**RE: Memorializing the New York State Legislature and Governor Kathy Hochul to Pass and Sign Bill S159/A127: The Fair & Timely Parole Act**

Honorable Legislators:

In New York State, thousands of incarcerated individuals work toward rehabilitation with the understanding parole offers a genuine opportunity for release. Yet too often, the current parole system results in repeated denials based largely on the original offense, rather than on demonstrated growth, rehabilitation, and readiness to safely return home.

Over the past decade, New York has seen meaningful declines in its overall prison population, but thousands of individuals remain incarcerated well beyond their minimum sentences. When parole decisions fail to meaningfully weigh evidence of rehabilitation and current risk, the consequences are profound. Families remain separated, communities lose members who are prepared to contribute positively to society, and taxpayers bear the continued and significant cost of incarceration. Most importantly, individuals who have demonstrated accountability and transformation are denied a fair opportunity for release based on their current character.

**S159/A127: The Fair & Timely Parole Act** offers a commonsense and necessary reform. This legislation would amend the Executive Law to ensure discretionary release is granted to eligible individuals unless they demonstrate a current and unreasonable risk of violating the law. The bill requires the Board of Parole to meaningfully consider institutional achievements, rehabilitation, participation in programming and therapeutic services, community support, reentry plans, and other individualized factors. It also mandates detailed, written explanations for parole denials and establishes quarterly public reporting on parole decisions, including demographic data, to promote transparency and accountability.

By shifting the focus of parole determinations to an individual's current risk and readiness for release, the Fair & Timely Parole Act recognizes people are capable of growth and change. It strengthens public safety by requiring individualized assessments rather than categorical denials, and through enhanced transparency, it builds public trust in the integrity of the parole system.

We urge the New York State Legislature to pass S159/A127 and call on Governor Kathy Hochul to sign the Fair & Timely Parole Act into law. By doing so, New York can reaffirm its commitment to rehabilitation, transparency, and a parole system that is both fair and timely.

Respectfully Submitted,

Mercedes Vazquez Simmons

**Re: Urging the United States Congress and President Trump to enact Medicare for All**

Honorable Legislators:

The United States faces a persistent and deeply flawed health insurance system which fails millions of people despite costing more than any other system in the world. Americans pay higher premiums, deductibles, and prescription drug prices than residents of other developed nations, yet experience worse health outcomes and significant gaps in coverage.

These failures are not accidental. They are the predictable result of a fragmented, profit-driven insurance model. Medicare for All offers a comprehensive and practical solution to this crisis by guaranteeing universal coverage, reducing costs, and realigning health care around patient need rather than corporate profit.

At the core of the current crisis is the fact health insurance in the United States is treated as a commodity rather than a public good. Employer-based coverage leaves workers vulnerable to job loss, reduced hours, or changes in employment. Millions remain uninsured or underinsured, meaning they technically have coverage but still cannot afford care due to high deductibles and copayments. Medical debt remains a leading cause of personal bankruptcy, even among those with insurance. Medicare for All would eliminate these gaps by providing comprehensive coverage to every resident, regardless of income, employment status, age, or health condition.

Cost is often cited as the primary objection to Medicare for All, yet the existing system is far more expensive. The United States spends nearly twice as much per capita on health care as other wealthy nations, largely due to administrative waste and inflated prices negotiated by private insurers. A single-payer system would dramatically reduce administrative costs by replacing thousands of private insurance plans with one streamlined public program, while allowing private supplemental plans for services not covered by the public program. In addition, Medicare for All would give the federal government the bargaining power to negotiate fair prices for prescription drugs, medical devices, and services, something private insurers have failed to do effectively.

Beyond economics, Medicare for All would improve public health outcomes. When people delay or avoid care due to cost, conditions worsen and become more expensive to treat later. Universal coverage ensures preventive care, mental health services, and chronic disease management are accessible to everyone. This leads to earlier diagnoses, better long-term outcomes, and a healthier population overall. During public health emergencies, such as pandemics, universal coverage is not just beneficial, it is essential.

Critics argue Medicare for All would limit choice, however, the opposite is true. Under the current system, patients are often restricted to narrow provider networks and must change doctors when they change jobs or insurance plans. Medicare for All would allow patients to choose any licensed provider without worrying about network restrictions or surprise bills. The real loss of choice occurs under private insurance, where financial barriers dictate medical decisions.

Ultimately, Medicare for All represents a moral and practical commitment to the idea health care is a human right. It aligns the United States with other advanced democracies which have proven universal health care systems deliver better outcomes at lower costs. The health insurance crisis is not unsolvable; it persists because incremental fixes have failed to address its structural problems. Medicare for All confronts those problems directly and offers a fair, efficient, and humane path forward.

Therefore, we urge the United States Congress to pass, and the President to sign, the Medicare for All Act.

**Subject: Memorializing the New York State Legislature and Governor Kathy Hochul to Pass and Sign the “Affordable Energy, Not Albany Mandates” Legislative Package**

Honorable Legislators:

New York families, seniors, and small businesses are facing an affordability crisis driven in large part by Albany’s costly and unrealistic energy mandates. Since the enactment of the Climate Leadership and Community Protection Act (CLCPA) in 2019, electricity rates in New York have increased by approximately 58 percent. Today, residential electricity prices in New York are roughly 59 percent higher than the national average and rose another 7.6 percent in the past year alone. At a time when families are already struggling with inflation and rising living costs, Albany’s energy policies are placing even greater strain on household budgets.

The consequences of the CLCPA extend far beyond individual households. Small businesses, manufacturers, farmers, school districts, and local governments across New York are being forced to absorb rising energy costs that ultimately fall on taxpayers and consumers. Despite these growing burdens, the global environmental impact of New York’s policies remains negligible. Estimates indicate that projected emission reductions from the Governor’s climate mandates would represent only a small fraction of global carbon output when compared with the roughly 35 billion metric tons emitted worldwide each year. In short, Albany’s mandates are driving up costs for New Yorkers while delivering little measurable impact on global emissions.

To provide immediate relief to ratepayers and restore accountability to New York’s energy policy, Senate Republicans have proposed a legislative package titled “Affordable Energy, Not Albany Mandates.” This package includes several targeted measures designed to reduce utility costs, increase transparency, and ensure greater legislative oversight of energy mandates.

Among these proposals is Senate Bill 8461, which would return surplus or unspent ratepayer funds from the New York State Energy Research and Development Authority Climate Investment Account, as well as unused funds collected by utilities, directly back to ratepayers as bill credits, potentially reducing utility bills by an estimated \$2 billion. Additional legislation focuses on reducing taxes and hidden charges embedded in utility bills. Senate Bill 8463 would establish a one-

year utility bill tax and surcharge holiday and a two-year green energy tax holiday, acknowledging that government taxes and fees currently account for between 25 and 50 percent of a typical customer's bill. Senate Bill 7075 would eliminate the system benefit charge, while Senate Bill 1031 would require the New York State Public Service Commission and the Office of the State Comptroller to calculate the full cost of CLCPA mandates and establish credits to offset those costs for ratepayers and businesses.

The package also seeks to strengthen transparency and oversight of the state's long-term energy policies. Senate Bill 1414 would require legislative approval before any new fees or charges on gas or electric service can take effect, while Senate Bill 6412, the Ratepayer Disclosure and Transparency Act, would require monthly reporting to the Governor and Legislature detailing the estimated and actual costs of mandated state energy programs, including compliance costs associated with the CLCPA. Finally, Senate Bill 8669 would repeal the CLCPA and replace it with a common-sense energy council, a panel of industry experts charged with developing a more practical and balanced path toward cleaner energy that prioritizes affordability, reliability, and economic stability.

For too long, Albany's one-size-fits-all energy mandates have driven up costs, strained the reliability of our energy grid, and placed an unsustainable burden on working families and local economies including here in Monroe County. Therefore, we urge you to join us in calling upon the New York State Legislature to pass, and Governor Kathy Hochul to sign, the "Affordable Energy, Not Albany Mandates" legislative package to provide meaningful relief for ratepayers, restore accountability to state energy policy, and ensure that affordability and reliability remain central to New York's energy future.

**Subject: Memorializing the New York State Legislature, Governor Kathy Hochul, and the New York State Department of Environmental Conservation to Pause Implementation and Reverse the Freshwater Wetlands Regulations**

Honorable Legislators:

The New York State Association of Counties (NYSAC) has recently called on the New York State Department of Environmental Conservation (DEC) to pause and reconsider the implementation of its revised Freshwater Wetlands Regulations under 6 NYCRR Part 664. These sweeping regulatory changes significantly expand state jurisdiction over wetlands, lower the acreage threshold for regulation, and establish new classifications such as “Wetlands of Unusual Importance.” While intended to strengthen environmental protections, these regulations were advanced without a full evaluation of their practical impacts on counties, municipalities, infrastructure projects, and local economies.

If left unaddressed, these changes could significantly hinder Monroe County’s ability to advance critical infrastructure projects, support agricultural operations, and pursue economic development opportunities. Local governments and taxpayers may face substantial permitting delays, increased project costs, and increased regulatory uncertainty at a time when communities across our region are working to attract investment and create jobs. These regulations also risk undermining major state economic development initiatives such as FAST NY and Restore New York by introducing new barriers and delays to projects that were previously considered shovel-ready. NYSAC and other statewide partners have raised these concerns and urged the DEC to adopt a more measured and collaborative approach before these rules are fully implemented.

To address these concerns, NYSAC has recommended a 12-month pause on implementation of the revised wetlands regulations and the establishment of a working group comprised of representatives from counties, municipalities, agricultural stakeholders, and other affected parties. This working group would conduct a comprehensive economic and operational analysis of the regulations and develop practical recommendations that balance environmental protection with the realities faced by local governments and communities.

Environmental protections must be balanced with the economic realities facing our communities. Policies adopted in Albany should not create unnecessary barriers to infrastructure projects, agricultural operations, or responsible economic development. A temporary pause and stakeholder review would allow the State to ensure these regulations protect wetlands while avoiding unintended consequences for counties, municipalities, and taxpayers across New York.

Therefore, we urge you to join us in calling upon the New York State Legislature, Governor Kathy Hochul, and the New York State Department of Environmental Conservation to suspend implementation of the revised Freshwater Wetlands Regulations under 6 NYCRR Part 664, convene a collaborative working group of state and local stakeholders, and return with a balanced approach that protects New York's wetlands while also supporting responsible development and strong local communities.

**Subject: Memorializing the United States Congress to Pass and President Donald J. Trump to Sign H.R. 4116, the Disability Access to Transportation Act**

Honorable Legislators:

H.R. 4116, also known as the Disability Access to Transportation Act, would strengthen and modernize federal transportation policy to better serve individuals with disabilities. Access to reliable, timely, and accessible transportation is essential to full participation in community life, including employment, education, healthcare, childcare, and civic engagement. Despite the protections guaranteed under the Americans with Disabilities Act of 1990, significant barriers to transportation access persist more than three decades after its enactment.

H.R. 4116 addresses longstanding deficiencies in paratransit services by establishing a one-stop paratransit pilot program within the United States Department of Transportation. Paratransit riders frequently experience excessive pickup windows, long wait times between trips, and limited scheduling flexibility that restrict their ability to complete essential daily tasks. By allowing at least one guaranteed stop during a paratransit trip and encouraging the use of modern technologies such as dynamic routing, real-time tracking, and same-day scheduling, this legislation would significantly improve reliability, dignity, and independence for riders with disabilities.

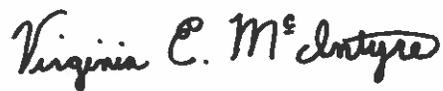

The legislation also advances accessibility in the public right-of-way by requiring the Department of Justice to adopt enforceable standards for pedestrian facilities, including sidewalks and shared-use paths, that align with guidance from the Architectural and Transportation Barriers Compliance Board. Clear and enforceable standards are necessary to ensure that new construction and alterations are truly accessible, rather than inconsistently applied or left to interpretation. Safe and accessible pedestrian infrastructure is a fundamental component of an inclusive transportation system.

In addition, H.R. 4116 strengthens accountability and transparency by expanding the ways individuals can file disability-related transportation complaints and by requiring public transit providers to clearly post complaint information. The bill mandates multiple complaint submission methods, including phone, mail, and online access, and requires annual public reporting on the

handling and resolution of these complaints. These provisions empower riders, improve oversight, and reinforce the federal commitment to eliminating discrimination on the basis of disability.

Finally, the Disability Access to Transportation Act establishes an accessibility data pilot program to support better transportation planning at the state, metropolitan, and rural levels. By providing open-source data that measures access across transportation modes and disaggregates impacts by disability, age, income, and geography, the program would help governments make more informed and equitable infrastructure investments. Therefore, I ask you to join me in urging the United States Congress and President Donald J. Trump to enact H.R. 4116 to take meaningful action to ensure accessible, reliable, and modern transportation for individuals with disabilities.

<b>PUBLIC SAFETY -L</b>

### **Re: Requiring Disclosure to the Legislature of Purchases of Surveillance Technology for the Monroe County Sheriff**

Honorable Legislators:

Technology plays an increasingly important role in supporting public safety and helping law enforcement professionals do their jobs effectively. Modern law enforcement tools often include artificial intelligence, facial recognition and behavioral analysis. These are complex systems capable of monitoring, tracking, and shaping how law enforcement professionals interact with residents.

As surveillance technologies become more powerful — and more expensive — it is important the public and their elected representatives have an understanding how these tools are being deployed by our law enforcement professionals.

This is why we are proposing legislation which would require disclosure to the Legislature of any purchase of surveillance-related technology or software for the Monroe County Sheriff exceeding \$100,000.

This legislation is not anti-law enforcement, anti-technology, or a barrier to innovation. It does not restrict or prohibit the purchase of surveillance tools. It simply ensures surveillance technology purchases over \$100,000 for the Monroe County Sheriff are disclosed to the Legislature, including a description of the technology, its intended use, the vendor, and the funding source.

This is a commonsense transparency measure that protects the public interest and ensures legislative oversight keeps pace with modern technology.

**The specific legislative action required is to adopt a resolution requiring disclosure to the Legislature of purchases of surveillance technology over \$100,000 for the Monroe County Sheriff.**

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;”) and is not subject to further review under the State Environmental Quality Review Act.

Enactment of this resolution will have no impact on the revenues or expenditures of the current Monroe County budget.

Intro No. \_\_\_\_\_

RESOLUTION NO. \_\_\_ OF 2025

**REQUIRING DISCLOSURE TO THE LEGISLATURE OF PURCHASES OF SURVEILLANCE TECHNOLOGY FOR THE MONROE COUNTY SHERIFF**

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The term “surveillance technology” means equipment, software, or systems capable of, or used or designed for, collecting, retaining, processing, or sharing audio, video, location, thermal, biometric, or similar information, that is operated by or at the direction of the Monroe County Sheriff. Surveillance technology does not include: routine office equipment used primarily for departmental administrative purposes, technology used primarily for internal department communication, or cameras installed to monitor and protect the physical integrity of Monroe County infrastructure.

The Monroe County Sheriff shall file quarterly reports with the Clerk of the Legislature that disclose any and all surveillance technology purchases over \$100,000. The reports shall include the following information:

- A description of the capabilities of the surveillance technology and intended use by the Monroe County Sheriff;
- Cost of the surveillance technology and source of funds;
- Name of vendor.

Section 2. The Monroe County Sheriff may withhold any information that, if disclosed, would jeopardize public safety, security, or the integrity of law enforcement operations, or that is otherwise of a sensitive nature. However, any information that is subject to public disclosure under the New York Freedom of Information Law shall not be withheld.

Section 3. The Clerk shall notify the Legislature when reports required by this resolution have been filed by the Monroe County Sheriff. The Clerk must make the reports available electronically or available to review in the Clerk’s Office.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

<b>ENV. &amp; PUB. WORKS-L</b>
<b>WAYS &amp; MEANS</b>

**Subject:** Authorize the Alteration of Sewer Assets, Fiber Facilities, and Appurtenances of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, Rochester Pure Waters District, and Monroe County by the New York State Department of Transportation for State-let Contracts for Calendar Year 2026

Honorable Legislators:

I recommend that Your Honorable Body authorize the alteration of sewer assets, fiber facilities, and appurtenances of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, Rochester Pure Waters District, and Monroe County by the New York State Department of Transportation ("NYSDOT") for State-let Contracts for calendar year 2026.

The NYSDOT undertakes several projects each year that may result in the need to alter sewer assets, fiber facilities, and appurtenances of the various Pure Waters Districts and/or Monroe County. During 2024 and 2025 the NYSDOT had required a project-specific resolution to facilitate this work. For example, Your Honorable Body approved adjustments to Pure Waters assets on NYSDOT's Route 204 From Route 33A to Rochester City Line Project by Resolution 316 of 2024, and on NYSDOT's NY-33A Chili Ave-Erie Canal Bridge Project by Resolution 188 of 2025 for the Rochester Pure Waters District and Resolution 189 of 2025 for the Gates-Chili-Ogden Sewer District.

This authorization will expedite the process of facilitating NYSDOT's projects while ensuring proper protection to the assets of the various Pure Waters Districts and Monroe County. The Director of Environmental Services will review and concur with any and all documentation that may become necessary as a result of any project as it relates to Pure Waters' assets.

**The specific legislative actions are required:**

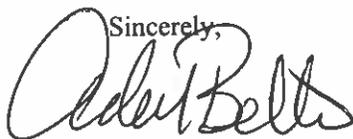

1. Authorize the County Executive, or his designee, to execute a utility work agreement, and any amendments thereto, for the alteration of sewer assets, fiber facilities, and appurtenances of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, Rochester Pure Waters District, and Monroe County by the New York State Department of Transportation for State-let Contracts for calendar year 2026.

2. Incorporate by reference and adopt the attached resolution required by New York State for the alteration of sewer assets, fiber facilities, and appurtenances of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, Rochester Pure Waters District, and Monroe County for State-let Contracts for calendar year 2026.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site;”) and 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;”) and is not subject to further review under the State Environmental Quality Review Act.

This alteration of assets will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

To The Administrative Board of the  
Gates-Chili-Ogden Sewer District  
Irondequoit Bay South Central Pure Waters District  
Northwest Quadrant Pure Waters District  
Rochester Pure Waters District  
407 County Office Building  
Rochester, New York 14614

**Subject:** Authorize the Alteration of Sewer Assets, Fiber Facilities, and Appurtenances of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, and Rochester Pure Waters District by the New York State Department of Transportation for State-let Contracts for Calendar Year 2026

Honorable Legislators:

I recommend that the Administrative Board authorize the alteration of sewer assets, fiber facilities, and appurtenances of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, and Rochester Pure Waters District by the New York State Department of Transportation ("NYSDOT") for State-let Contracts for calendar year 2026.

The NYSDOT undertakes several projects each year that may result in the need to alter sewer assets, fiber facilities, and appurtenances of the various Pure Waters Districts. During 2024 and 2025 the NYSDOT had required a project-specific resolution to facilitate this work. For example, Your Honorable Body approved adjustments to Pure Waters assets on NYSDOT's Route 204 From Route 33A to Rochester City Line Project by Resolution 316 of 2024, and on NYSDOT's NY-33A Chili Ave-Erie Canal Bridge Project by Resolution 188 of 2025 for the Rochester Pure Waters District and Resolution 189 of 2025 for the Gates-Chili-Ogden Sewer District.

This authorization will expedite the process of facilitating NYSDOT's projects while ensuring proper protection to the assets of the various Pure Waters Districts. The Director of Environmental Services will review and concur with any and all documentation that may become necessary as a result of any project as it relates to Pure Waters' assets.

**The specific Administrative Board actions are required:**

1. Authorize the County Executive, or his designee, to execute a utility work agreement, and any amendments thereto, for the alteration of sewer assets, fiber facilities, and appurtenance of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, and Rochester Pure Waters District by the New York State Department of Transportation for State-let Contracts for calendar year 2026.

Resolution # \_\_\_\_\_

WHEREAS, the New York State Department of Transportation proposes the construction, reconstruction, or improvement of sanitary and storm sewers facilities, fiber facilities and related appurtenances approved by the Rochester Pure Waters District, Irondequoit Bay - South Central Pure Waters District, Northwest Quadrant Pure Waters District, Gates-Chili-Ogden Sewer District, and/or Monroe County (collectively "Monroe County Pure Waters") located in Monroe County, and

WHEREAS, pursuant to Section 10, Subdivision 24, of the State Highway Law, the State will include as part of the construction, reconstruction or improvement, a relocation and adjustment to Municipally owned facilities, meeting the requirements of the owner at the expense of the State, shown on contract plans and addressed in an HC-140, having a copy of this Resolution attached; and

WHEREAS, the service life of the relocated and or replaced utilities has not been extended; and

WHEREAS, the Monroe County Pure Waters wishes to enact a single resolution to cover all applicable instances of construction, reconstruction, or improvement for the Calendar Year 2026.

NOW, THEREFORE,

BE IT RESOLVED: That the Monroe County Pure Waters approves the relocation of and adjustment to their sanitary and storm sewers facilities, fiber facilities and related appurtenances and the work performed by the State and that the relevant Monroe County Pure Waters entity will maintain or cause to be maintained the adjusted facilities; and

BE IT FURTHER RESOLVED: That this resolution is approved beginning January 1, 2026, and will remain in effect through December 31, 2026; and

BE IT FURTHER RESOLVED: that the Director of Environmental Services has the authority to sign, with the concurrence of the relevant Monroe County Pure Waters Board of Directors, any and all documentation that may become necessary as a result of this project as it relates to the relevant Monroe County Pure Waters entity

BE IT FURTHER RESOLVED: That the clerk of the Monroe County Pure Waters is hereby directed to transmit (2) certified copies of the foregoing resolution to the New York State Department of Transportation.

Moved By:  
Seconded By:

<b>OFFICIAL FILE COPY</b>
No. <u>260078</u>
Not to be removed from the Office of the Legislature Of Monroe County
<b>Committee Assignment</b>
<b>ENV. &amp; PUB. WORKS-L</b>
<b>WAYS &amp; MEANS</b>

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Authorize Make-Ready Agreements for the Alteration of Assets Owned by Private and Public Utilities for the Purpose of the Installation of Fiber Optic Facilities and Appurtenances Owned by the County of Monroe, the Gates-Chili-Ogden Sewer District, the Irondequoit Bay South Central Pure Waters District, the Northwest Quadrant Pure Waters District, and/or the Rochester Pure Waters District for Projects Undertaken in Calendar Year 2026

Honorable Legislators:

I recommend that Your Honorable Body authorize make-ready agreements for the alteration of assets owned by private and public utilities for the purpose of the installation of fiber optic facilities and appurtenances owned by the County of Monroe, the Gates-Chili-Ogden Sewer District, the Irondequoit Bay South Central Pure Waters District, the Northwest Quadrant Pure Waters District, and/or the Rochester Pure Waters District for projects undertaken in calendar year 2026, for an aggregate amount not to exceed \$500,000.

The County and the Pure Waters Districts own and operate an extensive network of fiber optic facilities and appurtenances required for the effective delivery of operational and business services required by various County Departments, including but not limited to, the Departments of Environmental Services; Public Safety; Transportation; Information Services; Sheriff's Office; Finance; Human Resources; and Your Honorable Body. There are occasions where new or replacement fiber optic cable needs to be installed on utility poles owned by private and public utilities, such as Frontier Communications, Rochester Gas and Electric, and National Grid. In order to install County-owned fiber optic cable on these private or public utility poles, a process known as "make-ready" is necessary to assess and relocate wiring of other utilities to facilitate the placement of the County's cabling to maintain proper separation of wiring and prevent disputation to any of the utilities' service.

The make-ready process is performed by a limited number of contractors that are qualified and approved by the utility pole's owner. The County or our Consultants obtain numerous quotes from these contractors to perform the work. The County then pays for a portion of the cost of the make-ready work, and in some cases the utility owner pays for a portion of the work and may pass payment through the County.

This authorization will expedite the process of facilitating the County's and Pure Waters District's requirement to perform make-ready improvements to private or public utility assets so that County-initiated fiber optic projects can proceed in a timely and cost-effective manner. The Director of Environmental Services and/or the Purchasing Manager will enact procedures governing the execution of make-ready agreements, and thereby review and concur with any and all documentation that may become necessary as a result of any project as it relates to County and Pure Waters' assets.

**The specific legislative action required is** to authorize the County Executive, or his designee, to execute make-ready utility work agreements, including reimbursements from and payments to private and public utilities, and any amendments thereto, for the alteration and preparation of private and public utility assets for the installation of fiber optic facilities and appurtenances owned by the County of Monroe, the Gates-Chili-Ogden Sewer District, the Irondequoit Bay South Central Pure Waters District, the Northwest Quadrant Pure Waters District, and/or the Rochester Pure Waters District for projects undertaken in calendar year 2026, for an aggregate amount not to exceed \$500,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site;”) and 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for these contracts is included in capital fund 2118, and in any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

<b>PWAB</b>	<b>-L</b>

March 6, 2026

To The Administrative Board of the  
Gates-Chili-Ogden Sewer District  
Irondequoit Bay South Central Pure Waters District  
Northwest Quadrant Pure Waters District  
Rochester Pure Waters District  
407 County Office Building  
Rochester, New York 14614

**Subject:** Authorize Make-Ready Agreements for the Alteration of Assets Owned by Private and Public Utilities for the Purpose of the Installation of Fiber Optic Facilities and Appurtenances Owned by the Gates-Chili-Ogden Sewer District, the Irondequoit Bay South Central Pure Waters District, the Northwest Quadrant Pure Waters District, and/or the Rochester Pure Waters District for Projects Undertaken in Calendar Year 2026

Honorable Legislators:

I recommend that the Administrative Board authorize make-ready agreements for the alteration of assets owned by private and public utilities for the purpose of the installation of fiber optic facilities and appurtenances owned by the Gates-Chili-Ogden Sewer District, the Irondequoit Bay South Central Pure Waters District, the Northwest Quadrant Pure Waters District, and/or the Rochester Pure Waters District for projects undertaken in calendar year 2026, for an aggregate amount not to exceed \$500,000.

The County and the Pure Waters Districts own and operate an extensive network of fiber optic facilities and appurtenances required for the effective delivery of operational and business services required by various County Departments, including but not limited to, the Departments of Environmental Services; Public Safety; Transportation; Information Services; Sheriff's Office; Finance; Human Resources; and Your Honorable Body. There are occasions where new or replacement fiber optic cable needs to be installed on utility poles owned by private and public utilities, such as Frontier Communications, Rochester Gas and Electric, and National Grid. In order to install County-owned fiber optic cable on these private or public utility poles, a process known as "make-ready" is necessary to assess and relocate wiring of other utilities to facilitate the placement of the County's cabling to maintain proper separation of wiring and prevent disputation to any of the utilities' service.

The make-ready process is performed by a limited number of contractors that are qualified and approved by the utility pole's owner. The County or our Consultants obtain numerous quotes from these contractors to perform the work. The County then pays for a portion of the cost of the make-ready work, and in some cases the utility owner pays for a portion of the work and may pass payment through the County.

To The Administrative Board of the  
Gates-Chili-Ogden Sewer District  
Irondequoit Bay South Central Pure Waters District  
Northwest Quadrant Pure Waters District  
Rochester Pure Waters District  
March 6, 2026  
Page 2

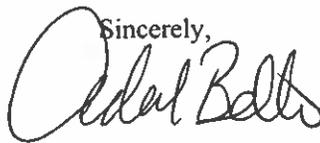

This authorization will expedite the process of facilitating the Pure Waters District's requirement to perform make-ready improvements to private or public utility assets so that County-initiated fiber optic projects can proceed in a timely and cost-effective manner. The Director of Environmental Services and/or the Purchasing Manager will enact procedures governing the execution of make-ready agreements, and thereby review and concur with any and all documentation that may become necessary as a result of any project as it relates to Pure Waters' assets.

**The specific Administrative Boards action required is** to authorize the County Executive, or his designee, to execute make-ready utility work agreements, including reimbursements from and payments to private and public utilities, and any amendments thereto, for the alteration and preparation of private and public utility assets for the installation of fiber optic facilities and appurtenances owned by the Gates-Chili-Ogden Sewer District, the Irondequoit Bay South Central Pure Waters District, the Northwest Quadrant Pure Waters District, and/or the Rochester Pure Waters District for projects undertaken in calendar year 2026, for an aggregate amount not to exceed \$500,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site;") and 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these contracts is included in capital fund 2118, and in any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by the Administrative Boards of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, and Rochester Pure Waters District.

Sincerely,  

Adam J. Bello

Committee Assignment
<b>PUBLIC SAFETY -L</b>
<b>WAYS &amp; MEANS</b>

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to Add a Project Entitled "Irondequoit Fire District Emergency Signal;" Authorize Financing for the Project; Authorize a Contract with the Dormitory Authority of the State of New York for the Irondequoit Fire District Emergency Signal in the Town of Irondequoit

Honorable Legislators:

I recommend that Your Honorable Body amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to add a project entitled "Irondequoit Fire District Emergency Signal" in the amount of \$260,000; authorize financing for the project in the amount of \$260,000; authorize a contract with the Dormitory Authority of the State of New York ("DASNYS") for the State and Municipal Facilities Program ("SAM") grant funding in an amount not to exceed \$260,000 for the Irondequoit Fire District Emergency Signal Project in the Town of Irondequoit.

This project will be divided into two parts. The first part will involve the installation of ground-mounted flashing "emergency vehicle" warning signs on Culver Road in advance of the Ridge-Culver firehouse. The second part will involve the installation of an overhead emergency traffic signal at the Ridge-Culver firehouse. Work will include design and construction of the emergency vehicle warning system and the new emergency three-color traffic signal; including installation of emergency vehicle preemption equipment, ground-mounted flashing signs, new traffic signal poles and mast arms, signal heads, controller cabinet, and necessary wiring. Monroe County will be reimbursed by DASNYS through the SAM grant funding up to \$260,000.

The current schedule is to install the ground-mounted flashing "emergency vehicle" warning signs in 2026 and conduct preliminary engineering and final design for the overhead emergency traffic signal during the years 2026-2027, with an anticipated construction start in 2028. The current total project estimate is \$260,000.

**The specific legislative actions required are:**

1. Amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to add a project entitled "Irondequoit Fire District Emergency Signal" in the amount of \$260,000.
2. Authorize financing for the project entitled "Irondequoit Fire District Emergency Signal" in the amount of \$260,000.

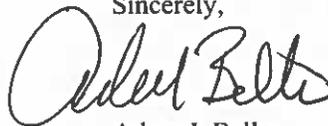

3. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the Dormitory Authority of the State of New York to accept State and Municipal Facilities Program grant funding in an amount not to exceed \$260,000 for the Irondequoit Fire District Emergency Signal in the Town of Irondequoit.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(22) "installation of traffic control devices on existing streets, roads and highways" and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

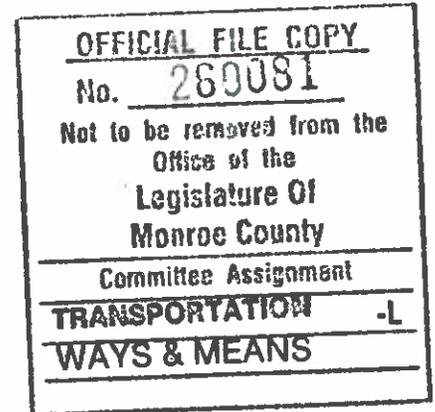

Adam J. Bello  
Monroe County Executive

Office of the County Executive

March 6, 2026

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

Subject: Amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to Add a Project Entitled "Bridge Preventive Maintenance 2028;" Authorize Financing for the Project; Authorize a Contract with C & S Engineers, Inc. and a Contract with the New York State Department of Transportation for the Bridge Preventive Maintenance 2028 Project in the Towns of Perinton and Brighton, and the Village of Churchville

Honorable Legislators:

I recommend that Your Honorable Body amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to add a project entitled "Bridge Preventive Maintenance 2028" in the amount of \$241,500; authorize financing for the project in the amount of \$241,500; and authorize a contract with C & S Engineers, Inc. in the amount of \$206,520 for engineering services and a contract with the New York State Department of Transportation for the Bridge Preventive Maintenance 2028 project in the Towns of Perinton and Brighton, and the Village of Churchville.

The Bridge Preventive Maintenance 2028 project will involve repair work at County-owned bridges located on: North Main Street Over Black Creek (Village of Churchville), Crittenden Road over Red Creek Tributary (Town of Brighton), and Woolston Road over Irondequoit Creek Tributary (Town of Perinton). The project will involve repainting of bridge girders, concrete repairs, installation of waterproof membrane, and some asphalt paving. The current schedule is to conduct preliminary engineering and final design during the years 2026-2027 with an anticipated construction start in 2028. The current total project estimate is \$1,541,000.

Major funding will be provided by Federal and New York State Department of Transportation funds in the amount of approximately 95% of the project cost with overall project administration by Monroe County.

Several consultants were considered, with C & S Engineers, Inc. rated the most qualified for this project.

A cost breakdown of the services is as follows:

Basic Design Services	\$206,520
Special Services	\$0
Total	\$206,520

**The specific legislative actions required are:**

1. Amend the 2026-2031 Capital Improvement Program and the 2026 Capital Budget to add a project entitled "Bridge Preventive Maintenance 2028" in the amount of \$241,500.
2. Authorize financing for the project entitled "Bridge Preventive Maintenance 2028" in the amount of \$241,500.
3. Authorize the County Executive, or his designee, to execute a contract with C & S Engineers, Inc., 100 S. Clinton Ave, Suite 2700, Rochester, New York 14604, in the amount of \$206,520 for engineering services for the Bridge Preventive Maintenance 2028 project in the Towns of Perinton and Brighton, and the Village of Churchville, and any amendments necessary to complete the project within the total capital fund(s) appropriation.
4. Authorize the County Executive or his designee, to execute a contract, and any amendments thereto, with the New York State Department of Transportation for the Bridge Preventive Maintenance 2028 project in the Towns of Perinton and Brighton, and the Village of Churchville.
5. Incorporate by reference and adopt the attached resolution required by New York State for NY Bridge Funding for the Bridge Preventive Maintenance 2028 project.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither C & S Engineers, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Michael Hotaling, CEO  
Aileen Maguire Meyer, President - Engineers  
Seth Kaeuper, Service Manager-Transportation

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

ATTACHMENT TO REFERRAL

RESOLUTION INCORPORATED WITHIN AND ATTACHED TO RESOLUTION NO. \_\_\_\_\_ OF 2026

**Authorizing the implementation, and funding in the first instance 100% of the federal-aid and State "Marchiselli" Program-aid eligible costs, of a transportation federal-aid project, and appropriating funds therefore.**

WHEREAS, a Project for the Bridge Preventive Maintenance 2028, P.I.N. 4MN019 (the Project") is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, the County of Monroe desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of the Project.

NOW, THEREFORE, the Legislature of the County of Monroe ("Legislature"), duly convened does hereby:

RESOLVE, that the Legislature approves the above-subject project; and it is further

RESOLVED, that the Legislature hereby authorizes the County of Monroe to pay in the first instance 100% of the federal and non-federal share of the cost of design work for the Project or portions thereof; and it is further

RESOLVED, that the sum of \$241,500 is hereby appropriated pursuant to Resolution No. \_\_\_\_\_ of 2026 and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the Project exceeds the amount appropriated above, the Legislature shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the County of Monroe thereof, and it is further

RESOLVED, that the County Executive, or designee, of the County of the Monroe be and is hereby authorized to execute all necessary agreements, certifications or reimbursement requests for Federal Aid and/or Marchiselli Aid on behalf of the County of the Monroe with the New York State Department of Transportation in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality's first instance funding of project costs and permanent funding of the local share of federal-aid and state-aid eligible Project costs and all Project costs within appropriations therefore that are not so eligible, and it is further

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary agreement in connection with the Project; and it is further

RESOLVED, this Resolution shall take effect immediately.

March 6, 2026

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend the 2026 Capital Budget and Bond Resolution 377 of 2024 to Provide an Increase in Funding and Authorize a Contract with C.P. Ward, Inc. for Construction Services for the Walker Road Bridge Project in the Town of Hamlin

Honorable Legislators:

I recommend that Your Honorable Body amend the 2026 Capital Budget and Bond Resolution 377 of 2024 to provide an increase in funding in the amount of \$720,000 and authorize a contract with C.P. Ward, Inc. in the amount of \$1,821,719.22 for construction services for the Walker Road Bridge Project in the Town of Hamlin.

The Walker Road Bridge is County owned and spans the Moorman Creek in the Town of Hamlin. The project involves the replacement of the bridge. Installation of new cast-in-place concrete abutments, precast hollow-core concrete decks slabs with a cast-in-place overlay, new bridge railing, approach railing, asphalt pavement approaches, signs, and pavement markings. The current schedule is to start construction in spring 2026 with anticipated completion by fall of 2026.

Major funding will be provided by Federal and State funds in the amount of approximately 67% of the project cost with overall project administration by Monroe County.

The following four (4) bids were received on January 30, 2026:

Table with 2 columns: Bidder Name and Bid Amount. Includes C.P. Ward, Inc. (\$1,821,719.22), Birdsell Excavation & Construction LLC (\$1,824,037.20), Rochester Earth, Inc. (\$1,972,000.00), and Keeler Construction Co., Inc. (\$2,170,805.42).

The bids have been reviewed and C.P. Ward, Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

The specific legislative actions required are:

- 1. Amend the 2026 Capital Budget to increase funding for the Walker Road Bridge Project in Town of Hamlin in the amount of \$720,000, from \$1,715,000 to \$2,435,000 for a total project authorization of \$2,435,000.
2. Amend Bond Resolution 377 of 2024 to increase financing for the Walker Road Bridge project, by \$720,000 from \$1,715,000 to \$2,435,000 for a total project authorization of \$2,435,000.

3. Authorize the County Executive, or his designee, to execute a contract with C.P. Ward, Inc., 100 W River Rd, Scottsville, New York 14546 in the amount of \$1,821,719.22 for construction services on the Walker Road Bridge Project in the Town of Hamlin, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

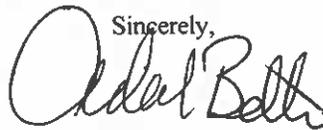

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in capital fund 2111 once the additional financing authorization herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither C.P. Ward, Inc. nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Kenneth A. Stewart, President, Treasurer  
Steven K. Phillips, Secretary

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

Subject: Authorize a Contract with C.P. Ward, Inc. for Construction Services for the Schlegel Road Culvert Replacement over Fourmile Creek Tributary Project in the Town of Webster

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with C.P. Ward, Inc. in the amount of \$526,933.07 for construction services for the Schlegel Road Culvert Replacement over Fourmile Creek Tributary Project in the Town of Webster.

The Schlegel Road Culvert is County-owned and spans Fourmile Creek Tributary in the Town of Webster. This project involves removal and replacement of the existing culvert with a new 4-sided precast concrete structure. In addition, new asphalt pavement, and pavement markings will be installed at the culvert site. The current schedule is to start work in spring 2026 with an anticipated completion by fall 2026.

Major funding will be provided by County funds in the amount of approximately 100% of the project cost with overall project administration by Monroe County.

The following four (4) bids were received on February 5, 2026:

C.P. Ward, Inc.	\$526,933.07
Rochester Earth, Inc.	\$575,000.00
Nardozi Paving & Construction	\$630,000.00
Birdsall Excavation & Construction	\$651,591.00

The bids have been reviewed and C.P. Ward, Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

**The specific legislative action required** is to authorize the County Executive, or his designee, to execute a contract with C.P. Ward, Inc., 100 W River Road, Scottsville, New York 14546, in the amount of \$526,933.07 for construction services for the Schlegel Road Culvert Replacement over Fourmile Creek Tributary Project in the Town of Webster, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Subject: Authorize a Contract with Barton & Loguidice for Engineering Services for the West Bloomfield Road Culvert Replacement Project in the Town of Mendon

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Barton & Loguidice in the amount of \$242,954.76 for engineering services for the West Bloomfield Road Culvert Replacement Project in the Town of Mendon.

This project involves the rehabilitation or replacement of the West Bloomfield Road culvert over Irondequoit Creek along with highway approach work and stream channel improvements. The current total project estimate is \$2,150,000.00. The current schedule is to conduct preliminary engineering and final design during the years 2026-2027 with an anticipated construction start in 2028.

A request for proposals was issued for these services with Barton & Loguidice selected as the most qualified for this project.

A cost breakdown of these services is as follows:

Table with 2 columns: Service Type, Amount. Rows: Design Services (\$190,396.79), Special Services (\$52,557.97), Total (\$242,954.76)

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Barton & Loguidice, 11 Centre Park, Suite 203, Rochester, New York 14614, in the amount of \$242,954.76 for engineering services for the West Bloomfield Road Culvert Replacement Project in the Town of Mendon.

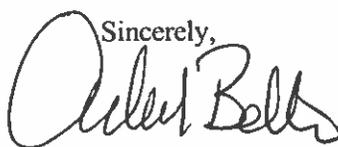

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 2066 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Barton & Loguidice nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

John F. Brusa, Jr., P.E., President  
Matthew J. Schooley, P.E., Principal  
Richard A. Straut, P.E., Principal  
Anthony P. Darin, P.E., Principal  
Donald H. Fletcher, P.E., Principal

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello

Rochester, New York 14614

Subject: Authorize Federal Equitable Sharing Agreements with the United States Department of Justice and the United States Department of the Treasury

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of District Attorney Brian Green and Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize Federal Equitable Sharing Agreements with the United States Department of Justice and the United States Department of the Treasury, for participation by the Monroe County District Attorney's Office and the Monroe County Sheriff's Office in the federal equitable sharing programs for federally forfeited cash, property and proceeds obtained in the course of joint law enforcement investigations and prosecutions for the period of January 1, 2026 through December 31, 2026.

In an effort to further encourage cooperation among federal, state and local law enforcement agencies and to punish and deter criminal activity by depriving criminals of property used or acquired through illegal activities, the United States Congress provided the Secretary of the Treasury and the United States Attorney General with the authority to share federally forfeited cash, property and proceeds with participating federal, state and local law enforcement agencies. The shared funds, property and proceeds must be used for law enforcement purposes. This will be the 35<sup>th</sup> year the County has participated in this program.

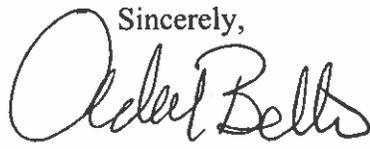

**The specific legislative action required** is to authorize the County Executive, or his designee, to execute Federal Equitable Sharing Agreements with the United States Department of Justice and the United States Department of the Treasury, for participation in federal equitable sharing programs for federally forfeited cash, property and proceeds obtained in the course of joint law enforcement investigations and prosecutions for the period of January 1, 2026 through December 31, 2026.

Monroe County Legislature

Page 2

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26), (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

These agreements are revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  
  
Adam J. Bello  
Monroe County Executive

**Subject:** Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Motor Vehicle Theft and Insurance Fraud Prevention Program (Monroe County Sheriff's Office)

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in an amount of \$36,500 for the Motor Vehicle Theft and Insurance Fraud Prevention Program for the period of January 1, 2026 through December 31, 2026.

This grant continues to support the Monroe County Auto Theft Task Force to reduce motor vehicle thefts and insurance fraud in Monroe County. The grant will pay a portion of the costs incurred by the Sheriff's Office for overtime, training, and travel. This will be the twenty-fourth year the County has received this grant. This year's funding represents the same level of funding from last year's grant amount.

**The specific legislative actions required are:**

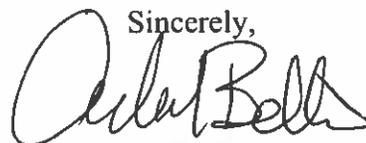

1. Authorize the County Executive, or his designee, to accept a grant in the amount of \$36,500 and to execute a contract and any amendments thereto, with, the New York State Division of Criminal Justice Services for the Motor Vehicle Theft and Insurance Fraud Prevention Program for the period of January 1, 2026 through December 31, 2026.

2. Amend the 2026 operating budget of the Office of the Sheriff by appropriating the sum of \$36,500 into general fund 9300, funds center 3803010000, Police Bureau Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II action pursuant to 6 NYCRR Section 617.5(c)(26) (“routine or continuing agency administration and management not including new programs and major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

The grant is 100% funded by New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam Bello  
County Executive

Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Motor Vehicle Theft and Insurance Fraud Prosecution Program (District Attorney's Office)

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of District Attorney Brian Green.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$87,000 for the Motor Vehicle Theft and Insurance Fraud Prosecution Program in the District Attorney's Office for the period of January 1, 2026 through December 31, 2026.

This grant will fund a portion of the cost of one (1) full-time Assistant District Attorney to coordinate the efforts of the Rochester Police Department, New York State Insurance Department-Insurance Fraud Bureau, Monroe County Sheriff's Office, New York State Police, and other local police agencies in investigating cases involving auto theft and insurance fraud involving motor vehicles.

The goals of the program include continuing to fully investigate and prosecute all suspected instances of motor vehicle theft in Monroe County, investigate and prosecute all individuals who file fraudulent motor vehicle theft claims, strengthen and expand the information-sharing protocols among the various local police and State agencies investigating such crimes, and to increase the arrest and conviction rate of the perpetrators of such crimes. This will be the twenty-third year the County has received this grant. This year's funding is the same amount received in last year's award.

**The specific legislative actions required are:**

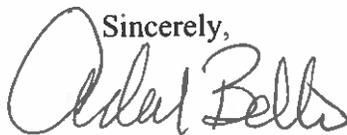

1. Authorize the County Executive, or his designee, to accept a grant in an amount not to exceed \$87,000 from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the Motor Vehicle Theft and Insurance Fraud Prosecution Program for the period of January 1, 2026 through December 31, 2026.
2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
3. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this grant is included in the 2026 operating budget of the District Attorney’s Office, general fund 9300, funds center 2507010000, General Felony Bureau.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

Subject: Erroneous Assessments - Corrections and Cancellations

Honorable Legislators:

I recommend that Your Honorable Body approve the corrections and cancellations of certain Monroe County taxes in the Towns of Gates, Hamlin, Webster, and the City of Rochester as per the attached list prepared by the Department of Finance, Real Property Tax Services.

The corrections and cancellations are requested because of a clerical error as described by statute.

**The specific legislative action required is approval of the taxpayers' applications.**

No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive

Listed below is pertinent information from applications for corrected tax roll. Real Property Tax Service Agency has the original applications and support material available for review if needed. The Real Property Tax Director is recommending the correction and cancellation of certain Monroe County taxes because the same are erroneous.

The tax account hereinafter set forth lists the tax account number, applicant owner, property location, tax year(s), amount of taxes currently due, amount of corrected taxes, amount of taxes to be cancelled and the reason for their correction.

**Town of Hamlin: Tax Account No. 006.04-2-5.12, Frank & Eugenia Marando, 200 Lake Rd East, Hamlin, NY 14464. Property Location: Lake Road East. Tax Year: 2026 Amount of Taxes Currently Due: \$9,845.74. Amount of Corrected Taxes Due: \$1,768.90. Amount of Taxes to be cancelled: \$8,076.84.** Due to an error in essential facts, the property was assessed as waterfront but is actually wetland and should have been categorized as Wasteland. This error resulted in an incorrect assessment of the property to be used on the tax bill.

**Town of Gates: Tax Account No. 104.13-1-7.1, Gates William's DeGeorge LLC, PO Box 17633, Rochester, NY 14617. Property Location: 2900 Lyell Rd. Tax Year: 2026 Amount of Taxes Currently Due: \$178,165.53. Amount of Corrected Taxes Due: \$175,305.52. Amount of Taxes to be cancelled: \$2,860.01.** Due to a clerical error, the school taxes were relieved incorrectly to the 2026 tax bill. This error resulted in an incorrect charge of interest to the 2026 Town/County tax bill.

**Town of Webster: Tax Account No. 079.06-1-32.11, Chaney Properties Webster LLC, 855 Publishers Pkwy, Webster, NY 14580. Property Location: 855 Publishers Pkwy. Tax Year: 2026 Amount of Taxes Currently Due: \$244,644.80. Amount of Corrected Taxes Due: \$238,966.62. Amount of Taxes to be cancelled: \$5,678.18.** Due to a clerical error, the school taxes were relieved incorrectly to the 2026 tax bill. This error resulted in an incorrect charge of interest to the 2026 Town/County tax bill.

**City of Rochester: Tax Account No. 047.61-1-3.002/229, Mike Wikander, 270 Latta Rd Unit 229, Rochester, NY 14612. Property Location: 270 Latta Rd Unit 229. Tax Year: 2026 Amount of Taxes Currently Due: \$3,677.50. Amount of Corrected Taxes Due: \$690.06. Amount of Taxes to be cancelled: \$2,987.44.** Due to a clerical error this property's water meter was billed to the incorrect parcel. This property is a residential property and was billed for a commercial property. This error resulted in an incorrect water meter reading and erroneous charges being added to the tax bill.

**City of Rochester: Tax Account No. 090.65-1-1.001, Aquinas Institute of Rochester, 1127 Dewey Ave, Rochester, NY 14613. Property Location: 1127 Dewey Ave. Tax Year: 2026 Amount of Taxes Currently Due: \$71,939.40. Amount of Corrected Taxes Due: \$15,509.59. Amount of Taxes to be cancelled: \$56,429.81.** Due to a clerical error this property's water consumption was incorrectly entered. This error resulted in an incorrect water meter reading and erroneous charges being added to the tax bill.

Rochester, New York 14614

**Subject:** Authorize Contracts with Hunt Engineers, Architects, Land Surveyors and Landscape Architects, D.P.C., and Marathon Engineering & Surveying of Rochester, D.P.C. for General Engineering Term Services

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with Hunt Engineers, Architects, Land Surveyors and Landscape Architects, D.P.C. and Marathon Engineering & Surveying of Rochester, D.P.C. in an annual amount not to exceed \$200,000 each, for general engineering term services, for the period of May 1, 2026 through April 30, 2027, with the option to renew for two (2) additional one-year extensions, with escalation for the extension to be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

The scope of services generally consists of providing consultation, design, survey and mapping and construction inspection on an as-needed basis concerning upcoming signal, highway, bridge, or culvert projects scheduled for construction as part of the Department of Transportation's highway major maintenance, capital culvert replacement program, traffic engineering or spot improvements program. The services will be used for design of projects to improve the condition of road surfaces, drainage improvements, including highway culverts, and increased safety by improving traffic signals, highway alignment, profile, and sight distance. The Department of Transportation does not routinely conduct in-house design and would utilize these services as an extension of its staff on an as-needed basis.

A request for proposals was issued for these services with Hunt Engineers, Architects, Land Surveyors and Landscape Architects, D.P.C., and Marathon Engineering & Surveying of Rochester, D.P.C. selected as the most qualified for these services.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Hunt Engineers, Architects, Land Surveyors and Landscape Architects, D.P.C., 4 Commercial Street, Suite 300, Rochester, New York 14614, for general engineering term services in an annual amount not to exceed \$200,000 for the period of May 1, 2026 through April 30, 2027 with the option to renew for two (2) additional one-year extensions, with escalation for the extension to be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

2. Authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Marathon Engineering of & Surveying Rochester, D.P.C., 39 Cascade Drive, Rochester, New York 14614, for general engineering term services, in an annual amount not to exceed \$200,000, for the period of May 1, 2026 through April 30, 2027, with the option to renew for two (2) additional one-year extensions, with escalation for the extension to be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(18) ("information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations, and soil studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action") and is not subject to further review under the State Environmental Quality Review Act.

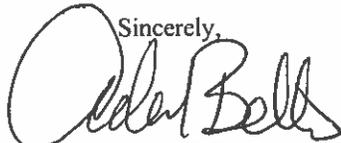

Funding for this contract, consistent with authorized uses, is included in various capital funds and any future capital fund(s) created for the same intended purpose, and is also included in the operating budget of the Department of Transportation, road fund 9002, funds center 8002040000, Road Maintenance and road fund 9002, funds center 8002050000, Consolidated Highway Improvement Program (CHIPS). No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Hunt Engineers, Architects, Land Surveyors and Landscape Architects, DPC nor Marathon Engineering of Rochester, P.C. nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firms are:

Hunt Engineers, Architects, Land Surveyors and Landscape Architects, D.P.C.  
Christopher J. Bond, CEO/President  
Greg J. Barr, Vice President  
Dean C. Hackett, Vice President

Marathon Engineering & Surveying of Rochester, D.P.C.  
Adam Fishel, Partner  
Matt Tomlinson, Partner  
Mike Yacuzzo, Partner

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  
  
Adam J. Bello  
Monroe County Executive

Subject: Amend Resolution 58 of 2025 to Authorize Options to Renew the Contract with Everbridge, Inc. to Provide Emergency Mass Notification Software

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 58 of 2025 to authorize up to four (4) one-year additional terms of the contract with Everbridge, Inc. to provide emergency mass notification software services in an amount not to exceed \$112,895.76 for each annual renewal.

By Resolution 58 of 2025, Your Honorable Body authorized a contract with Everbridge, Inc. to provide emergency mass notification software services for the period of April 1, 2025 through March 31, 2026, with the possibility of four (4) one-year renewals. In November 2025, the County launched its MonroeAlert program, using the Everbridge platform. Funding for the renewal terms of the contract will allow the County to maintain its mass notification software and continue to enhance the County's ability to provide timely and accurate emergency alerts to members of the public, employees, and emergency response teams during emergencies or other situational-awareness needs.

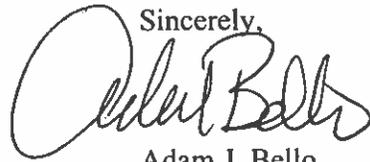

**The specific legislative action required is to amend Resolution 58 of 2025 to authorize the County Executive, or his designee, to exercise up to four (4) one-year renewals, beginning effective April 1, 2026, with Everbridge Inc., 25 Corporate Drive, Suite 400, Burlington, Massachusetts 01803, to provide emergency mass notification software services in an amount not to exceed \$112,895.76 for each annual renewal.**

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2026 operating budget of the Department of Public Safety, general fund 9001, funds center 2408030100, Office of Emergency Management, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Everbridge, Inc., nor its principal officer David Wagner, Chief Executive Officer, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive
