BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. As authorized by section 447-c(1)(b) of the New York Real Property Law, Monroe County opts not to establish a registration system for short-term rental units, as such term is defined in section 447-a(2) of the New York Real Property Law.

Section 2. Section 357-14 of Chapter 357 of the Monroe County Code is amended to add new paragraphs D and E, which shall read as follows:

D. All persons filing a return shall submit as part of the return the property address(es) and gross receipts for all accommodations. Such information shall be confidential subject to Section 357-26 of this Chapter. Other information may be shared in accordance with proper judicial order, as permitted pursuant to Section 357-26 of this Chapter.

E. If the person filing returns is a booking service, as that term is defined in section 447-a(5) of the New York Real Property Law, the person shall also file at the same time as the filing for the previous year a list of URLs for entire home listings offered on the booking platform as short-term rental units in Monroe County and a list, aggregated by ZIP code, containing the number of entire home listings offered on the booking service operating as short-term rental units during the previous year and the number of nights such properties were occupied during the previous year to the Department of Planning and Development and the Department of Public Safety. Notwithstanding the foregoing, if the person filing returns provides the Department of Public Safety and the Department of Planning and Development with a means of downloading the required list or viewing the required information, the booking service shall not file such information to the Department of Planning and Development and Department of Public Safety pursuant to this Section.

Section 3.
