alternate Payee may elect to take distributions from such Account in accordance with Sections 8.1 or 8.3.

(b) Upon any distribution event pursuant to which a Participant, a Beneficiary who is a Participant's Surviving Spouse or a spousal Alternate Payee would be permitted to have all or any portion of the Participant's Plan Benefit that qualifies as an Eligible Rollover Distribution rolled over into another Eligible Retirement Plan, such Participant, Beneficiary who is a Participant's Surviving Spouse or spousal Alternate Payee may elect to have the portion of such Eligible Rollover Distribution that is not attributable to Roth Contributions or outstanding loans directly rolled over into a separately maintained Account within his or her Roth Account. Any such amounts will be included in gross income as if the distribution had been made to such Participant, Beneficiary who is a Participant's Surviving Spouse or spousal Alternate Payee. After a Participant, Beneficiary who is a Participant's Surviving Spouse or spousal Alternate Payee has made an in-Plan rollover into a Roth Account, such Participant, Beneficiary who is a Participant's Surviving Spouse or spousal Alternate Payee may elect to take distributions from such Account in accordance with any of the distribution options set forth in Section 8.1(c).

(c) The provisions in Section 8.8 shall be administered in accordance with procedures established by the Administrative Service Agency and shall be interpreted and administered in accordance with and subject to Section 402A(c)(4) of the Code and any rules, regulations or other guidance issued by the Internal Revenue Service in relation thereto.
SECTION 9
DESIGNATION OF BENEFICIARIES

9.1 Written Designation of Beneficiaries. Each Participant shall file with the Administrative Service Agency a written designation of one or more persons as the Designated Beneficiary who shall be entitled to receive the Plan Benefit, if any, payable under the Plan upon his or her death. A Participant may from time to time revoke or change his or her Designated Beneficiary designation without the consent of any prior Designated Beneficiary by filing a new written designation with the Administrative Service Agency. The last such designation received by the Administrative Service Agency “in good order” shall be controlling; provided, however, that no designation or change or revocation thereof shall be effective unless received by the Administrative Service Agency in good order prior to the Participant’s death, and in no event shall it be effective as of a date prior to such receipt. For purposes of Section 9, a Beneficiary designation shall be deemed to be received in good order only if (i) it is in a written or electronic format acceptable to the Administrative Service Agency and (ii) the Administrative Service Agency can reasonably identify the Beneficiary or Beneficiaries named in the designation.

9.2 No Beneficiaries Designate; Death of a Beneficiary. (a) If no such Beneficiary designation is in effect at the time of a Participant’s death, or if no designated Beneficiary survives the Participant, or if no designated Beneficiary can be located with reasonable diligence by the Administrative Service Agency, the payment of the Plan Benefit, if any, payable under the Plan upon the Participant’s death shall be made by the Trustee from the Trust Fund to the Participant’s Surviving Spouse, if any, or if the Participant has no Surviving Spouse, or the Surviving Spouse cannot be located with reasonable diligence by the Administrative Service Agency, then to the deceased Participant’s estate (such Beneficiary hereinafter referred to as the “Default Beneficiary”). If the Administrative Service Agency is in doubt as to the right or entitlement of any person to receive such amount, the Administrative Service Agency shall inform the Committee and the Trustee, and the Trustee may retain such amount, without liability for any interest thereon, until the rights thereto are determined, or the Trustee may pay such amount into any court of appropriate jurisdiction or to any other person pursuant to applicable law and such payment shall be a complete discharge of the liability of the Trustee, Plan, Committee, Employer, Administrative Service Agency and Financial Organizations.

(b) If a Designated Beneficiary or Default Beneficiary dies after the death of the Participant but prior to receiving a complete distribution of the portion of the Plan Benefit that would have been paid to such Beneficiary had such Beneficiary’s death not then occurred, then, for purposes of the Plan, the distribution that would otherwise have been received by such Beneficiary shall be paid to the Beneficiary’s estate.

9.3 Surviving Spouse. Notwithstanding Section 9.2, a Beneficiary who is a Surviving Spouse of the Participant may designate a subsequent Designated Beneficiary, subject to the same filing requirements of Section 9.1, to the extent permitted under Section 401(a)(9) of the Code. To the extent such Surviving Spouse is not permitted or does not elect to designate a subsequent Designated Beneficiary pursuant to the preceding sentence, and the Surviving Spouse dies prior to receiving a complete distribution of the Plan Benefit that would have been paid to such Surviving Spouse had such Surviving Spouse’s death not then occurred, then, for purposes...
of the Plan, the distribution that would otherwise have been received by such Surviving Spouse shall be paid to the Surviving Spouse’s estate.

SECTION 10
QUALIFIED DOMESTIC RELATIONS ORDERS

10.1 Qualified Domestic Relations Order. Payments with respect to a Participant’s Plan Benefit may be made by the Trustee from the Trust Fund to one or more Alternate Payees pursuant to the terms of a Qualified Domestic Relations Order. Upon segregation of the assets payable to an Alternate Payee in an Alternate Payee Account or the payment of such benefits to the Alternate Payee, any such amounts paid or segregated shall no longer constitute part of the Participant’s Plan Benefit. No liability whatsoever shall be incurred by the Committee, the Trustee, the Employer, the Administrative Service Agency, the Review Committee or any Financial Organization solely by reason of any act or omission undertaken in accordance with this section to comply with the terms of a Qualified Domestic Relations Order.

10.2 Suspension of Distributions During Claim Period. Subject to the discretion of the Administrative Service Agency or the Committee, no distribution of any Plan Benefit shall be permitted in any period during which a purported Qualified Domestic Relations Order claim, against all or part of such Plan Benefit, is being reviewed in accordance with the provisions of Section 11.8. If the Administrative Service Agency reasonably believes that a purported Qualified Domestic Relations Order against all or part of any Plan Benefit is likely to be asserted, the Committee may refuse to permit any distribution of all or part of such Plan Benefit pending determination of such claim.
SECTION 11
ADMINISTRATION

11.1 Plan Administration. Except as otherwise provided herein, the operation and administration of the Plan shall be the responsibility of the Committee and the Committee shall have all of the broad, general authority necessary or advisable to operate and administer the Plan. The Committee shall have the power and the duty to take all action and to make all decisions necessary or proper to carry out its responsibilities under the Plan. All determinations of the Committee as to any question involving its responsibilities under the Plan, including, interpretation of the Plan or as to any discretionary actions to be taken under the Plan, shall be solely in the Committee’s discretion and shall be final, conclusive and binding on all parties.

(f) to enlarge or diminish any applicable time period set forth in the Plan, subject to applicable law; and

(g) to determine the methods and procedures for the implementation and use of any automated telephone, computer, internet, intranet or other electronic or automated system adopted by the Committee for purposes of Plan administration, including, for receiving and processing enrollments and instructions with respect to the investment of assets allocated to an Account Participant’s Accounts and for such other purposes as may be designated from time to time.

11.3 Limitation of Liability. Except as may be prohibited by applicable law, neither the Committee nor any member thereof shall be liable for (a) anything done or omitted to be done by it or by them unless the act or omission claimed to be the basis for liability amounted to a failure to act in good faith or was due to gross negligence or willful misconduct; (b) the payment of any amount under the Plan; or (c) any judgment or reasonable mistake of fact made by it or on its behalf by a member of the Committee. No member of the Committee shall be personally liable

County Executive

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend the 2022-2027 Capital Improvement Program and 2022 Capital Budget to Increase Funding for the Project Entitled "Friendship Place" at Monroe Community Hospital and Authorize Financing

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program and 2022 Capital Budget to increase funding for the project entitled "Friendship Place" at Monroe Community Hospital ("MCH"), and authorize financing for the project.

Friendship Place is the renaming and remodeling of MCH's Dementia Care unit on Friendship 1 West. Originally authorized by Your Honorable Body in July 2021 as a $275,833 capital project, the remodeling entails building a newly designed spa/bathing room with specialized tubs and fixtures, and initiating therapeutic dementia care-centered updates to the dining room and common area by resizing and restructuring egress and security.

Earlier this year MCH received notice that it was awarded a $500,000 grant jointly by the New York State Department of Health and the Dormitory Authority of the State of New York to expand beyond the common areas and into the individual resident rooms and specialized memory care sensory areas. MCH would like to augment that grant with $610,500 of additional project financing to improve the quality of the Dementia Care Unit, providing enhanced quality of life and safe activities of daily living for residents with memory and/or wandering behaviors. With the aforementioned grant funding and additional project financing, the new estimated total project cost is $1,386,333.

This project is scheduled to be considered by the Monroe County Planning Board on June 23, 2022.

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to increase funding for the project entitled "Friendship Place" in the amount of $1,110,500, from $0 to $1,110,500 for a total project authorization of $1,386,333.

110 County Office Building • 39 West Main Street • Rochester, New York 14614
(585) 753 1000 • fax: (585) 753 1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov
2. Amend the 2022 Capital Budget to increase funding for the project entitled "Friendship Place" in the amount of $1,110,500.

3. Authorize financing for the project entitled "Friendship Place" in the amount of $1,110,500.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 2039 once the additional financing authorization requested herein is approved, and in any capital fund(s) created for the same intended purpose.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing costs of the Friendship Place Project, in and for the County of Monroe, New York (the "County"), consisting of various improvements to the dementia care unit at Monroe Community Hospital, there are hereby authorized to be issued $1,110,500 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional $1,110,500 to pay the cost of the aforesaid specific object or purpose ($275,833 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is twenty-five (25) years, pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is $1,386,333, and the plan for the financing thereof is by the expenditure of $275,833 previously appropriated therefor pursuant to Resolution No. 245 of 2021, dated July 13, 2021, and by the issuance of $1,110,500 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local

The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance – Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or

2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of publication, or

Subject: Amend the 2022-2027 Capital Improvement Program and 2022 Capital Budget to Increase Funding for the Project Entitled “Friendship Place” at Monroe Community Hospital and Authorize Financing

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program and 2022 Capital Budget to increase funding for the project entitled “Friendship Place” at Monroe Community Hospital ("MCH"), and authorize financing for the project.

Friendship Place is the renaming and remodeling of MCH’s Dementia Care unit on Friendship 1 West. Originally authorized by Your Honorable Body in July 2021 as a $275,833 capital project, the remodeling entails building a newly designed spa/bathing room with specialized tubs and fixtures, and initiating therapeutic dementia care-centered updates to the dining room and common area by resizing and restructuring egress and security.

Earlier this year MCH received notice that it was awarded a $500,000 grant jointly by the New York State Department of Health and the Dormitory Authority of the State of New York to expand beyond the common areas and into the individual resident rooms and specialized memory care sensory areas. MCH would like to augment that grant with $610,500 of additional project financing to improve the quality of the Dementia Care Unit, providing enhanced quality of life and safe activities of daily living for residents with memory and/or wandering behaviors. With the aforementioned grant funding and additional project financing, the new estimated total project cost is $1,386,333.

This project is scheduled to be considered by the Monroe County Planning Board on June 23, 2022.

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to increase funding for the project entitled “Friendship Place” in the amount of $1,110,500, from $0 to $1,110,500 for a total project authorization of $1,386,333.
2. Amend the 2022 Capital Budget to increase funding for the project entitled “Friendship Place” in the amount of $1,110,500.

3. Authorize financing for the project entitled “Friendship Place” in the amount of $1,110,500.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 2039 once the additional financing authorization requested herein is approved, and in any capital fund(s) created for the same intended purpose.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive

Subject: Amend the 2022 Operating Budget to add $5.00 Admission for Veterans at Seneca Park Zoo

Honorable Legislators:

We recommend that Your Honorable Body amend the 2022 Operating Budget to add $5.00 admission at Seneca Park Zoo for veterans.

Monroe County is home to approximately 32,000 veterans who have put their lives on the line to protect our freedom. Cultural institutions across the country offer discounted admission to veterans in recognition of their service to our country; a program Monroe County can mirror at our own Seneca Park Zoo. While we could never fully thank these individuals for their service and sacrifices in defense of our nation, this is a small measure by which Monroe County can assist our veterans.

The specific legislative action required is to amend the 2022 Operating Budget, Seneca Park Zoo Fees to add $5.00 Admission for Veterans, together with $5.00 Admission for one (1) guest present with such Veteran, during all normal operating hours.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

The admissions are revenue generating and no net County support is required in the current Monroe County budget.

Honorable Legislators:

I recommend that Your Honorable Body approve the operating budget of Monroe Community College for the fiscal year September 1, 2022 through August 31, 2023 as submitted by the College.

The proposed 2022-2023 Monroe Community College budget has been reviewed by me, as well as the staff of the County's Office of Management and Budget. I concur with the request of the College.

The following resolution was adopted by the Monroe Community College Board of Trustees at their meeting on June 6, 2022:

RESOLVED, that the Board of Trustees of Monroe Community College approves the Operating Budget for the fiscal year September 1, 2022 through August 31, 2023 in the amount of $109,440,000.

Approval of this budget will provide funding for 7,200 state-aidable full-time equivalent students during the College fiscal year. Adoption by Your Honorable Body is required before the State University of New York can approve its share of the College budget.

The specific legislative actions required are:

Monroe Community College
2022-2023 Operating Budget

Overview – Highlights

The college’s 2022-2023 gross budget remains flat as compared to the 2021-2022 budget. The full-time student tuition rate will increase by $50 to $4,756/year. The base state aid rate remains flat at $2,997 per FTE student. The net cost per FTE student reflects a year-on-year increase of $665 or 4.9% driven primarily by the decline in enrollment and nominal increase in the net budget.

ENROLLMENT – 7,200 (state-aidable) FTEs

☐ Decrease of 323 FTEs or 4.3% fewer than the state-aidable enrollment in the 2021-2022 budget of 7,523.

☐ Unduplicated headcount for state-aidable students, in total, will approximate 19,478 in 2022-2023 compared to 16,796 in 2021-2022, reflecting an increase of 16.0%.

NET BUDGET – (as defined by SUNY) - $103,019,320

☐ Reflects a $382,000 increase from 2021-2022 attributable primarily to a decrease in budgeted enrollment with a corresponding reduction in student revenues and Federal Appropriation under the Higher Education Emergency Relief Fund (HEERF) act, offset by increases in Sponsor’s Contribution and Charges to Other Counties.

☐ Computed by deducting Service Fees, Other Sponsored Programs and Other Sources revenue streams from the Gross Budget.
Monroe Community College
2022-2023 Operating Budget

Overview – Highlights

GROSS BUDGET - $109,440,000

- Remains unchanged from 2021-2022.
- The year-over-year flat budget reflects implementation of various cost management strategies related to reduced compensation costs and contractual expenses, where possible, coupled with the reallocation of resources in support of student success.

NET COST PER FTE - $14,308

- Increase of $665 or 4.9% from the 2021-2022 budgeted net cost per FTE of $13,643.
- This increase in net cost per FTE is primarily a result of the decline in aidable student enrollment and nominal increase in the net budget.
Monroe Community College
2022-2023 Operating Budget

☐ Part-time tuition rate increases to $198 per credit hour.

☐ An average 5-year annual increase in the full-time tuition rate of 2.1%. MCC remains among the lowest cost SUNY community colleges.

Fees - $7,325,016 down 4.2%

☐ Year-over-year variance of approximately $325,000 is due primarily to the decline in budgeted enrollment.

☐ Technology fees will remain flat year over year.

Charges to Non-residents - $1,041,000; down 9.2%

☐ Decrease is due primarily to the decline in budgeted enrollment.
Monroe Community College  
2022-2023 Operating Budget  

Revenues – Highlights

STATE AID - $29,920,662; down 0.1%

☐ The overall decrease in state aid of $14,333 is driven by adoption of a funding floor set at 100% of the SUNY approved 2021/22 base aid as stipulated in the NYS Enacted budget.

☐ The enacted funding floor provides more than $5,575,000 more than the FTE funding model.

☐ The base aid rate remains at $2,997 per FTE.

FEDERAL APPROPRIATION (HEERF) - $5,400,000

☐ Represents an allocation of institutional funds under the HEERF Program.

SPONSOR CONTRIBUTION - $20,380,000; increase of $750,000

☐ Reflects an increase of $750,000 year-over-year.

☐ Sponsor contribution has increased on an average annual basis by 1.3% over the last 5 years.
Monroe Community College  
2022-2023 Operating Budget

**Appropriations – Highlights**

**PERSONAL SERVICES EXPENDITURES** will decrease $109,858 or 0.2%. This includes contractual commitments under employee labor contracts, offset by reductions in staffing as costs are realigned with enrollment expectations.

**EMPLOYEE BENEFITS** will increase by $250,000 due primarily to increases in health care benefit costs, offset by reduced pension expenses and the impact of fewer faculty and staff positions as positions are aligned with expected enrollment.

**EQUIPMENT EXPENDITURES** will increase by $267,754. Expenditures for equipment represent less than 1.0% of the college’s operating budget.

**CONTRACTUAL EXPENDITURES** will decrease $407,896 or 2.3% as costs are aligned with budgeted 2022-2023 revenues mainly as a result of reduced services contracts, supplies and other costs.

Revenue Sources – Highlights

☐ The state, county sponsor, and students provide 86.2% of total funding for the operating budget.

☐ State aid is determined by SUNY in accord with the state budget. For the 2022-2023 year, base state aid is the higher of $2,997 per FTE or 100% of the 2021-22 SUNY approved base aid. Under the enacted funding floor, state aid amounts to $29,920,662 or 27.3% of the total revenue budget.

☐ Sponsor contribution amounts to $20,380,000, an increase of $750,000 or 3.8% over last year. This represents 18.6% of the total revenue budget.

☐ Student tuition and fees will total $44,008,743 or 40.2% of the total revenue budget.

☐ Student tuition rates will increase to $4,756 for full-time and $198 per credit hour for part-time students. Historically, this amounts to a 2.1% average annual increase over the last 5-year period. Student tuition will fund $35,642,727 or 32.6% of the total budget. The Technology fee will remain flat at $325 per applicable term and will provide $4,605,537 in student support.

☐ Other sources of revenue totaling $15,130,595 or 13.9% include $5,400,000 in Federal Appropriation – HEERF funding, Other Sponsored Programs, charges to other counties, interest, rental and miscellaneous revenue and use of allocated fund balance.

Net Revenue – Highlights

- The net operating budget of $103,019,320 equals the gross operating budget minus offsetting operating revenues and budgeted appropriations not allowable for state aid, such as Other Sponsored Programs. This is the basis for the tri-party funding partnership: the state, local sponsor, and student revenue.

- State aid is provided in the form of enrollment-based funding as determined by SUNY. For the 2022-2023 year, base state aid is the higher of $2,997 per FTE or 100% of the 2021-22 SUNY approved base aid. Under the enacted funding floor, state aid amounts to $29,920,662 or 29.0% of the net revenue budget.

- Sponsor contribution amounts to $20,380,000 – an increase of $750,000 over last year. This represents 19.8% of the net revenue budget.

- Student revenue (tuition and technology fees) will total $40,248,263 or 39.1% of the net revenue budget. Amended tuition limitation regulations allow community colleges to exceed the limit of one-third of the net budget. This budget anticipates that this amendment will continue.

- Other sources of net revenue totaling $12,470,395 or 12.1% include $5,400,000 in Federal Appropriation – HEERF funding, charges to other counties, non-resident tuition, interest and rental revenue allowable under SUNY guidelines, and use of allocated fund balance.

Gross Budgeted Expenditures per FTE Student

☐ This graph compares Monroe Community College's total cost per full-time equivalent (FTE) student with the average cost per FTE student for all community colleges under the program of the State University of New York (SUNY).

☐ For the 2022-2023 year, the gross budgeted expenditure per FTE student is $15,200, up $653 from the 2021-2022 gross budgeted amount of $14,547. This is due primarily to the anticipated decrease in state-aidable credit enrollment.

☐ The budgeted cost per FTE of $15,200 is $1,108 or 7.9% above the computed SUNY average of $14,092 for the 2021-22 year.

Aidable FTE Enrollment

☐ The graph demonstrates the trend in enrollment at Monroe Community College since 2013-2014. Full-time equivalent (FTE) student is the basic measure of workload used by SUNY and the basis for determining the amount of state aid the college will receive.

☐ FTE enrollment is calculated by dividing all credit and credit equivalent units in specified aidable non-credit courses taken by students by 30.

☐ Total aidable enrollment is budgeted at 7,200 FTEs which is 323 FTEs or 4.3% less than the 2021-2022 budget of 7,523.

☐ Aidable enrollment at the Brighton Campus is budgeted at 6,576 FTEs which is 159 FTEs or 2.4% less than the 2021-2022 budget of 6,735.

☐ The Brighton Campus includes enrollment related to the Public Safety Training Facility and the Applied Technologies Center of 500 and 192 FTEs, respectively.

☐ Downtown Campus enrollment is budgeted at 624 FTEs. This reflects a decrease of 164 FTEs or 20.8% below the 2021-2022 budgeted enrollment of 788 FTEs.

Monroe Community College  
2022-2023 Operating Budget

Overview – Highlights

The college’s 2022-2023 gross budget remains flat as compared to the 2021-2022 budget. The full-time student tuition rate will increase by $50 to $4,756/year. The base state aid rate remains flat at $2,997 per FTE student. The net cost per FTE student reflects a year-on-year increase of $665 or 4.9% driven primarily by the decline in enrollment and nominal increase in the net budget.

ENROLLMENT – 7,200 (state-aidable) FTEs

☐ Decrease of 323 FTEs or 4.3% fewer than the state-aidable enrollment in the 2021-2022 budget of 7,523.

☐ Unduplicated headcount for state-aidable students, in total, will approximate 19,478 in 2022-2023 compared to 16,796 in 2021-2022, reflecting an increase of 16.0%.

NET BUDGET – (as defined by SUNY) - $103,019,320

☐ Reflects a $382,000 increase from 2021-2022 attributable primarily to a decrease in budgeted enrollment with a corresponding reduction in student revenues and Federal Appropriation under the Higher Education Emergency Relief Fund (HEERF) act, offset by increases in Sponsor’s Contribution and Charges to Other Counties.

☐ Computed by deducting Service Fees, Other Sponsored Programs and Other Sources revenue streams from the Gross Budget.
Monroe Community College
2022-2023 Operating Budget

Overview – Highlights

GROSS BUDGET - $109,440,000

☐ Remains unchanged from 2021-2022.

☐ The year-over-year flat budget reflects implementation of various cost management strategies related to reduced compensation costs and contractual expenses, where possible, coupled with the reallocation of resources in support of student success.

NET COST PER FTE - $14,308

☐ Increase of $665 or 4.9% from the 2021-2022 budgeted net cost per FTE of $13,643.

☐ This increase in net cost per FTE is primarily a result of the decline in aidable student enrollment and nominal increase in the net budget.
Monroe Community College
2022-2023 Operating Budget

Revenues – Highlights

STUDENT TUITION AND FEES - $44,008,743; down 2.4%

- **Tuition** - $35,642,727; down 1.8%
  - Full-time tuition rate increases to $4,756 per year.
  - Part-time tuition rate increases to $198 per credit hour.
  - An average 5-year annual increase in the full-time tuition rate of 2.1%. MCC remains among the lowest cost SUNY community colleges.

- **Fees** - $7,325,016 down 4.2%
  - Year-over-year variance of approximately $325,000 is due primarily to the decline in budgeted enrollment.
  - Technology fees will remain flat year over year.

- **Charges to Non-residents** - $1,041,000; down 9.2%
  - Decrease is due primarily to the decline in budgeted enrollment.
Revenues – Highlights

STATE AID - $29,920,662; down 0.1%

- The overall decrease in state aid of $14,333 is driven by adoption of a funding floor set at 100% of the SUNY approved 2021/22 base aid as stipulated in the NYS Enacted budget.

- The enacted funding floor provides more than $5,575,000 more than the FTE funding model.

- The base aid rate remains at $2,997 per FTE.

FEDERAL APPROPRIATION (HEERF) - $5,400,000

- Represents an allocation of institutional funds under the HEERF Program.

SPONSOR CONTRIBUTION - $20,380,000; increase of $750,000

- Reflects an increase of $750,000 year-over-year.

- Sponsor contribution has increased on an average annual basis by 1.3% over the last 5 years.
Monroe Community College
2022-2023 Operating Budget

Appropriations – Highlights

PERSONAL SERVICES EXPENDITURES will decrease $109,858 or 0.2%. This includes contractual commitments under employee labor contracts, offset by reductions in staffing as costs are realigned with enrollment expectations.

EMPLOYEE BENEFITS will increase by $250,000 due primarily to increases in health care benefit costs, offset by reduced pension expenses and the impact of fewer faculty and staff positions as positions are aligned with expected enrollment.

EQUIPMENT EXPENDITURES will increase by $267,754. Expenditures for equipment represent less than 1.0% of the college’s operating budget.

CONTRACTUAL EXPENDITURES will decrease $407,896 or 2.3% as costs are aligned with budgeted 2022-2023 revenues mainly as a result of reduced services contracts, supplies and other costs.

Monroe County Legislature - July 12, 2022
Monroe Community College
2022-2023 Operating Budget

Revenue Sources – Highlights

☐ The state, county sponsor, and students provide 86.2% of total funding for the operating budget.

☐ State aid is determined by SUNY in accord with the state budget. For the 2022-2023 year, base state aid is the higher of $2,997 per FTE or 100% of the 2021-22 SUNY approved base aid. Under the enacted funding floor, state aid amounts to $29,920,662 or 27.3% of the total revenue budget.

☐ Sponsor contribution amounts to $20,380,000, an increase of $750,000 or 3.8% over last year. This represents 18.6% of the total revenue budget.

☐ Student tuition and fees will total $44,008,743 or 40.2% of the total revenue budget.

☐ Student tuition rates will increase to $4,756 for full-time and $198 per credit hour for part-time students. Historically, this amounts to a 2.1% average annual increase over the last 5-year period. Student tuition will fund $35,642,727 or 32.6% of the total budget. The Technology fee will remain flat at $325 per applicable term and will provide $4,605,537 in student support.

☐ Other sources of revenue totaling $15,130,595 or 13.9% include $5,400,000 in Federal Appropriation – HEERF funding, Other Sponsored Programs, charges to other counties, interest, rental and miscellaneous revenue and use of allocated fund balance.

Net Revenue – Highlights

☐ The net operating budget of $103,019,320 equals the gross operating budget minus offsetting operating revenues and budgeted appropriations not allowable for state aid, such as Other Sponsored Programs. This is the basis for the tri-party funding partnership: the state, local sponsor, and student revenue.

☐ State aid is provided in the form of enrollment-based funding as determined by SUNY. For the 2022-2023 year, base state aid is the higher of $2,997 per FTE or 100% of the 2021-22 SUNY approved base aid. Under the enacted funding floor, state aid amounts to $29,920,662 or 29.0% of the net revenue budget.

☐ Sponsor contribution amounts to $20,380,000 – an increase of $750,000 over last year. This represents 19.8% of the net revenue budget.

☐ Student revenue (tuition and technology fees) will total $40,248,263 or 39.1% of the net revenue budget. Amended tuition limitation regulations allow community colleges to exceed the limit of one-third of the net budget. This budget anticipates that this amendment will continue.

☐ Other sources of net revenue totaling $12,470,395 or 12.1% include $5,400,000 in Federal Appropriation – HEERF funding, charges to other counties, non-resident tuition, interest and rental revenue allowable under SUNY guidelines, and use of allocated fund balance.

Aidable FTE Enrollment

☐ The graph demonstrates the trend in enrollment at Monroe Community College since 2013-2014. Full-time equivalent (FTE) student is the basic measure of workload used by SUNY and the basis for determining the amount of state aid the college will receive.

☐ FTE enrollment is calculated by dividing all credit and credit equivalent units in specified aidable non-credit courses taken by students by 30.

☐ Total aidable enrollment is budgeted at 7,200 FTEs which is 323 FTEs or 4.3% less than the 2021-2022 budget of 7,523.

☐ Aidable enrollment at the Brighton Campus is budgeted at 6,576 FTEs which is 159 FTEs or 2.4% less than the 2021-2022 budget of 6,735.

☐ The Brighton Campus includes enrollment related to the Public Safety Training Facility and the Applied Technologies Center of 500 and 192 FTEs, respectively.

☐ Downtown Campus enrollment is budgeted at 624 FTEs. This reflects a decrease of 164 FTEs or 20.8% below the 2021-2022 budgeted enrollment of 788 FTEs.

2022-2023 Operating Budget

Overview – Highlights

The college's 2022-2023 gross budget remains flat as compared to the 2021-2022 budget. The full-time student tuition rate will increase by $50 to $4,756/year. The base state aid rate remains flat at $2,997 per FTE student. The net cost per FTE student reflects a year-on-year increase of $665 or 4.9% driven primarily by the decline in enrollment and nominal increase in the net budget.

ENROLLMENT – 7,200 (state-aidable) FTEs

☐ Decrease of 323 FTEs or 4.3% fewer than the state-aidable enrollment in the 2021-2022 budget of 7,523.

☐ Unduplicated headcount for state-aidable students, in total, will approximate 19,478 in 2022-2023 compared to 16,796 in 2021-2022, reflecting an increase of 16.0%.

NET BUDGET – (as defined by SUNY) - $103,019,320

☐ Reflects a $382,000 increase from 2021-2022 attributable primarily to a decrease in budgeted enrollment with a corresponding reduction in student revenues and Federal Appropriation under the Higher Education Emergency Relief Fund (HEERF) act, offset by increases in Sponsor’s Contribution and Charges to Other Counties.

☐ Computed by deducting Service Fees, Other Sponsored Programs and Other Sources revenue streams from the Gross Budget.
Monroe Community College
2022-2023 Operating Budget

Overview – Highlights

GROSS BUDGET - $109,440,000

☐ Remains unchanged from 2021-2022.

☐ The year-over-year flat budget reflects implementation of various cost management strategies related to reduced compensation costs and contractual expenses, where possible, coupled with the reallocation of resources in support of student success.

NET COST PER FTE - $14,308

☐ Increase of $665 or 4.9% from the 2021-2022 budgeted net cost per FTE of $13,643.

☐ This increase in net cost per FTE is primarily a result of the decline in aidable student enrollment and nominal increase in the net budget.

Monroe Community College
2022-2023 Operating Budget

Revenues – Highlights

STATE AID - $29,920,662; down 0.1%

☐ The overall decrease in state aid of $14,333 is driven by adoption of a funding floor set at 100% of the SUNY approved 2021/22 base aid as stipulated in the NYS Enacted budget.

☐ The enacted funding floor provides more than $5,575,000 more than the FTE funding model.

☐ The base aid rate remains at $2,997 per FTE.

FEDERAL APPROPRIATION (HEERF) - $5,400,000

☐ Represents an allocation of institutional funds under the HEERF Program.

SPONSOR CONTRIBUTION - $20,380,000; increase of $750,000

☐ Reflects an increase of $750,000 year-over-year.

☐ Sponsor contribution has increased on an average annual basis by 1.3% over the last 5 years.
Monroe Community College
2022-2023 Operating Budget

Appropriations – Highlights

PERSONAL SERVICES EXPENDITURES will decrease $109,858 or 0.2%. This includes contractual commitments under employee labor contracts, offset by reductions in staffing as costs are realigned with enrollment expectations.

EMPLOYEE BENEFITS will increase by $250,000 due primarily to increases in health care benefit costs, offset by reduced pension expenses and the impact of fewer faculty and staff positions as positions are aligned with expected enrollment.

EQUIPMENT EXPENDITURES will increase by $267,754. Expenditures for equipment represent less than 1.0% of the college’s operating budget.

CONTRACTUAL EXPENDITURES will decrease $407,896 or 2.3% as costs are aligned with budgeted 2022-2023 revenues mainly as a result of reduced services contracts, supplies and other costs.

Monroe Community College
2022-2023 Operating Budget

Revenue Sources — Highlights

☐ The state, county sponsor, and students provide 86.2% of total funding for the operating budget.

☐ State aid is determined by SUNY in accord with the state budget. For the 2022-2023 year, base state aid is the higher of $2,997 per FTE or 100% of the 2021-22 SUNY approved base aid. Under the enacted funding floor, state aid amounts to $29,920,662 or 27.3% of the total revenue budget.

☐ Sponsor contribution amounts to $20,380,000, an increase of $750,000 or 3.8% over last year. This represents 18.6% of the total revenue budget.

☐ Student tuition and fees will total $44,008,743 or 40.2% of the total revenue budget.

☐ Student tuition rates will increase to $4,756 for full-time and $198 per credit hour for part-time students. Historically, this amounts to a 2.1% average annual increase over the last 5-year period. Student tuition will fund $35,642,727 or 32.6% of the total budget. The Technology fee will remain flat at $325 per applicable term and will provide $4,605,537 in student support.

☐ Other sources of revenue totaling $15,130,595 or 13.9% include $5,400,000 in Federal Appropriation — HEERF funding, Other Sponsored Programs, charges to other counties, interest, rental and miscellaneous revenue and use of allocated fund balance.

Monroe Community College
2022-2023 Operating Budget

**Net Revenue – Highlights**

- The net operating budget of $103,019,320 equals the gross operating budget minus offsetting operating revenues and budgeted appropriations not allowable for state aid, such as Other Sponsored Programs. This is the basis for the tri-party funding partnership: the state, local sponsor, and student revenue.

- State aid is provided in the form of enrollment-based funding as determined by SUNY. For the 2022-2023 year, base state aid is the higher of $2,997 per FTE or 100% of the 2021-22 SUNY approved base aid. Under the enacted funding floor, state aid amounts to $29,920,662 or 29.0% of the net revenue budget.

- Sponsor contribution amounts to $20,380,000 – an increase of $750,000 over last year. This represents 19.8% of the net revenue budget.

- Student revenue (tuition and technology fees) will total $40,248,263 or 39.1% of the net revenue budget. Amended tuition limitation regulations allow community colleges to exceed the limit of one-third of the net budget. This budget anticipates that this amendment will continue.

- Other sources of net revenue totaling $12,470,395 or 12.1% include $5,400,000 in Federal Appropriation – HEERF funding, charges to other counties, non-resident tuition, interest and rental revenue allowable under SUNY guidelines, and use of allocated fund balance.

Aidable FTE Enrollment

- The graph demonstrates the trend in enrollment at Monroe Community College since 2013-2014. Full-time equivalent (FTE) student is the basic measure of workload used by SUNY and the basis for determining the amount of state aid the college will receive.

- FTE enrollment is calculated by dividing all credit and credit equivalent units in specified aidable non-credit courses taken by students by 30.

- Total aidable enrollment is budgeted at 7,200 FTEs which is 323 FTEs or 4.3% less than the 2021-2022 budget of 7,523.

- Aidable enrollment at the Brighton Campus is budgeted at 6,576 FTEs which is 159 FTEs or 2.4% less than the 2021-2022 budget of 6,735.

- The Brighton Campus includes enrollment related to the Public Safety Training Facility and the Applied Technologies Center of 500 and 192 FTEs, respectively.

- Downtown Campus enrollment is budgeted at 624 FTEs. This reflects a decrease of 164 FTEs or 20.8% below the 2021-2022 budgeted enrollment of 788 FTEs.
