RE: Memorializing the United States Congress to Pass the PHASE Act of 2025

Honorable Legislators:

Every day, pedestrians and vulnerable road users, including cyclists and individuals with disabilities, face significant risks on our streets. Despite ongoing efforts to improve traffic safety and prevent pedestrian fatalities, injuries continue to rise, posing a grave public health concern. Protecting these road users from traffic incidents is not only a matter of safety but also of equity and community well-being.

H.R. 4904: The PHASE Act of 2025, addresses this critical issue by directing key federal agencies to develop innovative, physical solutions designed to safeguard pedestrians and other vulnerable road users. This bill tasks the National Institute of Standards and Technology (NIST) with identifying new technologies to improve traffic control devices to help vehicle operators, including bicyclists, avoid accidents without causing distraction or cognitive overload.

Additionally, the act mandates a comprehensive study by the Department of Transportation to analyze urban areas experiencing rising pedestrian fatalities, assess potential physical infrastructure improvements, and evaluate the effectiveness of intelligent safety systems such as blind spot detection and speed control technologies.

Moreover, the PHASE Act establishes a grant program to support local municipalities in implementing proven infrastructure enhancements. These improvements include safer crosswalks, expanded pedestrian facilities, enhanced lighting and signage, accessible sidewalks and curb ramps, and other measures that comply with federal safety and disability standards.

By investing in research, technology, and community-level infrastructure improvements, this legislation aims to significantly reduce vehicle and pedestrian accidents and fatalities, creating safer and more accessible streets for everyone.

We strongly urge members of Congress to pass the PHASE Act of 2025 and encourage the President to sign this bill into law to help protect the lives of road users across our nation.

RE: Memorializing the United States Congress to Pass the CANADA Act

Honorable Legislators:

Small businesses are the cornerstone of Monroe County's economy, driving innovation, creating jobs, and enriching our local communities. Monroe County is home to over 17,000 small business establishments. These enterprises are vital to the economic fabric of our region, providing employment and services integral to our daily lives.

However, the tariffs enacted under the national emergency declared on February 1, 2025, have imposed significant challenges on small businesses which rely on imported goods. These additional costs threaten their competitiveness and financial stability, particularly for those operating on tight margins.

H.R. 4899, the Creating Access to Necessary American-Canadian Duty Adjustments Act (CANADA Act), proposes a critical exemption from these emergency tariffs for goods imported by or for small businesses. This exemption is essential to ensure our local enterprises can maintain affordable pricing, continue to serve their customers effectively, and contribute to the economic vitality of Monroe County.

By providing targeted relief, the CANADA Act acknowledges the unique challenges faced by small businesses and supports their resilience and recovery during times of national emergency.

We urge Congress and the President to swiftly to pass this legislation, safeguarding the interests of our small business community and fostering a more equitable economic environment for all.

Subject: Memorializing the New York State Legislature to Pass and Governor Kathy Hochul to Sign State Senate Bill S07495, and State Assembly Bills A05444, A8542, and A02698 to Expand Awareness and Increase Access to Menopausal and Perimenopausal Care

Honorable Legislators:

Despite affecting millions of women each year, menopause and perimenopause remain widely misunderstood and under-addressed in both clinical practice and the workplace. These natural transitions often occur over the course of a decade or more and can include symptoms such as hot flashes, memory loss, urinary problems, sleep disturbances, depression, and anxiety. Left unmanaged, these symptoms reduce quality of life and daily functioning, forcing many women to reduce their work hours or leave the workforce entirely. The resulting economic loss has been estimated at \$1.8 billion annually in the United States and contributes to inequities in earnings, career advancement, and retirement security.

The United States Department of Health and Human Services has noted that menopause can increase the risk of osteoporosis, heart disease, and stroke. Yet medical research and education remain insufficient. Surveys show that only about 30 percent of obstetrics and gynecology residency programs include a menopause curriculum, leaving many physicians underprepared to treat patients during this stage of life. This lack of knowledge affects patient care, leading to untreated or mismanaged symptoms and worsening long-term outcomes.

Senate Bill S07495 and Assembly Bill A02698 would enact the Menopause Awareness Improvement Act, creating by July 2027 a statewide menopause education program in partnership with clinical practitioners and nonprofit organizations. This program would provide educational materials, public service announcements, and interactive outreach to raise awareness among women, clinicians, and the broader public. It would also promote accurate, evidence-based information on hormone replacement therapy, including its uses, risks, benefits, and clinical guidelines. These measures will help empower women with knowledge while building a more supportive culture in both daily life and the workplace.

Assembly Bill A8542 further addresses the education gap by directing the Department of Health to develop training guidelines in menopausal health for physicians and medical trainees. If training is found inadequate, the DOH may require physicians to complete state-approved menopause health training every four years, with exemptions allowed only when appropriate. Grants may also be provided to expand clinical programs and develop best practices for diagnosis and treatment. By better equipping healthcare providers, this legislation ensures that New York's medical community has the tools to properly diagnose, manage, and treat menopausal symptoms.

Finally, Assembly Bill A05444 amends state insurance law to require coverage for perimenopausal and menopausal care. This provision guarantees that women will have meaningful access to treatment, reducing financial barriers that often prevent patients from seeking care. Expanded insurance coverage will allow more women to manage their symptoms effectively, alleviating personal hardship and strengthening workforce participation.

Therefore, I urge you to join me in calling upon the New York State Legislature to pass, and Governor Kathy Hochul to sign, Senate Bill S07495 and Assembly Bills A05444, A8542, and A02698. By enacting these measures, New York will expand awareness, improve access to treatment, and ensure that women receive the care, education, and support they deserve.

Memorializing Resolution	-L

Re: Memorializing Governor Kathy Hochul and the New York State Legislature to Repeal the Climate Leadership and Community Protection Act (CLCPA) and Declare an Energy State of Emergency

Honorable Legislators:

In 2019, New York State adopted the Climate Leadership and Community Protection Act in order to reduce greenhouse gas emissions and construct renewable energy sources to achieve 100% zero-emission energy by 2040. Since it has been enacted, the Climate Leadership and Community Protection Act has done nothing more than increase the demand on our energy grid, while placing the onus of Albany's disastrous policies onto taxpaying New Yorkers already struggling to stay afloat. Due to this, the Governor herself has admitted that New York State cannot complete the objectives of the CLCPA without hurting our taxpayers.

If the Climate Leadership and Community Protection Act remains, New Yorkers will continue to bear the brunt of Albany's mistake. Our State will continue to see the rise in energy bills and more, devastating residents, farms, industries, businesses, and school districts without assistance from the government to comply with these mandates. Due to these mandates, New York holds one of the highest rates for residential and commercial electricity use in the country. In June 2025, New York's residential rate was 26.53 cents per kWh, while Pennsylvania's residential rate was only 19.7 cents per kWh. New York State's history regarding residential energy rates has been shown to be relatively stable, with a slow rate increase from 14 cents/kWh to 17 cents/kWh in the early 2000s. Following large fluctuations from the fallout of the 2008 financial crisis, energy rates stabilized in the 17-19 cent range from 2015 to around 2020. However, once the CLCPA was announced, rates sharply rose in order to maintain Albany's clean-energy programs and infrastructure upgrades.

New Yorkers deserve better from their government. Our residents deserve to have their choice of reliable and efficient energy that is accessible and affordable. Through the Climate Leadership and Community Protection Act, New York residents and businesses have been forced to pay out of pocket for Albany's unrealistic and unfunded mandates. These mandates dictate what

Albany thinks is best for New Yorkers, without taking into account the economic reality of the state or what is truly best for our residents. The CLCPA promised our residents energy efficiency couples with lower costs – instead, our residents have received skyrocketing energy costs, failing energy grids, forced electric vehicles and buses, and the erasure of viable agricultural farmland for costly and inefficient solar and wind projects.

Please join us in calling upon Governor Kathy Hochul and the New York State Legislature to repeal the Climate Leadership and Community Protection Act. These mandates have produced nothing more than an increased strain on our local economies, residents and businesses' finances without clear guidelines or impact analysis on New Yorkers.

Subject: Memorializing the New York State Legislature and Governor Kathy Hochul to Pass and Sign Bill A1130-A, “Establishes the Statewide Group Home Families Working Group”

Honorable Legislators:

New York State has long recognized the importance of protecting the rights and well-being of individuals residing in group homes. These facilities provide essential housing and support services for people with disabilities, mental health conditions, and other needs. Ensuring that residents are aware of their rights and have access to advocacy services is a critical step in maintaining a safe and supportive living environment.

Bill A1130-A would require group home providers to prominently display and distribute information about advocacy organizations and other available resources. By making this information readily accessible, the bill seeks to empower residents to seek assistance, report concerns, and advocate for their own well-being. This measure would help ensure that all residents, regardless of their circumstances, have the knowledge they need to make informed decisions about their care.

Many individuals in these settings may not be aware of the services available to them or may face barriers in accessing assistance. By requiring providers to proactively share this information, the bill promotes transparency and accountability within the system. Making advocacy resources visible and available ensures that residents have a clear pathway to seek help when needed.

Ensuring that group home residents have access to advocacy services is not just a matter of policy but a fundamental issue of fairness and dignity. People living in these settings deserve to be fully informed about their rights and the support available to them. Strengthening these protections aligns with the broader goal of fostering a system that prioritizes the well-being of all individuals.

Therefore, I ask that you join me in calling on the New York State Legislature to pass and Governor Kathy Hochul to sign Bill A1130-A, "Establishes the Statewide Group Home Families Working Group." By passing this legislation, the State will take an important step toward safeguarding the rights of group home residents and ensuring that they receive the support and resources they need.

Rochester, New York 14614

Subject: Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Acceptance of a Restore New York Grant from Empire State Development Corporation for the City Gate Project

Honorable Legislators:

I recommend that Your Honorable Body determine whether the Acceptance of a Restore New York Grant from Empire State Development Corporation for the City Gate Project (the "Project") may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

This project involves the demolition of the former Monroe County Division of Pure Waters ("MCDPW") Services building, and site improvements to the former Iola Power Station, as part of the ongoing City Gate development in the City of Rochester. This will include the restoration and renovation of the 16,718 square foot former Iola Power Station at the 2.23-acre site located at 422 East Henrietta Road in the City of Rochester and the demolition of a 50,675 square foot vacant building at the 11.74-acre site location at 460 East Henrietta Road in the City of Rochester. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The Action has been preliminarily classified as a Type I action. Notices of Intent for Monroe County to serve as Lead Agency for the purposes of undergoing a coordinated review and Part 1 of the Full Environmental Assessment Form were sent to all involved agencies on August 15, 2025.

In addition to the demolition of the MCDPW Services building and site improvements to the former Iola Power Station, this project will prepare the site for future phases of development at City Gate.

To the extent consideration of the Project without also reviewing the future development of City Gate constitutes segmentation, segmentation is warranted under these circumstances pursuant to 6 NYCRR § 617.3(g)(1). First, the Project is functionally independent from the future development of City Gate. This Project is necessary to demolish the former MCDPW Services building and stabilize the Iola Power Station regardless of future developments and construction at City Gate. Second, the information on the future development at City Gate is still speculative and may change or not occur. Lastly, if additional development at City Gate is constructed, it will likely exceed the thresholds of 6 NYCRR § 617.4 and therefore will be reviewed as a Type I action. Reviewing the potential impacts of the Project separately from the full environmental assessment review and, if necessary, environmental impact statement for the future City Gate development will be no less protective of the environment.

The specific legislative actions required are:

1. Determine that the Action is a Type I action.
2. Designate Monroe County to serve as Lead Agency pursuant to a coordinated review.
3. Determine that, to the extent consideration of the Project without also reviewing the future City Gate development constitutes segmentation, segmentation is warranted under these circumstances pursuant to 6 NYCRR § 617.3(g)(1) for the following reasons:
 - a. The Project is functionally independent from the future development of City Gate. This Project is necessary to demolish the former Monroe County Division of Pure Waters (MCDPW) Services building and stabilize the Iola Power Station regardless of future developments and construction at City Gate;
 - b. Information on the future phases of City Gate development is speculative and may not occur; and
 - c. The City Gate development is currently expected to exceed the thresholds of 6 NYCRR § 617.4 and therefore will be reviewed as a Type I action. Reviewing the potential impacts of the Project separately from the full environmental assessment and, if necessary, environmental impact statement for the City Gate development will be no less protective of the environment.
4. Make a determination of significance regarding the Action pursuant to 6 NYCRR § 617.7.
5. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This determination will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

- If Yes:
- Describe extensions or capacity expansions proposed to serve this project: _____

iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? ☐ Yes ☒ No

If Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- What is the receiving water for the wastewater discharge? _____

v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge or describe subsurface disposal plans):

vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____

e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? ☒ Yes ☐ No

If Yes:

i. How much impervious surface will the project create in relation to total size of project parcel?

_____ Square feet or 1.03 acres (impervious surface)

_____ Square feet or 11.75 acres (parcel size)

ii. Describe types of new point sources. Building and parking improvements

iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)?

On-site, stormwater management facility, off-site surface water

- If to surface waters, identify receiving water bodies or wetlands: _____

Erie Canal

- Will stormwater runoff flow to adjacent properties? ☒ Yes ☐ No

iv. Does the proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? ☐ Yes ☒ No

f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? ☒ Yes ☐ No

If Yes, identify:

i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles)

Construction equipment and delivery vehicles

ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers)

iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation)

Monroe County power generation

g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? ☐ Yes ☒ No

If Yes:

i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) ☐ Yes ☒ No

ii. In addition to emissions as calculated in the application, the project will generate:

- _____ Tons/year (short tons) of Carbon Dioxide (CO₂)
- _____ Tons/year (short tons) of Nitrous Oxide (N₂O)
- _____ Tons/year (short tons) of Perfluorocarbons (PFCs)
- _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆)
- _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs)
- _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs)

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? ☐ Yes ☒ No

If Yes:

i. Estimate methane generation in tons/year (metric): _____

ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____

i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? ☐ Yes ☒ No

If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____

j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? ☐ Yes ☒ No

If Yes:

i. When is the peak traffic expected (Check all that apply): ☐ Morning ☐ Evening ☐ Weekend
☐ Randomly between hours of _____ to _____.

ii. For commercial activities only, projected number of truck trips/day and type (e.g., semi trailers and dump trucks): _____

iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____

iv. Does the proposed action include any shared use parking? ☐ Yes ☒ No

v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____

vi. Are public/private transportation service(s) or facilities available within ½ mile of the proposed site? ☒ Yes ☐ No

vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? ☒ Yes ☐ No

viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? ☒ Yes ☐ No

k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? ☒ Yes ☐ No

If Yes:

i. Estimate annual electricity demand during operation of the proposed action: _____
6.8 KWH/Yr

ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): _____
Local utility / Grid

iii. Will the proposed action require a new, or an upgrade, to an existing substation? ☐ Yes ☒ No

l. Hours of operation. Answer all items which apply.

i. During Construction:

- Monday - Friday: _____ 6am - 6pm
- Saturday: _____ N/A
- Sunday: _____ N/A
- Holidays: _____ N/A

ii. During Operations:

- Monday - Friday: _____ 24 hrs
- Saturday: _____ 24 hrs
- Sunday: _____ 24 hrs
- Holidays: _____ 24 hrs

<p>m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes:</p> <p>i. Provide details including sources, time of day and duration: <u>Noise will increase during construction.</u></p>	
<p>ii. Will the proposed action remove existing natural barriers that could act as a noise barrier or screen? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>Describe: _____</p>	
<p>n. Will the proposed action have outdoor lighting? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes:</p> <p>i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures: <u>Consistent with existing lights, 16-30' height</u></p>	
<p>ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>Describe: _____</p>	
<p>o. Does the proposed action have the potential to produce odors for more than one hour per day? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____</p>	
<p>p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Product(s) to be stored _____</p> <p>ii. Volume(s) _____ per unit time _____ (e.g., month, year)</p> <p>iii. Generally, describe the proposed storage facilities: _____</p>	
<p>q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe proposed treatment(s): <u>Normal lawn maintenance, pest control</u></p>	
<p>ii. Will the proposed action use Integrated Pest Management Practices? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p>	
<p>r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe any solid waste(s) to be generated during construction or operation of the facility:</p> <ul style="list-style-type: none"> • Construction: _____ 100 tons per _____ year (unit of time) • Operation : _____ 892 tons per _____ year (unit of time) <p>ii. s. Does the proposed action include construction or modification of a solid waste management facility? ☐ Yes ☒ No

If Yes:

i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____

ii. Anticipated rate of disposal/processing:

- _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
- _____ Tons/hour, if combustion or thermal treatment

iii. If landfill, anticipated site life: _____ years

t. Will the proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? ☐ Yes ☒ No

If Yes:

i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____

ii. Generally describe processes or activities involving hazardous wastes or constituents: _____

iii. Specify amount to be handled or generated _____ tons/month

iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? ☐ Yes ☒ No

If Yes: provide name and location of facility: _____

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility: _____

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

- ☐ Urban ☒ Industrial ☒ Commercial ☒ Residential (suburban) ☐ Rural (non-farm)
- ☐ Forest ☐ Agriculture ☐ Aquatic ☐ Other (specify): _____

ii. If mix of uses, generally describe: _____

b. Land uses and covertypes on the project site.

Land use or Covertype	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces	5.0	3.5	-1.5
• Forested			
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)			
• Agricultural (includes active orchards, field, greenhouse etc.)			
• Surface water features (lakes, ponds, streams, rivers, etc.)			
• Wetlands (freshwater or tidal)			
• Non-vegetated (bare rock, earth or fill)			
• Other Describe: _____

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of a Restore New York Grant from Empire State Development Corporation for the City Gate Project and Authorize Entering into a Grant Agreement, with All Accompanying Grant Documents, with Streamline Real Estate Partners, LLC, or a Subsidiary Thereof

Honorable Legislators:

I recommend that Your Honorable Body accept a Restore New York grant from Empire State Development Corporation in the amount of \$1,500,000 for the City Gate Project and authorize a grant agreement, with all accompanying grant documents, with Streamline Real Estate Partners, LLC or a subsidiary thereof, to utilize grant funds to reimburse for City Gate Project costs in an amount up to \$1,500,000.

The purpose of this grant is to enable the County to provide funding for a portion of the City Gate Project, which includes restoration of the 16,718 square foot former Iola Power Station at the 2.23 acre site located at 422 East Henrietta Road in the City of Rochester and demolition of a 50,675 square foot vacant building at the 11.74 acre site located at 460 East Henrietta Road in the City of Rochester. The remaining project costs of \$13,734,351 will be funded through equity and bank financing.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$1,500,000 Restore New York grant from, and to execute a contract and any amendments thereto with, Empire State Development Corporation for the City Gate Project.
2. Authorize the County Executive, or his designee, to enter into a grant agreement, with all accompanying grant documents, and any amendments thereto, with Streamline Real Estate Partners, LLC, or a subsidiary thereof, to utilize grant funds to reimburse for City Gate Project costs in an amount up to \$1,500,000.

3. Amend the 2025 operating budget of the Department of Planning and Development by appropriating the sum of \$1,500,000 into general fund 9300, funds center 1401010000, Planning Administration.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This grant is 100% funded by Empire State Development Corporation. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Amend Resolution 232 of 2024 Pursuant to the American Rescue Plan Act (ARPA)

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 232 of 2024 to increase funding for an intermunicipal agreement with the City of Rochester for the City of Rochester/First Genesis Single-Family Homes project from an amount not to exceed \$1,000,000 to an amount not to exceed \$1,862,461 pursuant to the American Rescue Plan Act ("ARPA").

As Your Honorable Body is aware, Monroe County received \$144,080,127 in State and Local Fiscal Recovery Funds through ARPA. Your Honorable Body previously allocated ARPA funds for a number of projects, including but not limited to a series of grant awards pursuant to Resolution 232 of 2024.

These critical dollars will provide additional funding for the City of Rochester/First Genesis Single-Family Homes project to construct twenty-two (22) single-family homes in the Upper Falls neighborhood by Rochester Management Inc. (developer) and First Genesis Baptist Church (sponsor). The single-family homes will be sold to qualifying residents upon completion.

The specific legislative actions required are:

1. Amend Resolution 232 of 2024 to increase funding for the intermunicipal agreement with the City of Rochester for the City of Rochester/First Genesis Single-Family Homes project from an amount not to exceed \$1,000,000 to an amount not to exceed \$1,862,461 for a term to commence on or after October 15, 2025 and to terminate on or before December 31, 2026.

2. Authorize the County Executive to appropriate any subsequent years of these funds, any returned contractor funds, or any deferred revenue, in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

This action is an Unlisted Action under the New York State Environmental Quality Review Act ("SEQRA"). Pursuant to Resolution 227 of 2024, the Monroe County Legislature issued a Negative Declaration for this action. No further action under SEQRA is required.

Funding for this intermunicipal agreement is available in the Department of Finance, general fund 9301, funds center 1403930104, ARPA – Health & Welfare. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Authorize an Intermunicipal Agreement with the City of Rochester to Accept Reimbursement for Water Usage at Durand Eastman Park

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester to accept reimbursement in the amount of \$11,600 related to water usage at Durand Eastman Park.

This reimbursement serves to true up past payments between the City of Rochester, the Seabreeze Water District and Monroe County related to water usage at Durand Eastman Park. It is anticipated that, following a reconfiguring of the relationship and billing process between the three entities, no further such reimbursement will be required in the future. The funds received will be applied toward water bills incurred by the Department of Parks.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the City of Rochester to accept reimbursement in the amount of \$11,600 related to water usage at Durand Eastman Park.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from Health Research, Inc. for the Public Health Emergency Preparedness Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from Health Research, Inc. in the amount of \$1,299,494 for the Public Health Emergency Preparedness Program for the period of July 1, 2025 through June 30, 2026.

The purpose of this grant is to assist local health departments to develop emergency-ready public health departments in accordance with the National Preparedness Goals and the Centers for Disease Control and Prevention Preparedness Goals. Program objectives are: continued post COVID-19 planning updates, enhanced public health emergency preparedness including training, planning, equipment acquisition and response readiness; enhanced point of dispensing clinic readiness to include bioterrorism response (e.g. anthrax); expansion of a volunteer medical reserve corps; enhanced communicable disease planning (e.g. COVID-19, pandemic influenza); and enhanced disease surveillance. An additional \$1,000,000 in restricted New York State Department of Health emergency placeholder funding is included in the grant. This funding could be made available in the event an actual public health emergency occurs during the grant period. This will be the twenty-fourth year the County has received this grant. If the \$1,000,000 in restricted New York State Department of Health emergency placeholder funding is received, this year's funding represents the same amount as last year's.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$1,299,494 grant from, and to execute a contract and any amendments thereto with, Health Research, Inc. for the Public Health Emergency Preparedness Program for the period of July 1, 2025 through June 30, 2026.
2. Amend the 2025 operating budget of the Department of Public Health by appropriating the sum of \$299,494 into general fund 9300, funds center 5801090000, Public Health Preparedness.
3. Authorize the County Executive, or his designee, to appropriate up to \$1,000,000 in additional restricted New York State Department of Health emergency placeholder funding upon approval by New York State.

4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by Health Research, Inc. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J Bello
Monroe County Executive

Subject: Authorize an Intermunicipal Agreement with Chemung, Livingston, Ontario, Schuyler, Seneca, Steuben, Wayne, and Yates Counties to Provide Public Health Mutual Aid Services in the Event of a Public Health Emergency

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with Chemung, Livingston, Ontario, Schuyler, Seneca, Steuben, Wayne, and Yates Counties to provide public health mutual aid services in the event of a public health emergency for the period of July 1, 2025 through June 30, 2030.

Under the terms of the intermunicipal agreement, the Public Health Departments of the nine (9) counties in the Finger Lakes Region will be authorized to provide public health mutual aid services to each of the signatory counties in the event of a public health emergency. Public health mutual aid services may include, but are not limited to, the following: administering points of dispensing clinics; performing patient triage; dispensing or administering medications; performing health services in population shelters; receiving reports of communicable diseases; interviewing contacts of cases of communicable disease; performing health education; supervising patients in isolation or quarantine; assessing environmental problems; collecting environmental samples or directing environmental remediation activities. This is the third five-year period for this intermunicipal agreement.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Chemung, Livingston, Ontario, Schuyler, Seneca, Steuben, Wayne, and Yates Counties, to provide public health mutual aid services in the event of a public health emergency for the period of July 1, 2025 through June 30, 2030.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This intermunicipal agreement will have no impact on the revenues or expenditures in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize a Contract with Schneider Laboratories Global, Inc. for the Childhood Lead Poisoning Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Schneider Laboratories Global, Inc. in an amount not to exceed \$55,500 for lead analysis and reporting for the Childhood Lead Poisoning Prevention Program for the period of October 1, 2025 through September 30, 2026, with the option to renew for four (4) additional one-year terms, in an amount not to exceed \$55,500 annually.

This contract will support the Childhood Lead Poisoning Prevention Program. Monroe County Department of Public Health Lead Program staff will collect samples of settled dust, soil, paint chips, food, cosmetics, and medicine samples from inspected properties and submit to Schneider Laboratories Global, Inc. to analyze lead content. This EPA approved lead laboratory will provide a written laboratory analysis report and quality control data to Monroe County within specified time frames.

A request for proposals was issued for this contract and Schneider Laboratories Global, Inc. was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Schneider Laboratories Global, Inc., 2512 West Cary Street, Richmond, Virginia 23220, for lead analysis and reporting for the Childhood Lead Poisoning Prevention Program in an amount not to exceed \$55,500 for the period of October 1, 2025 through September 30, 2026, with the option to renew for four (4) additional one-year terms, in an amount not to exceed \$55,500 annually.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2025 operating budget of the Department of Public Health, general fund 9300, funds center 5806110000, Lead Poisoning Prevention. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Schneider Laboratories Global, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Fayez Abouzaki, Chief Executive Officer
Benjamin Woods, General Manager

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize a Contract with Cure Violence Global to Provide a Comprehensive Training Program for Violence Prevention for the Monroe County Department of Public Health

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Cure Violence Global in an amount not to exceed \$350,000 to provide a violence prevention training program for the Monroe County Department of Public Health ("MCDPH") for the period of October 1, 2025 through December 31, 2026.

As Your Honorable Body is aware, Monroe County received \$144,080,127 in State and Local Fiscal Recovery Funds through the American Rescue Plan Act ("ARPA"). Your Honorable Body previously allocated ARPA funds for a number of projects, including but not limited to funds allocated to MCDPH for violence prevention initiatives.

As part of MCDPH's violence prevention ARPA programs, a request for proposals was issued for violence prevention training. Cure Violence Global was selected as the most qualified to provide these services. Cure Violence Global uses a rigorous, data-driven approach that aims to reduce violence using disease control and behavior change methods. Its approach, which is based on the understanding that violence is a health issue and that individuals and communities are capable of change, has been used successfully in numerous cities in the United States and worldwide. This contract will provide Monroe County with their expert guidance in developing a community training program that will be an adjunct to existing efforts in our community.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Cure Violence Global, 100 N. LaSalle Street, Suite 1800, Chicago, Illinois 60612, to provide a violence prevention training program for the Monroe County Department of Public Health in an amount not to exceed \$350,000 for the period of October 1, 2025 through December 31, 2026.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2025 operating budget of the Department of Public Health, general fund 9301, funds center 5809010000, Epidemiology & Disease Control, and will be requested in future years’ budgets. No additional net County support is required in the current Monroe County budget.

Cure Violence Global is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize Contracts with the Center for Youth Services, Inc. and with Coordinated Care Services, Inc. (CCSI), as the Fiduciary Agent for Rise Up Rochester, to Provide Violence Prevention Services the Monroe County Department of Public Health

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts to provide violence prevention services for the Monroe County Department of Public Health ("MCDPH") with the Center for Youth Services, Inc. ("Center for Youth") in an amount not to exceed \$1,192,532, and with Coordinated Care Services, Inc. ("CCSI"), as the fiduciary agent for Rise Up Rochester, in an amount not to exceed \$587,239, each for the period of October 1, 2025 through December 31, 2026.

As Your Honorable Body is aware, Monroe County received \$144,080,127 in State and Local Fiscal Recovery Funds through the American Rescue Plan Act ("ARPA"). Your Honorable Body previously allocated ARPA funds for a number of projects, including but not limited to funds allocated to MCDPH for violence prevention initiatives. As part of DPH's violence prevention ARPA programs, a request for proposals was issued, and the Center for Youth, and CCSI, as the fiduciary agent for Rise Up Rochester, were selected as qualified to receive funding to provide these services.

Center for Youth's Restoring Justice Initiative is a multi-faceted approach to violence prevention using evidence-based prevention curriculum, restorative practices, and positive youth development and intervention methods. The Center for Youth has one of the longest-standing prevention programs in Monroe County. Its Prevention Team focuses on the delivery of evidence-based curriculum. The Restoring Justice Initiative is a comprehensive and interactive approach that links youth to programs, services and supports that most effectively address violence prevention. The initiative will connect identified youth aged 16-21 with a Center for Youth staff member who will monitor and support the youth with a focus on overcoming barriers and challenges that may lead to negative choices, behaviors, and violence.

Rise Up Rochester's Boys2Men program is a mentorship program for adolescent boys and young men to discourage new incidents of gun violence. This program has shown success in significantly reducing gun violence in the first three cohorts of participants. The approach of pairing boys ages 8-19 at high risk of gun violence with community members fosters relationships that contribute to growth opportunities, skill development and academic success resulting in reduction of violence. This work is framed within a public health approach and is supported by research that applies these strategies to changing the underlying social and behavioral norms or environmental conditions that lead to the spread of violence in communities. This program will be integrated with other current work of Rise Up Rochester and coordinated with other community efforts to address violence.

The specific legislative actions required are to:

1. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the Center for Youth Services, Inc., 905 Monroe Avenue, Rochester, New York 14620, to provide the Restoring Justice Initiative for the Monroe County Department of Public Health, in an amount not to exceed \$1,192,532 for the period of October 1, 2025 through December 31, 2026.
2. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Coordinated Care Services, Inc., 1099 Jay Street, Rochester, New York 14611, as the fiduciary agent for Rise Up Rochester, 244 South Plymouth Avenue, Rochester, New York 14608, to provide the Boys2Men program for the Monroe County Department of Public Health, in an amount not to exceed \$587,239 for the period of October 1, 2025 through December 31, 2026.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these contracts is included in the 2025 operating budget of the Department of Public Health, general fund 9301, funds center 5809010000, Epidemiology & Disease Control, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

The Center for Youth Services and Coordinated Care Services, Inc. are each not-for-profit entities, and the records in the Office of the Monroe County Treasury have indicated that neither entity owes any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize Contracts with Equally Balanced Therapy & Wellness PLLC, the University of Rochester Medical Center Mt. Hope Family Center, the University of Rochester Medical Center Public Health Sciences Department, and the United Way of Greater Rochester and the Finger Lakes to Provide Maternal and Child Health Services for the Monroe County Department of Public Health

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts to provide maternal and children health services for the Monroe County Department of Public Health ("MCDPH") with Equally Balanced Therapy & Wellness PLLC in an amount not to exceed \$287,891, the University of Rochester Medical Center ("URMC") Mt. Hope Family Center in an amount not to exceed \$1,789,786, the URMC Public Health Sciences Department in an amount not to exceed \$585,432, and the United Way of Greater Rochester and the Finger Lakes in an amount not to exceed \$1,950,000, each for the period of October 1, 2025 through December 31, 2026.

As Your Honorable Body is aware, Monroe County received \$144,080,127 in State and Local Fiscal Recovery Funds through the American Rescue Plan Act ("ARPA"). Your Honorable Body previously allocated ARPA funds for a number of projects, including but not limited to funds allocated to MCDPH for maternal and child health initiatives. As part of MCDPH's maternal and child health ARPA programs, a request for proposals was issued, and Equally Balanced Therapy & Wellness PLLC, the University of Rochester Medical Center Mt. Hope Family Center, the University of Rochester Medical Center Public Health Sciences Department, and the United Way of Greater Rochester and the Finger Lakes were selected as qualified to receive funding to provide these services.

Equally Balanced Therapy & Wellness PLLC's P.A.M.P.E.R. Mom Program will provide client centered prenatal medical massage and health care interventions to low-income Monroe County moms in their third trimester of pregnancy. A coherent treatment plan will aim to address medical concerns with focus on healthcare disadvantages experienced by those facing socio-economic disparities. The program will provide education and community resources to empower moms in building a team of health care providers to support positive pregnancy and health outcomes, with the aim of addressing community disparities among maternal health by reducing barriers to alternative health care. The P.A.M.P.E.R. Moms Program will collect data evaluating program impacts on labor and delivery as well as satisfaction with the program.

The URMC Mt. Hope Family Center Building Healthy Communities ("BHComm") Program is a Home Visiting program that will enhance coordination among URMC OBGYN, Social Workers, Pediatricians, NICU services, and UR MHFC to improve community referral pathways, ensuring high-quality care and better access for low-income families and people of color in Monroe County. The program will expand upon Mt. Hope Family Center's Building Healthy Children Program; an evidence-based home visiting/therapeutic/service connection model that has been implemented in Monroe County for more than 17 years. The program will also provide coordinated medical and behavioral treatment specifically designed for the postpartum period, as well as enhanced screening, home visits, and service referrals. The BHComm Program will implement a universal, multi-level intervention strategy, promoting policy advocacy for overall community health and sustainability, conducting universal awareness and education, and facilitating identification of at-risk families and in-home assessments.

The URM Public Health Sciences Department Reducing Maternal Mortality: Informed Targeted Universal Intervention through the Mothers and Babies Health Survey 3.0 Program is modeled after the Center for Disease Control and Prevention's well-structured PRAMS (Pregnancy Risk assessment Monitoring System) research, to mitigate maternal and infant morbidity and mortality. From October 2025 through October 2026, birthing individuals in Monroe County will be engaged to share valuable insights about community resources and participate in the survey. The results will not only be returned to the community but also to healthcare providers involved in maternal care, fostering quality improvement initiatives aimed at reducing both maternal, and infant mortality rates, especially in light of the rising challenges observed post-COVID. This effort will enhance education, training, and interventions, ultimately contributing to healthier outcomes for mothers and their infants. Sharing survey results with participants and providers is expected to enhance trust and engagement within, while aiming for a significant reduction in maternal mortality and morbidity rates, particularly addressing disparities among demographics, and utilizing qualitative data analysis to generate actionable insights for the target population for quality improvement.

The United Way of Greater Rochester and the Finger Lakes launched the ROC Family Teleconnects ("RFTC") Program in 2020 during the COVID-19 pandemic, supporting newborns and birthing parents facing isolation and increased challenges after hospital discharge. The program is a collaboration between three major health systems in Monroe County; the University of Rochester/Golisano Children's Hospital, Rochester Regional Health, and the Anthony L. Jordan Health Center. It focuses on improving outcomes for families insured by Medicaid, Medicaid Managed Care, and Child Health Plus, particularly in highly distressed Monroe County ZIP codes to address health inequities and reduce racial disparities while comparing outcomes to Monroe County and New York State benchmarks. The program provides tele-health and in-person home visiting services, with referral to community-based maternal and infant health programs, and connection to local organizations, offering essential support for food, clothing, and shelter. The RFTC program conducts comprehensive family assessments and serves as a bridge to necessary services during the critical transition from birth to six months.

The specific legislative actions required are to:

1. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Equally Balanced Therapy & Wellness PLLC, 945 East Henrietta Road, Suite 4A, Brighton, New York 14623, to provide the P.A.M.P.E.R. Mom Program for the Monroe County Department of Public Health in an amount not to exceed \$287,891 for the period of October 1, 2025 through December 31, 2026.
2. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the University of Rochester Medical Center Mt. Hope Family Center, 187 Edinburgh Street, Rochester, New York 14608, an operating unit of the University of Rochester, 601 Elmwood Avenue, Rochester, New York 14642, to provide the Building Healthy Communities Program for the Monroe County Department of Public Health in an amount not to exceed \$1,789,786 for the period of October 1, 2025 through December 31, 2026.
3. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the University of Rochester Medical Center Public Health Sciences Department, an operating unit of the University of Rochester, 601 Elmwood Avenue, Rochester, New York 14642, to provide the Reducing Maternal Mortality: Informed Targeted Universal Intervention through the Mothers and Babies Health Survey 3.0 Program, for the Monroe County Department of Public Health in an amount not to exceed \$585,432 for the period of October 1, 2025 through December 31, 2026.
4. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the United Way of Greater Rochester and the Finger Lakes, 75 College Avenue, Rochester, New York 14607, to provide the ROC Family TeleConnects Program for the Monroe County Department of Public Health in an amount not to exceed \$1,950,000 for the period of October 1, 2025 through December 31, 2026.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these contracts is included in the 2025 operating budget of the Department of Public Health, general fund 9301, funds center 5803010000, Maternal & Child Health, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Equally Balanced Therapy & Wellness PLLC, nor its Chief Executive Officer, Therica Harris, owe any delinquent Monroe County property taxes. The University of Rochester is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes. The United Way of Greater Rochester and the Finger Lakes is a not-for-profit organization, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of Additional Funding from the New York State Office of Mental Health and the New York State Office of Addiction Services and Supports; Amend Resolution 427 of 2024 as Amended by Resolution 152 of 2025 Authorizing Contracts for the Provision of Mental Health, Developmental Disabilities, and Alcoholism and Substance Abuse Services in 2025 for the Monroe County Office of Mental Health

Honorable Legislators:

I recommend that Your Honorable Body accept additional funding from the New York State Office of Mental Health and the New York State Office of Addiction Services and Supports in the amount of \$247,193; amend Resolution 427 of 2024 as amended by Resolution 152 of 2025 to increase the contracts with the agencies listed in Attachment A from an amount not to exceed \$51,778,778 to an amount not to exceed \$52,025,971 for the provision of mental health, developmental disability, and alcoholism and substance abuse services for Monroe County residents for the period of January 1, 2025 through December 31, 2025. An updated Attachment A is attached reflecting the additional Mental Health, Developmental Disability, and Alcoholism and Substance Abuse Services to be provided through contracts between the County and the vendors selected for the provision of those services.

This additional funding will be used as designated by the New York State Office of Mental Health and the New York State Office of Addiction Services and Supports for program expansions, reallocations, Cost of Living Adjustments (COLA), bed-rate increases, and a contract for crisis transportation services. These service amendments are set forth in Attachment A.

A Request for Proposals was issued for crisis transportation services, and the Mental Health Association of Rochester and Monroe County Incorporated, 274 N. Goodman St., Rochester, NY 14607, was chosen as the most qualified to provide the services.

Please refer to the attached Purchase of Services Information Form for disclosure of information required pursuant to Resolution 223 of 2007, as amended by Resolution 11 of 2008.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to execute a contract and any amendments thereto, to accept funding in the amount of \$247,193 from the New York State Office of Mental Health and the New York State Office of Addiction Services and Supports for the period of January 1, 2025, through December 31, 2025.

2. Amend the 2025 operating budget of the Department of Human Services, Office of Mental Health, by appropriating the sum of \$247,193 into general fund 9001, funds center 5702010000, Mental Health Services.
3. Amend Resolution 427 of 2024 as amended by Resolution 152 of 2025 to authorize the County Executive, or his designee, to execute contracts, and any amendments thereto, with the agencies listed in the updated Attachment A and any other agencies as necessary to provide mental health, developmental disability, and alcoholism and substance abuse services for Monroe County residents from an amount not to exceed \$51,778,778 to an amount not to exceed \$52,025,971 for the period of January 1, 2025 through December 31, 2025.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Office of Mental Health and the New York State Office of Addiction Services and Supports. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Acceptance of a Grant from the New York State Governor's Traffic Safety Committee for the New York State's Highway Safety Program

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Governor's Traffic Safety Committee in the amount of \$13,500 for the New York State's Highway Safety Program for the period of October 1, 2025 through September 30, 2026.

This grant will provide the Sheriff's Office with funds to conduct a comprehensive pedestrian safety education and enforcement program. Targeted traffic enforcement will be based on the areas identified by analysis for high rates of pedestrian/bicycle involved crashes in Monroe County. This grant will pay the cost incurred by the Sheriff's Office for overtime and travel. This is the fifth time the County has received this grant. This year's funding represents the same amount as last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$13,500 grant from, and to execute a contract and any amendments thereto with, the New York State Governor's Traffic Safety Committee for the New York State's Highway Safety Program for the period of October 1, 2025 through September 30, 2026.
2. Amend the 2025 operating budget of the Office of the Sheriff by appropriating the sum of \$13,500 into general fund 9300, funds center 3803010000, Police Bureau Administration.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Governor's Traffic Safety Committee. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Supplemental Aid to Defense Grant from the New York State Division of Criminal Justice Services for the Offices of the Public Defender, the Conflict Defender, and the Assigned Counsel Program

Honorable Legislators:

I recommend that Your Honorable Body accept a supplemental grant from the New York State Division of Criminal Justice Services in the amount of \$1,335,088 for the provision of indigent legal services for the Offices of the Public Defender, the Conflict Defender, and the Assigned Counsel Program for the period of April 1, 2025 through March 31, 2026.

This supplemental grant will provide funding assistance to help offset the cost of public defense services that the County has incurred and will incur during the award period. This is the forty-second year the County has received Aid to Defense funding. This year's supplemental funding represents a decrease of \$125,032 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$1,335,088 supplemental Aid to Defense grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the Offices of the Public Defender, the Conflict Defender and the Assigned Counsel Program for the provision of indigent legal services, for the period of April 1, 2025 through March 31, 2026.
2. Amend the 2025 operating budget of the Office of the Public Defender by appropriating the sum of \$827,754, into general fund 9300, funds center 2601010000, Office of the Public Defender.
3. Amend the 2025 operating budget of the Department of Public Safety by appropriating the sum of \$267,018 into general fund 9300, funds center 2402010000, Conflict Defender.

4. Amend the 2025 operating budget of the Department of Public Safety by appropriating the sum of \$240,316 into general fund 9300, funds center 2402020000, Assigned Counsel Administration.
5. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Subject: Acceptance of a Grant from the New York State Governor's Traffic Safety Committee for the Child Passenger Safety Program (Department of Public Safety)

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Governor's Traffic Safety Committee in the amount of \$19,000 for the Child Passenger Safety Program for the period of October 1, 2025 through September 30, 2026.

This grant will fund the purchase of child safety seats, supplies, and handouts for the Office of Traffic Safety's fitting station. A staff member, through a monthly fitting station, will be responsible for educating and overseeing the installation of child safety seats along with increasing the knowledge of Monroe County residents on the proper use and installation of child safety seats. This will be the twenty first year the County has received this grant. This year's funding represents an increase of \$2,000 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$19,000 grant from, and to execute a contract and any amendments thereto with, the New York State Governor's Traffic Safety Committee for the Child Passenger Safety Program for the period of October 1, 2025 through September 30, 2026.
2. Amend the 2025 operating budget of the Department of Public Safety by appropriating the sum of \$19,000 into general fund 9300, funds center 2405100000, Traffic Safety Program.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Subject: Acceptance of a Grant from the New York State Governor's Traffic Safety Committee for the Highway Safety Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Governor's Traffic Safety Committee in the amount of \$122,500 for the Highway Safety Program for the period of October 1, 2025 through September 30, 2026.

The Highway Safety Program grant provides funding for the Monroe County Office of Traffic Safety to promote public information and community education focusing on: teen safe driving; safe driving by the elderly; motorcycle safety; seat belt safety and child restraint education; bicycle safety; school bus safety; railway crossing safety; aggressive and distracted driving safety; and pedestrian safety. This is the fourteenth year the County has received this grant. This year's funding represents an increase of \$3,800 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$122,500 grant from, and to execute a contract and any amendments thereto with, the New York State Governor's Traffic Safety Committee for the Highway Safety Program for the period of October 1, 2025 through September 30, 2026.
2. Amend the 2025 operating budget of the Department of Public Safety by appropriating the sum of \$122,500 into general fund 9300, funds center 2405100000, Traffic Safety Program.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not included new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the County Reentry Task Force Program and Authorize a Contract with Delphi Drug and Alcohol Council, Inc.

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$795,720 and authorize a contract with Delphi Drug and Alcohol Council, Inc. ("Delphi") in the amount of \$784,500 for the County Reentry Task Force Program for the period of October 1, 2025 through September 30, 2026.

The County Reentry Task Force ("Task Force"), which is co-chaired by the County's Assistant Chief Probation Officer and includes members from over 40 local law enforcement agencies and human services providers, has a goal of reducing recidivism through improved coordination among criminal justice, social services, educational, health, and mental health systems. The Task Force is addressing the following four reintegration issues of parolees: basic education, employment, sobriety support, and housing. This grant will fund a contract with Delphi for a Local Reentry Coordinator and also the provision of services related to these reintegration issues. This is the twentieth year of grant funding for this program. This year's funding represents the same amount as last year.

Delphi is a community-based behavioral health agency serving the Finger Lakes community. Delphi provides a drug and alcohol outpatient program, two domestic violence programs, and case management to clients in specialized courts and Health Home initiatives. With its capacity and experience, Delphi will provide a Local Reentry Coordinator and case managers to facilitate obtaining services for approximately 418 parole re-entry participants. Delphi will also obtain temporary housing for these participants as needed.

A request for qualifications was issued and Delphi Drug and Alcohol Council, Inc. was rated the most qualified to provide this service.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$795,720 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the County Reentry Task Force Program for the period of October 1, 2025 through September 30, 2026.

2. Amend the 2025 operating budget of the Department of Public Safety, Office of Probation and Community Corrections, by appropriating the sum of \$795,720 into general fund 9300, funds center 2403010000, Probation/Community Corrections Administration.
3. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Delphi Drug and Alcohol Council, Inc., 835 West Main Street, Rochester, New York 14611, for coordination and provision of the County Reentry Task Force services in the amount of \$784,500 for the period of October 1, 2025 through September 30, 2026.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not included new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

Delphi Drug and Alcohol Council, Inc. is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Erroneous Assessment - Refund

Honorable Legislators:

I recommend that Your Honorable Body approve the refund and levy of a change of assessment due to an error in essential facts. After a review, this property had an underground water leakage that resulted in an incorrect Town sewer charge. Therefore, this issue resulted in an incorrect County/Town tax bill in the Town of Penfield. See the attached list prepared by the Department of Finance, Real Property Tax Services.

The refund is requested because the incorrect information was used on the tax roll.

The specific legislative action required is approval of the taxpayer's application.

No additional net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Listed below is pertinent information from an application for the refund of property taxes. The Real Property Tax Service Agency has the original application and support material available for review if needed. I am recommending the correction and refund of these Monroe County taxes because the same is erroneous. Listed below is the applicant's name, address, property location, tax year(s), tax account number, refund amount and reason for correction.

Town of Penfield: Tax Account No. 124.18-1-83.1, St. Joseph's Catholic Church & School, 43 Gebhardt Rd, Penfield, NY 14526. Property Location: 35&39 Gebhardt Rd. Tax Year: 2025, Amount of Taxes Currently Due: \$5,456.44. Amount of Corrected Taxes Due: \$1,878.33. Amount of Taxes to be cancelled: \$3,578.11. Due to underground water leak, the property was charged an incorrect Town Sewer charge. This issue resulted in an incorrect usage calculation to be added on the 2025 Town/County tax bill

The necessary procedure to be followed by the Monroe County Legislature regarding this refund is for that body, by resolution, to approve this application, to authorize the Controller to draw an order on the Director of Finance payable from the Erroneous Assessment Account for the heretofore stated sums and to authorize and direct the County Director of Real Property Tax Services to mail a duplicate copy of the approved application to said taxpayer.

Subject: Acceptance of a Grant from the New York State Office of Temporary and Disability Assistance for the Monroe Ladder Demonstration Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Office of Temporary and Disability Assistance ("NYS OTDA") in the amount of \$3,000,000 for the Monroe Ladder Demonstration Program for the period of September 1, 2025, through December 31, 2027.

The NYS OTDA is providing funding for a demonstration program to determine if lower-wage workers may decline promotions or opportunities to transition from part-time to full-time work because of concerns that increases in income will be offset by reductions in public benefits. The Department of Human Services will work with large employers in Monroe County to recruit up to 300 employees who receive public benefits. Participants will be randomly assigned to a group for comparison in outcomes. Participants may receive some or all of the following services/benefits:

- Coaching on how to use a local-based Benefits Calculator to determine any impact of additional hours /higher paying positions on their benefits
- Public benefit replacement of up to \$500 per month
- Financial coaching to create individualized financial self-sufficiency plans
- Access to a flex fund to support specific activities in the individualized self-sufficiency plan

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$3,000,000 grant from, and to execute a contract and any amendments thereto with, the New York State Office of Temporary and Disability Assistance for the Monroe Ladder Demonstration Program for the period of September 1, 2025, through December 31, 2027.
2. Amend the 2025 operating budget of the Department of Human Services, Division of Social Services, by appropriating the sum of \$3,000,000 into general fund 9300, funds center 5103010000, Financial Assistance Administration.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant of 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Office of Temporary and Disability Assistance. No net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
