Subject: Authorize Various Appropriation Transfers and Resolution and Subaward Grant Amendments pursuant to the American Rescue Plan Act (ARPA)

Honorable Legislators:

I recommend that Your Honorable Body authorize American Rescue Plan Act ("ARPA") appropriation transfers and the amendment of various resolutions and subaward and interagency grant agreements for terms to terminate on or before the December 31, 2026 expenditure deadline for all ARPA funds.

As Your Honorable Body is aware, Monroe County received \$144,080,127 in State and Local Fiscal Recovery Funds through ARPA. Your Honorable Body previously allocated ARPA funds for a number of projects, including but not limited to grant awards pursuant to Resolutions 342 of 2022, 380 of 2023, 232 of 2024, 38 of 2026, and 44 of 2026.

ARPA requires that Monroe County expend all grant dollars by December 31, 2026, and that any unspent grant dollars be returned to the U.S. Department of the Treasury. The following recipients/subrecipients of ARPA funds have determined that they will be unable to spend and be reimbursed for all allocated grant funding prior to the December 31, 2026 expenditure deadline, and have agreed to a reduction of the maximum amount of their grant agreements or awards in order to make such funding available to other subrecipients in our community: Pittsford Volunteer Ambulance, Inc., L. Woerner, Inc., Monroe County Department of Public Health (Maternal Health), and Monroe Community Hospital.

I recommend that Your Honorable Body authorize appropriation transfers totaling \$2,631,441 and the amendment of ARPA subaward grant agreements as follows:

- a. Pittsford Volunteer Ambulance, Inc., from an amount not to exceed \$3,371,024.90 to an amount not to exceed \$2,271,025;
- b. L. Woerner, Inc., from an amount not to exceed \$703,592 to an amount not to exceed \$643,277;
- c. Monroe County Department of Public Health (Maternal Health) from an amount not to exceed \$4,000,000 to an amount not to exceed \$3,915,651; and
- d. Monroe Community Hospital from an amount not to exceed \$3,624,000 to an amount not to exceed \$2,237,223.

I recommend appropriation transfers of such funds to the following agencies: \$1,687,918 to Finger Lakes Provider System, Inc. ("FLPPS") for the Complex Care Program, \$808,152 to the University of Rochester Medical Center for the Enhanced Access to Behavioral Health and Medical Care Program ("EACH") at the Rochester City School District ("RCSD"), and \$135,371 to Trillium Health, Inc. for Project Access.

The FLPPS Complex Care Program, known as the Transformational Community Care Coordination Program ("TC3") has demonstrated meaningful success in improving transitions from in-patient hospital settings to skilled nursing facilities for medically complex and difficult to place patients. The proposed ARPA funding will permit FLPPS to place additional hard-to-place patients who no longer need acute, in-patient levels of care into skilled nursing facilities in Monroe County.

The University of Rochester Medical Center will expand its EACH initiative, including provision of telehealth to charter schools and expanding mental health clinics to an additional eight RCSD schools. Expanded services will also include on-site evaluations for autism and other disabilities for RCSD students, enhancing access to care and collaborative treatment planning with educational and medical teams, and staff training on trauma-informed approaches to teaching students with disabilities. The University of Rochester Medical Center is expected to serve an additional 8,000 children and their families with additional ARPA funding.

Trillium will use additional ARPA funds to support infrastructure upgrades and supplies that will reduce barriers to care and increase access to food services in Monroe County. Funds will be utilized to enhance food pantry operations and case management areas at the MOCHA Center, Science Parkway, and Jefferson Avenue Clinic. Trillium will also focus additional ARPA funding on bulk and specialty food purchases to support an increased demand for emergency food assistance.

The specific legislative actions required are:

1. Authorize an appropriation transfer of \$1,386,777 from Monroe Community Hospital, general fund 9301, fund center 6201010000, Administration to the Department of Finance, general fund 9301, fund center 1403930104, ARPA Health & Welfare.

Subject: Amend the 2026-2031 Capital Improvement Program, 2026 Capital Budget, and Bond Resolution 381 of 2025 to Expand the Scope of and Increase Funding for the Project Entitled "Solid Waste Heavy Equipment"

Honorable Legislators:

I recommend that Your Honorable Body amend the 2026–2031 Capital Improvement Program and the 2026 Capital Budget to expand the scope of and increase funding for the project entitled "Solid Waste Heavy Equipment" by \$650,000, from \$1,500,000 to \$2,150,000 and amend Bond Resolution 381 of 2025 to expand the scope and increase financing for the project by \$650,000.

On May 8, 2026, the County's compost turner was destroyed in an equipment fire and has been deemed a total loss. The compost turner is essential for the proper and efficient operation of the County's compost sites, which the County is obligated to manage under an intermunicipal agreement with the City of Rochester, as authorized by Your Honorable Body by Resolution 261 of 2015, and a lease agreement with Waste Management of New York, as authorized by Your Honorable Body as Local Law 1 of 2002, as amended. Replacement of this equipment is therefore both urgent and operationally critical. The estimated cost of a new compost turner is \$650,000.

Your Honorable Body, through Bond Resolution 381 of 2025, authorized financing for the purchase of Solid Waste heavy equipment in the amount of \$1,500,000. The identified need to expand the scope of the purchase of heavy equipment for Solid Waste results in the need to increase the total bonding authorization for the project in the amount of \$650,000, from \$1,500,000 to \$2,150,000.

The specific legislative actions required are:

1. Amend the 2026–2031 Capital Improvement Program to expand the scope of the project entitled "Solid Waste Heavy Equipment" from \$1,500,000 to \$2,150,000, for a total project authorization of \$2,150,000.
2. Amend the 2026 Capital Budget to increase funding for the project entitled "Solid Waste Heavy Equipment" by \$650,000, from \$1,500,000 to \$2,150,000, for a total project authorization of \$2,150,000.

3. Amend Bond Resolution 381 of 2025 to increase financing for the “Solid Waste Heavy Equipment” project, by \$650,000, from \$1,500,000 to \$2,150,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 2151 once the additional funding authorization requested herein is approved, and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Honorable Legislators:

I recommend that Your Honorable Body amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to expand the scope of and increase funding for the project entitled "Solid Waste Heavy Equipment" by \$650,000, from \$1,500,000 to \$2,150,000 and amend Bond Resolution 381 of 2025 to expand the scope and increase financing for the project by \$650,000.

The compost turner is essential for the proper and efficient operation of the County's compost sites, which the County is obligated to manage under an intermunicipal agreement with the City of Rochester, as authorized by Your Honorable Body by Resolution 261 of 2015, and a lease agreement with Waste Management of New York, as authorized by Your Honorable Body as Local Law 1 of 2002, as amended. Replacement of this equipment is therefore both urgent and operationally critical. The estimated cost of a new compost turner is \$650,000.

Your Honorable Body, through Bond Resolution 381 of 2025, authorized financing for the purchase of Solid Waste heavy equipment in the amount of \$1,500,000. The identified need to expand the scope of the purchase of heavy equipment for Solid Waste results in the need to increase the total bonding authorization for the project in the amount of \$650,000, from \$1,500,000 to \$2,150,000.

The specific legislative actions required are:

1. Amend the 2026-2031 Capital Improvement Program to expand the scope of the project entitled "Solid Waste Heavy Equipment" from \$1,500,000 to \$2,150,000, for a total project authorization of \$2,150,000.
2. Amend the 2026 Capital Budget to increase funding for the project entitled "Solid Waste Heavy Equipment" by \$650,000, from \$1,500,000 to \$2,150,000, for a total project authorization of \$2,150,000.

3. Amend Bond Resolution 381 of 2025 to increase financing for the "Solid Waste Heavy Equipment" project, by \$650,000, from \$1,500,000 to \$2,150,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 2151 once the additional funding authorization requested herein is approved, and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
