Subject: Amend Resolution 214 of 2024 to Increase the Intermunicipal Agreement with the Fairport Central School District for the Purchase of Fuel for Vehicles for the Monroe County Sheriff's Office

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body amend Resolution 214 of 2024 to increase the intermunicipal agreement with the Fairport Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office from an amount not to exceed \$33,000 to an amount not to exceed \$90,000 for the period of September 1, 2025 through August 31, 2026 with the option to renew for two (2) additional one-year periods at the rate of ten cents (\$0.10) per gallon above the New York State contract price in an amount not to exceed \$90,000 per year.

The rising gasoline prices since this resolution was originally adopted in 2024 have increased the associated costs of the Sheriff's Office considerably. This increase is needed in order to continue appropriate levels of patrol coverage in Zone A.

The specific legislative action required is to amend Resolution 214 of 2024 to increase the intermunicipal agreement with the Fairport Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office from an amount not to exceed \$33,000 to an amount not to exceed \$90,000 for the period of September 1, 2025 through August 31, 2026 with the option to renew for two (2) additional one-year periods at the rate of ten cents (\$0.10) per gallon above the New York State contract price in an amount not to exceed \$90,000 per year.

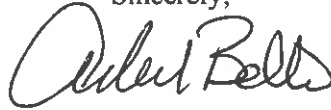

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2026 operating budget of the Sheriff's Office, general fund 9001, funds center 3803020000, Road Patrol Zone A and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

Subject: Authorize a Contract with M.L. Caccamise Electric Corp. for Construction Services for the Traffic Signal Replacement Project at Ridgeway Avenue/Lee Road/Latona Road in the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with M.L. Caccamise Electric Corp. in the amount of \$423,138 for construction services for the Traffic Signal Replacement Project at Ridgeway Ave/Lee Road/Latona Road in the Town of Greece.

The traffic signal is County owned and operates the intersection of Ridgeway Avenue, Lee Road, and Latona Road. The project involves the full replacement of the traffic signal, including replacement of underground conduit, mast arm signal poles, and installation of video vehicle detection. The current schedule is to order long-lead time items in the summer of 2026 and start work in spring 2027 with an anticipated completion by summer 2027.

Major funding will be provided by County funds in the amount of 100% of the project cost with overall project administration by Monroe County.

The following two (2) bids were received on June 9, 2026:

M.L. Caccamise Electric Corp.	\$423,138.00
Power & Construction Group	\$625,658.55

The bids have been reviewed and M.L. Caccamise Electric Corp. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with M.L. Caccamise Electric Corp., 138 Joseph Avenue, Rochester, New York 14605, in the amount of \$423,138 for construction services for the Traffic Signal Replacement Project at Ridgeway Avenue/Lee Road/Latona Road in the Town of Greece, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

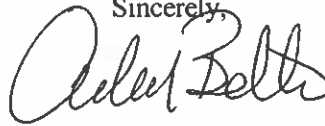

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program, and in any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither M.L. Caccamise Electric Corp., nor its sole principal officer, Michael Caccamise, President, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam J. Bello". The signature is fluid and cursive, with the first name "Adam" being more prominent than the last name "Bello".
