RE: Memorializing the United States Congress to Pass and President Trump to Sign H.R. 7223, the Language Access for All Act of 2026

Language access is not simply a matter of convenience, it is fundamental to ensuring equal opportunity and meaningful participation in civic life. Every resident should be able to understand their rights, navigate federal programs, and communicate effectively with government agencies regardless of the language they speak. H.R. 7223, the Language Access for All Act of 2026 would ensure individuals with limited English proficiency have meaningful access to federal programs and services by establishing clear, consistent language access standards across federal agencies.

Monroe County is strengthened by residents who speak a wide variety of languages and contribute to our economy, culture, healthcare system, educational institutions, and neighborhoods. Many families rely on access to federal programs related to healthcare, housing, veterans' services, workforce development, disaster assistance, and small business support. When language barriers prevent residents from understanding or accessing these services, the consequences can be significant.

The importance of language access becomes even more evident during public health emergencies and emergency response situations. Timely and accurate communication regarding severe weather, public safety incidents, disease outbreaks, evacuation procedures, or disaster recovery can have life-saving consequences. Ensuring vital information is available in languages understood by our residents strengthens emergency preparedness, improves public safety outcomes, and fosters greater trust between government and the communities it serves.

H.R. 7223 would modernize federal language access policies, promoting consistency across agencies, increase transparency, and insists technology should complement, not replace, qualified human interpreters and translators when accuracy is essential.

At its core, the Language Access for All Act recognizes that effective communication is essential to good governance. By providing meaningful language access, the federal government can better serve all Americans while ensuring no individual is denied critical services simply because English is not their primary language.

Memorializing Referral -L

RE: Memorializing the New York State Legislature to Pass and Governor Hochul to Sign A10507, the Living Wage for All Act

Across New York State, working families continue to face rising costs for housing, groceries, childcare, transportation, and healthcare. In Monroe County, many hardworking residents are employed full-time, yet continue to struggle to make ends meet because wages have not kept pace with the true cost of living. No individual who works full-time should be forced to choose between paying rent, putting food on the table, or accessing necessary medical care.

A10507, the Living Wage for All Act, emphasizes that work should provide a pathway to economic security. Ensuring workers earn wages that better reflect the realities of today's economy strengthens not only individual households, but also our communities as a whole. When workers are fairly compensated, families experience greater financial stability, businesses benefit from improved employee retention and productivity, and local economies grow as residents are able to spend more within their communities.

For Monroe County, where residents work across healthcare, education, manufacturing, hospitality, retail, public service, and countless other essential industries, investing in living wages is an investment in the long-term strength of our regional economy. Stable incomes help reduce reliance on public assistance programs, improve housing stability, and contribute to better health and educational outcomes for children and families.

Supporting a living wage is also a matter of economic competitiveness. New York's workforce is one of its greatest assets, and ensuring that employment provides dignity and financial stability helps attract and retain talented workers while strengthening local employers through reduced turnover and increased workforce participation.

While thoughtful implementation is important, the long-term benefits of increasing economic security far outweigh the challenges of maintaining the status quo. The Living Wage for All Act represents an opportunity to build a stronger, more resilient New York where hard work is rewarded with the ability to live with dignity and independence. Therefore, we urge the New York State Legislature to pass and Governor Hochul to sign A10507, the Living Wage for All Act.

Memorializing Retired -L

Subject: Memorializing the New York State Legislature to Pass and Governor Kathy Hochul to Sign S.9531/A.11117, the "Veterinary Care of Retired Law Enforcement and Fire Service Canines Act"

Honorable Legislators:

For generations, law enforcement and fire service canines have served alongside the men and women who protect our communities. These highly trained working dogs perform important public safety duties including tracking and apprehending suspects, locating evidence, detecting narcotics and explosives, identifying accelerants, responding to disasters, and conducting search and rescue operations. Their work can place them directly in dangerous situations in service to their handlers and the public.

These canines are trusted working partners that spend years assisting law enforcement officers, firefighters, and other first responders in carrying out missions that protect lives and keep our communities safe. When their service ends, responsibility for their care often shifts to the individual who assumes ownership of the retired canine, frequently the handler who worked beside that animal throughout its career.

New York State Senate Bill S.9531 and its Assembly companion, A.11117, would establish the *Veterinary Care of Retired Law Enforcement and Fire Service Canines Act* to help cover veterinary costs associated with these retired public safety canines. The legislation applies to qualifying dogs formerly owned and used by state or local law enforcement agencies, municipal or volunteer fire departments, or fire protection districts for official public safety or emergency service purposes.

The legislation also establishes clear safeguards and accountability measures. Reimbursement would be limited to usual and customary veterinary treatment, verified by written receipts, and would not cover treatment attributable to abuse or neglect. Assistance would be capped at \$2,500 per calendar year and \$10,000 over the lifetime of the canine. The legislation would also require annual reporting detailing the number of retired canines receiving reimbursement and the total amount expended.

59 Sherwood Drive • Brockport, New York 14420
Phone: (585) 259-8457 • Business: (585) 753-1922
E-mail: legislatorsmith@gmail.com

After years spent protecting officers, first responders, and the public, these canines deserve to be properly cared for in retirement. Their service does not become any less meaningful simply because their working career has ended, nor should the responsibility for veterinary expenses resulting from years of public service fall entirely upon the handlers who take them into retirement.

Supporting law enforcement and first responders means recognizing every member of the public safety team, including the canines that serve beside them. Providing reasonable veterinary assistance for retired police and fire service canines is a meaningful way to honor their service and ensure they receive the care they have earned. Please join me in calling upon the New York State Legislature to pass and Governor Kathy Hochul to sign S.9531/A.11117, the *Veterinary Care of Retired Law Enforcement and Fire Service Canines Act*, and ensure that New York stands behind the law enforcement and fire service canines that have spent their working lives protecting our residents and communities.

Committee Assignment
<u>Memorializing Federal</u> -L

Subject: Memorializing the United States Congress and President Donald J. Trump to Pass and Sign H.R. 284/S. 528, the "Great Lakes Restoration Initiative Act of 2025"

Honorable Legislators:

Monroe County is uniquely connected to the health and vitality of Lake Ontario and the Great Lakes. The *Great Lakes Restoration Initiative Act of 2025* (H.R. 284/S. 528) would continue federal support for projects that protect and improve the Great Lakes, including Lake Ontario and the waterways that feed into it.

Lake Ontario is one of Monroe County's most important natural and economic assets. It serves as a source of drinking water for residents throughout our community, supports businesses and jobs, provides significant recreational opportunities, and contributes to the strength of our tourism and fishing industries. The Genesee River, Irondequoit Bay, Braddock Bay, and other local waterways are also directly connected to the health and long-term viability of Lake Ontario.

The Great Lakes Restoration Initiative has supported projects throughout New York and here in Monroe County that address pollution, improve water quality, combat invasive species, restore waterways, and protect shoreline resources. These investments have produced tangible results, including significant work within the Rochester Embayment and at Braddock Bay. In October 2024, the Rochester Embayment was formally removed from the federal list of Great Lakes Areas of Concern following decades of work by federal, state, and local partners.

Continued investment in the Great Lakes will help protect the progress already made while supporting communities that rely on these waters for drinking water, economic activity, recreation, and tourism. It will also help local governments and other partners address long-term challenges affecting waterways, shoreline infrastructure, and the communities located along Lake Ontario.

The Great Lakes are an economic engine for communities across the region. Clean and accessible waterways support fishing, boating, tourism, construction, recreation, and businesses large

and small. Protecting these resources helps protect jobs, private investment, property, and the quality of life that makes communities like Monroe County attractive places to live, work, and raise a family.

H.R. 284 and S. 528 would continue a longstanding federal commitment to the Great Lakes through fiscal year 2031. Rather than creating a new federal program, this legislation would continue an established initiative that has supported projects in communities throughout the Great Lakes basin and has produced measurable results here in Monroe County.

Lake Ontario is a resource that generations of Monroe County residents have relied upon, and protecting it is in the long-term interest of our residents, businesses, taxpayers, and local communities. Therefore, we urge you to join us in calling upon the United States Congress and President Donald J. Trump to pass and sign H.R. 284/S. 528, the *Great Lakes Restoration Initiative Act of 2025*, and continue this important investment in Lake Ontario, the Great Lakes, and the communities that depend upon them.

**Subject: REQUIRING DISCLOSURE TO THE LEGISLATURE OF
EXPENDITURES FROM TRUST FUND 9620, T99 JAIL COMMISSARY
PHONE**

Honorable Legislators,

The Legislature has a fundamental responsibility to provide oversight of county government, which requires timely access to accurate and complete information.

In May 2025, during a meeting of this Legislature, I requested information from the Monroe County Sheriff's Office regarding expenditures from Trust Fund 9620, T99 Jail Commissary-Phone. When that information was not provided, I followed up with a formal letter to the Sheriff in September 2025, and again by email in February 2026.

The requested records were not produced until March 2026 — nearly a year after the initial request, and only covered 2024. I have repeatedly asked for 2025 expenditures over the past six months, even filing an open records request in June, which to date has not been fulfilled. The only recourse to forcing governments to respond to open records requests is filing a lawsuit, which would cost taxpayers money.

This fund is not a typical operating account. It is a trust fund, capitalized through commissions generated from phone calls and tablet purchases made by incarcerated individuals and their families. The Legislature has previously treated this fund as one intended to benefit inmates, including in 2021 when we authorized its use to support free phone calls. The county's annual financial report also indicates the funds are only to be used for inmate welfare.

This resolution requests that the Sheriff provide the Legislature with a complete and timely accounting of this fund on a biannual basis, including revenues, expenditures, and current balances. This requirement does not interfere with the operations of the Sheriff's Office. It ensures that elected officials — and by extension, the public — have access to information necessary to evaluate the use of these funds.

This resolution will have no impact on the County budget.

Sincerely,

A handwritten signature in cursive script that reads "Rachel Barnhart".

Intro No. _____

RESOLUTION NO. ____ OF 2026

**REQUIRING DISCLOSURE TO THE LEGISLATURE OF EXPENDITURES FROM
TRUST FUND 9620, T99 JAIL COMMISSARY-PHONE.**

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. On a biannual basis, the Monroe County Sheriff, or his designee, will provide the Legislature with a list of expenditures from Trust Fund 9620, T99 Jail Commissary-Phone. The list shall include dollar amounts, vendors and the items or services purchased, and the remaining balance of the fund.

Section 2. The Sheriff, or his designee, will provide the Legislature with a list of expenditures retroactive to January 1, 2020 through June 30, 2026 within thirty (30) days of this resolution taking effect. Biannual reporting required in Section 1 of this resolution shall begin in January 2027.

Section 3. The Sheriff, or his designee, shall provide to the Legislature any documents establishing and governing Trust Fund 9620, T99 Jail Commissary-Phone, including but not limited to policies, procedures, or directives related to the receipt, use, or administration of funds.

Section 4. The Clerk shall notify the Legislature when reports required by this resolution have been filed by the Administration. The Clerk must make the reports available electronically or available to review in the Clerk's Office.

Section 5. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Subject: Confirmation of Appointment to the Monroe County Recycling Advisory Committee

Honorable Legislators:

I recommend that Your Honorable Body confirm the following appointment to the Monroe County Recycling Advisory Committee, pursuant to Monroe County Code, Section 347-32. The term will commence on July 1, 2026 and expire June 30, 2028.

County Executive Appointment from the Monroe County Supervisors' Association

Honorable Jim Kirch, Supervisor
Town of Wheatland
22 Main Street
Scottsville, New York 14546

The specific legislative action required is to confirm the appointment set forth above to the Monroe County Recycling Advisory Committee in accordance with Monroe County Code, Section 347-32, for terms to commence on July 1, 2026 and expire on June 30, 2028.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2 (b), and is not subject to review under the State Environment Quality Review Act.

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Demolition of Five Single Family Residential Dwellings and Accessory Structures on Beahan Road in the Town of Chili

Honorable Legislators:

I recommend that Your Honorable Body determine whether the demolition of five single family residential dwellings and accessory structures on Beahan Road in the Town of Chili may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

The proposed project involves demolishing the existing residential structures and restoring each lot to 100% grass. Demolition activities will include the removal of all houses, garages, sidewalks, driveways, and other site features such as sheds, mailboxes, light poles, and large trees. Prior to demolition, all utility services will be disconnected. Asbestos inspections were completed for each property, with 652 Beahan Road found to be free of asbestos, while the structures at 650, 672, 674, and 676 Beahan Road tested positive and will undergo asbestos abatement before demolition. All demolition debris, except for concrete, cinder block, gravel, and asphalt, will be removed from the site and disposed of at an approved landfill. Following demolition, basements will be backfilled with suitable fill material, the disturbed area of the sites will be graded to provide positive drainage, and the properties will be seeded to establish a permanent grass cover.

The demolition of five single family residential dwellings and accessory structures on Beahan Road in the Town of Chili has been preliminarily classified as an Unlisted Action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that the demolition of five single family residential dwellings and accessory structures on Beahan Road in the Town of Chili is an Unlisted action.
2. Make a determination of significance regarding the demolition of five single family residential dwellings and accessory structures on Beahan Road in the Town of Chili pursuant to 6 NYCRR 617.7.
3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information			
Name of Action or Project: Beahan Road House Demolitions			
Project Location (describe, and attach a location map): 650, 652, 672, 674 & 676 Beahan Road			
Brief Description of Proposed Action: Monroe County will undertake the demolition of five single family residential dwellings and accessory structures on Beahan Road. The sites will be restored to pre-developed conditions and will remain undeveloped.			
Name of Applicant or Sponsor: Monroe County		Telephone: 585-753-7014	
		E-Mail: Thomasmann@monroecounty.gov	
Address: 39 West Main Street			
City/PO: Rochester		State: NY	Zip Code: 14624
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If No, continue to question 2.			NO ☒
2. Does the proposed action require a permit, approval or funding from any other government Agency? If Yes, list agency(s) name and permit or approval:			YES ☐
3. a. Total acreage of the site of the proposed action? b. Total acreage to be physically disturbed? c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?			NO ☒
		6.14 75 6.14	acres acres acres
4. Check all land uses that occur on, are adjoining or near the proposed action: ☐ Urban ☐ Rural (non-agriculture) ☒ Industrial ☒ Commercial ☒ Residential (suburban) ☐ Forest ☐ Agriculture ☐ Aquatic ☐ Other(Specify): ☐ Parkland			

5. Is the proposed action,	NO	YES	N/A
a. A permitted use under the zoning regulations?	☐	☐	☒
b. Consistent with the adopted comprehensive plan?	☐	☐	☒
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
	☐	☒	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area?	NO	YES	
If Yes, identify:	☒	☐	
8. a. Will the proposed action result in a substantial increase in traffic above present levels?	NO	YES	
	☒	☐	
b. Are public transportation services available at or near the site of the proposed action?	☒	☐	
c. Are any pedestrian accommodations or bicycle routes available on or near the site of the proposed action?	☒	☐	
9. Does the proposed action meet or exceed the state energy code requirements?	NO	YES	
If the proposed action will exceed requirements, describe design features and technologies:			
N/A	☒	☐	
10. Will the proposed action connect to an existing public/private water supply?	NO	YES	
If No, describe method for providing potable water:	☒	☐	
N/A			
11. Will the proposed action connect to existing wastewater utilities?	NO	YES	
If No, describe method for providing wastewater treatment:	☒	☐	
N/A			
12. a. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places?	NO	YES	
	☒	☐	
b. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	☒	☐	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency?	NO	YES	
	☐	☒	
b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody?	☒	☐	
If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres:			
There is a federal wetland located approximately 650 feet east of the project sites. No impact will occur on the wetland.			

14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: ☐ Shoreline ☐ Forest ☐ Agricultural/grasslands ☐ Early mid-successional ☐ Wetland ☐ Urban ☒ Suburban		
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO ☒	YES ☐
16. Is the project site located in the 100-year or 500-year flood plain?	NO ☒	YES ☐
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes, a. Will storm water discharges flow to adjacent properties? b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)? If Yes, briefly describe:	NO ☒ ☒ ☒	YES ☐ ☐ ☐
18. Does the proposed action include construction or other activities that would result in the impoundment of water or other liquids (e.g., retention pond, waste lagoon, dam)? If Yes, explain the purpose and size of the impoundment:	NO ☒	YES ☐
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe:	NO ☒	YES ☐
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe:	NO ☒	YES ☐
21. Is the project located within, or within ½ mile of, a disadvantaged community? If No, could impacts from the project affect a disadvantaged community? If Yes to either question in 21, answer the following question. a. Identify the potential pollution impacts of the project, either direct or indirect, that may occur within the disadvantaged community (e.g., wastewater discharges, air emissions, noise, odors, solid or hazardous waste generation or management):	NO ☒ ☒	YES ☐ ☐

Short Environmental Assessment Form

Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	☒	☐
2. Will the proposed action result in a change in the use or intensity of use of land?	☒	☐
3. Will the proposed action impair the character or quality of the existing community?	☒	☐
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	☒	☐
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	☒	☐
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	☒	☐
7. Will the proposed action impact existing:	☒	☐
a. public / private water supplies?	☒	☐
b. public / private wastewater treatment utilities?	☒	☐
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	☒	☐
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	☒	☐
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	☒	☐
11. Will the proposed action create a hazard to environmental resources or human health?	☒	☐
12. Is the potentially affected disadvantaged community identified as having comparatively higher burdens or vulnerabilities by the Disadvantaged Community Assessment Tool?	☒	☐
13. Will the proposed action cause or increase a pollution burden within a disadvantaged community?	☒	☐

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur," or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed project involves demolishing the existing residential structures and restoring each lot to 100% grass. Demolition activities will include the removal of all houses, garages, sidewalks, driveways, and other site features such as sheds, mailboxes, light poles, and large trees. Asbestos testing has been done and abatement will occur before demolition. All demolition debris, except for concrete, cinder block, gravel, and asphalt, will be removed from the site and disposed of at an approved landfill. Following demolition, basement excavations will be backfilled with suitable fill material, the sites will be graded to provide positive drainage, and the properties will be seeded to establish a permanent grass cover.

Part 1 of the EAF indicates that the site contains or is near a wetland. This action pertains solely to the demolition of five single family dwellings on Beahan Road. No wetlands will be impacted by the demolition itself.

The wetland is approximately 650 feet east of the project sites and will not be impacted. The sites will be restored to pre-developed conditions and the properties will be seeded to establish a permanent grass cover.

Accordingly, no wetlands will be impacted and this action will not result in any significant adverse environmental impacts.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize a Contract with the County of Monroe Industrial Development Agency for Reimbursement of Economic Development Activities, Staff Services, and Office Expenses

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with the County of Monroe Industrial Development Agency ("COMIDA") in the amount of \$490,000 for reimbursement of economic development activities, staff services, and office expenses for the period of January 1, 2026 through December 31, 2026, with the option to renew for one (1) additional one-year term.

Pursuant to this contract, the Monroe County Department of Planning and Development ("MCDPD") supports activities to encourage the growth of jobs and businesses in the County. In addition to providing staff services to COMIDA, the MCDPD conducts a Business Outreach Program, provides financial packaging and technical assistance to businesses and municipalities, coordinates planning and employment and training activities, and provides marketing and data to a wide variety of local businesses. This year's funding represents an increase of \$16,000 from last year.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with the County of Monroe Industrial Development Agency for reimbursement of economic development activities, staff services, and office expenses in the amount of \$490,000 for the period of January 1, 2026 through December 31, 2026, with the option to renew for one (1) additional one-year term.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2026 operating budget of the Department of Planning & Development, general fund 9001, funds center 1403010000, Economic Development, and will be requested in future years' budgets.

This contract is revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize a Contract with the Monroe County Industrial Development Corporation for Reimbursement of Economic Development Activities in Monroe County

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with the Monroe County Industrial Development Corporation ("MCIDC") in the amount of \$100,000 for reimbursement of economic development activities in Monroe County for the period of January 1, 2026 through December 31, 2026, with the option to renew for one (1) additional one-year term.

These funds will be used to support economic development activities in the County. The Department of Planning and Development provides staff services to MCIDC, conducts a business outreach program, provides financial packaging, technical assistance to businesses and municipalities, and marketing and data to the public. This is the 37th year the County has received funding from MCIDC for these services. This year's funding represents an increase of \$10,000 from last year.

The specific legislative actions required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the Monroe County Industrial Development Corporation for reimbursement of economic development activities in Monroe County in the amount of \$100,000 for the period of January 1, 2026 through December 31, 2026, with the option to renew for one (1) additional one-year term.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Subject: Authorize a Contract with the Greater Rochester Enterprise, Inc. for General Operating Expenses

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Greater Rochester Enterprise, Inc. ("GRE"), in the amount of \$55,000 to fund the County's share of general operating expenses of GRE for the period of January 1, 2026 through December 31, 2026.

GRE is a public/private partnership established to professionally market the Rochester Metropolitan Area as a competitive, high-profile region for business location and growth. The primary focus of GRE is on business attraction, including prospect handling and marketing. GRE will promote Monroe County and the City of Rochester to targeted businesses, encourage existing businesses to retain and expand locally, seize opportunities to attract and retain intellectual capital, and support existing economic development partners. This will be the 24th year the County has contributed to GRE.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Greater Rochester Enterprise, Inc. for the County's share of general operating expenses in the amount of \$55,000 for the period of January 1, 2026 through December 31, 2026.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Subject: Authorize Contracts for the Provision of Forensic Pathology Services to the Monroe County Office of the Medical Examiner

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with the individuals listed in Attachment A in a total aggregate amount not to exceed \$150,000 for the provision of forensic pathology services to the Monroe County Office of the Medical Examiner ("MCOME"), on an as needed basis, for the period of January 1, 2026 through December 31, 2026 with the option to renew for two (2) additional one-year periods in a total aggregate amount not to exceed \$150,000 for each one-year renewal.

Currently, there are three (3) full-time Forensic Pathologists at the MCOME to address the nearly 4,000 cases received annually. With only three (3) of our five (5) full-time forensic pathologist positions filled, these contracts are necessary to appropriately manage that caseload. Under the terms of these contracts, the individuals in Attachment A will provide forensic pathology services on an as-need basis, as determined by the Monroe County Medical Examiner and will perform those necessary examinations in a manner consistent with currently acceptable forensic pathology practices.

A Request for Qualifications was issued for this contract with the individuals listed in Attachment A selected as the most qualified to provide these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute contracts and any amendments thereto, with the individuals listed in Attachment A, for the provision of forensic pathology services at the Monroe County Office of the Medical Examiner, on an as-needed basis, paid at the agreed rate, in a total aggregate amount not to exceed \$150,000 for the period of January 1, 2026 through December 31, 2026, with the option to renew for two (2) additional one-year periods in a total aggregate amount not to exceed \$150,000 for each one-year renewal.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Subject: Authorize a Contract with UR Medicine Home Care, Licensed Services, Inc. DBA Visiting Nurse Signature Care for Support of the Nurse-Family Partnership Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with UR Medicine Home Care, Licensed Services, Inc. DBA Visiting Nurse Signature Care in an amount not to exceed \$1,074,900 for support of the Nurse-Family Partnership ("NFP") program, for the period of October 1, 2026 through September 30, 2027, with the option to renew for four (4) additional one-year periods, in an amount not to exceed \$1,074,900 per year.

This contract will support the County's NFP program. The NFP program is an evidence-based nurse home visiting program that annually serves up to 300 high-risk, first-time mothers, their infants and families to improve their pregnancy outcomes and their health, well-being and self-sufficiency. UR Medicine Home Care, Licensed Services, Inc. DBA Visiting Nurse Signature Care will provide the nurses who make home visits to all NFP clients and administrative support in arranging for travel, accommodations, and training for the program.

A Request for Qualifications was issued for this contract and UR Medicine Home Care, Licensed Services, Inc. DBA Visiting Nurse Signature Care was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with UR Medicine Home Care, Licensed Services, Inc. DBA Visiting Nurse Signature Care, 2180 Empire Boulevard, Webster, New York 14580, for support of the Nurse-Family Partnership program in an amount not to exceed \$1,074,900 for the period of October 1, 2026 through September 30, 2027, with the option to renew for four (4) additional one-year periods, in an amount not to exceed \$1,074,900 per year.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2026 operating budget of the Department of Public Health, general fund 9300, funds center 5803050000, Nurse-Family Partnership, and will be requested in future years’ budgets. No additional net County support is required in the current Monroe County budget.

UR Medicine Home Care, Licensed Services, Inc. DBA Visiting Nurse Signature Care is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from Health Research, Inc. for the Public Health Emergency Preparedness Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from Health Research, Inc. in the amount of \$1,299,494 for the Public Health Emergency Preparedness Program for the period of July 1, 2026 through June 30, 2027.

The purpose of this grant is to assist local health departments to develop emergency-ready public health departments in accordance with the National Preparedness Goals and the Centers for Disease Control and Prevention Preparedness Goals. Program objectives are: continued post COVID-19 planning updates; enhanced public health emergency preparedness including training, planning, equipment acquisition and response readiness; enhanced point of dispensing clinic readiness to include bioterrorism response (e.g. anthrax); expansion of a volunteer medical reserve corps; enhanced communicable disease planning (e.g. COVID-19, pandemic influenza, Ebola); and enhanced disease surveillance. An additional \$1,000,000 in restricted New York State Department of Health emergency placeholder funding is included in the grant. This funding could be made available in the event an actual public health emergency occurs during the grant period. This will be the twenty-fifth year the County has received this grant. If the \$1,000,000 in restricted New York State Department of Health emergency placeholder funding is received, this year's funding represents the same amount as last year's.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$1,299,494 grant from, and to execute a contract and any amendments thereto with, Health Research, Inc. for the Public Health Emergency Preparedness Program for the period of July 1, 2026 through June 30, 2027.
2. Amend the 2026 operating budget of the Department of Public Health by appropriating the sum of \$299,494 into general fund 9300, funds center 5801090000, Public Health Preparedness.
3. Authorize the County Executive, or his designee, to appropriate up to \$1,000,000 in additional restricted New York State Department of Health emergency placeholder funding upon approval by New York State.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by Health Research, Inc. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Office of the County Executive

Subject: Accept Additional Funding from the New York State Department of Transportation for the State Supported Consolidated Local Street and Highway Improvement Program

Honorable Legislators:

I recommend that Your Honorable Body accept additional funding from the New York State Department of Transportation in the amount of \$485,711 for the State Supported Consolidated Local Street and Highway Improvement Program.

The Consolidated Local Street and Highway Improvement Program ("CHIPS") helps support the cost of highway and bridge maintenance throughout Monroe County. The New York State Department of Transportation budget also includes programs entitled Extreme Winter Recovery ("EWR"), PAVE-NY, and Pave Our Potholes ("POP"), which provide additional funding to, and fall under the purview of, the CHIPS program. Therefore, pursuant to the recently approved FY 2026-2027 New York State Budget, Monroe County will receive an additional \$485,711, bringing the total CHIPS award to \$11,785,711.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept additional funding from the New York State Department of Transportation in the amount of \$485,711 for the State Supported Consolidated Local Street and Highway Improvement Program, bringing the total funding amount to \$11,785,711.
2. Amend the 2026 operating budget of the Department of Transportation, by appropriating the sum of \$485,711 into road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any agreements to extend the time period of the grant.

This action is a Type II Action pursuant to 6 NYCRR § 617.5 (c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Partial funding for this program is included in the 2026 operating budget of the Department of Transportation, road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program. The appropriated amount will adjust the current funding to that established for the program by the New York State approved budget.

This program is 100% funded by the New York State Department of Transportation. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Authorize the Jurisdictional Transfer of a Portion of Brockport-Spencerport Road in the Town of Ogden to the Town of Ogden

Honorable Legislators:

I recommend that Your Honorable Body authorize the jurisdictional transfer of a portion of Brockport-Spencerport Road in the Town of Ogden from Monroe County to the Town of Ogden.

In September 2020, the New York State Department of Transportation completed a highway reconstruction project on Route 531 which reconfigured the intersection of Brockport-Spencerport Road (NYS Route 31) and Washington Street (NYS Route 36). This reconfiguration created a dead-end on Brockport-Spencerport Road, approximately 0.364 miles west of Washington Street. This newly dead-ended section of Brockport-Spencerport Road was abandoned by New York State and jurisdiction was transferred to Monroe County.

The Town of Ogden has indicated they are in favor of assuming jurisdiction of this dead-end segment of Brockport-Spencerport Road (formerly NYS Route 31). At this time, the Monroe County Director of Transportation recommends the jurisdictional transfer of Brockport-Spencerport Road, from 0.364 miles west of Washington Street to the intersection of Washington Street and Brockport-Spencerport Road, to the Town of Ogden.

The specific legislative actions required are:

1. Authorize the jurisdictional transfer of Brockport-Spencerport Road, from 0.364 miles west of Washington Street to the intersection of Washington Street and Brockport-Spencerport Road, to the Town of Ogden.
2. Authorize the County Executive, or his designee, to enter into a contract transferring a portion of Brockport-Spencerport Road from Monroe County to the Town of Ogden.
3. Authorize the County Executive, or his designee to execute any and all necessary documents to convey a portion of Brockport-Spencerport Road from Monroe County to the Town of Ogden.

Monroe County Legislature
August 7, 2026
Page 2

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(23) ("mapping of existing roads, streets, highways, natural resources, land uses and ownership patterns") and is not subject to further review under the State Environmental Quality Review Act.

This jurisdictional transfer will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize an Intermunicipal Agreement with the City of Rochester Permitting the Rochester Police Department to Utilize the Monroe County Sheriff's Office's Explosives Storage Bunker Located at 145 Paul Road in the Town of Chili to House its Explosives and Explosives Evidence

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester to permit the Rochester Police Department ("RPD") to utilize the Monroe County Sheriff's Office's ("MCSO") Explosives Storage Bunker located at 145 Paul Road in the Town of Chili, to house its explosives and explosives evidence for the period of October 1, 2026 to September 30, 2027, with the option to renew for three (3) additional one-year terms.

By Resolutions 235 of 2016, 227 of 2019, and 254 of 2022, Your Honorable Body authorized an intermunicipal agreement with the City of Rochester permitting the RPD to co-locate its bunkers, explosives, and explosives evidence with that of the MCSO's bulk explosives and explosives evidence at 145 Paul Road in the Town of Chili (otherwise known as the Monroe County Fleet Center). Co-locating these materials mutually benefit both agencies. Specifically, displaying inter-agency cooperation will help the MCSO maintain current grant awards and obtain future awards relative to explosives and bombs. Further, the MCSO will have immediate availability to RPD's inventory in the event of an emergency.

The specific legislative actions required is to authorize the County Executive, or his designee, to enter into an intermunicipal agreement, and any amendments thereto, with the City of Rochester, permitting the Rochester Police Department to utilize the Monroe County Sheriff's Office's Explosives Storage Bunker located at 145 Paul Road in the Town of Chili, to house its explosives and explosives evidence for the period of October 1, 2026 to September 30, 2027, with the option to renew for three (3) additional one-year terms.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize an Intermunicipal Agreement with Wayne County for Police Tactical Team Cooperation with the Monroe County Sheriff's Office

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with Wayne County for police tactical team cooperation with the Monroe County Sheriff's Office to formalize a relationship between the Wayne County Sheriff's Office and Monroe County Sheriff's Office SWAT units for the period of September 8, 2026 through September 7, 2029, with the option to renew for three (3) additional one-year terms.

This agreement will provide for more efficient utilization of law enforcement resources and services, making tactical team resources available to each participating entity from the other participating entity in the event of an emergency, and eliminate the need to follow the formal procedure set forth in GML §209-m to request assistance from the other party in the form of personnel or equipment.

The specific legislative action required is to authorize the County Executive, or his designee, to enter into an intermunicipal agreement, and any amendments thereto, with Wayne County for police tactical team cooperation with the Monroe County Sheriff's Office for the period of September 8, 2026 through September 7, 2029 with the option to renew for three (3) additional one-year terms.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This agreement will have no impact on revenue or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in blue ink that reads "Adam J. Bello".

Subject: Acceptance of a Grant from the New York State Office of Victim Services for the Sheriff's Victim Assistance Program

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Office of Victim Services for the Sheriff's Victim Assistance Program in the amount of \$410,410 for the Sheriff's Victim Assistance Program for the period of October 1, 2026 through September 30, 2028.

The grant funds three (3) Crime Victim Specialist positions within the Sheriff's Office. The Crime Victim Specialists provide a comprehensive program that engages victims at the crime scene or immediately thereafter and walks them through the criminal justice system as needed. Services provided include: crisis support service; outreach through the home, workplace and hospital; referral service; case status information and accompaniment; short term counseling for victims and their families; advocacy at court proceedings including the provision of information and accompaniment to court; and assistance with property recovery and reimbursement for lost wages and medical bills through New York State Office of Victim Services compensation claim assistance. The County has been receiving grant funding for this program since 1989. This year's funding is an increase of \$22,964 from the previous one-year contract period.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$410,410 grant from, and to execute contracts and any amendments thereto with, the New York State Office of Victim Services for the Sheriff's Victim Assistance Program for the period of October 1, 2026 through September 30, 2028.
2. Amend the 2026 operating budget of the Sheriff Office by appropriating the sum of \$205,205 into general fund 9300, funds center 3803010000, Police Bureau Administration

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

This is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Office of Victim Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the New York State Combined SFY2025 and SFY2026 Statewide Interoperable Communications Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services in the amount of \$3,231,362 for the New York State Combined SFY2025 and SFY2026 Statewide Interoperable Communications Grant Program for the period of January 1, 2026 through December 31, 2030.

This grant provides funding to facilitate the development, consolidation, and/or improved operation of public safety communications in Monroe County to support and enhance statewide interoperable communications for first responders throughout New York State. Funds will be used to support upgrades and improvement to the County's public safety radio system. This is the eleventh time the County has received this funding. This funding is a combined award for two fiscal years, 2025 and 2026.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$3,231,362 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Homeland Security and Emergency Services for the New York State Combined SFY2025 and SFY2026 Statewide Interoperable Communications Grant Program for the period January 1, 2026 through December 31, 2030.
2. Amend the 2026 operating budget of the Department of Public Safety by appropriating the sum of \$3,231,362 into general fund 9300, funds center 2406010000, Public Safety Communications.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balance during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Division of Homeland Security and Emergency Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the Combined SFY2025 and SFY2026 Public Safety Answering Points Operations Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services in the amount of \$558,696 for the Combined SFY2025 and SFY2026 Public Safety Answering Points ("PSAP") Operations Grant Program for the period of January 1, 2026 through December 31, 2028.

The New York State Division of Homeland Security and Emergency Services, through its Office of Interoperable and Emergency Communications, has been designated to administer a grant program to support counties' public safety call-taking and dispatching expenses. The PSAP Operations Grant provides reimbursement to counties for general operating expenses and will be utilized to offset existing 911 staff salary and benefits. This is the eleventh year the County has received this grant. This funding is a combined award for two fiscal years, 2025 and 2026.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$558,696 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Homeland Security and Emergency Services for the Combined SFY2025 and SFY2026 Public Safety Answering Points Operations Grant Program for the period January 1, 2026 through December 31, 2028.
2. Amend the 2026 operating budget of the Department of Public Safety by appropriating the sum of \$58,696 into general fund 9001, funds center 2407010000, 9-1-1 Emergency Communications.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Partial funding for this grant is included in the 2026 operating budget of the Department of Public Safety, general fund 9001, funds center 2407010000, 9-1-1 Emergency Communications. The appropriated amount will adjust the current funding to that established by the grant.

This grant is 100% funded by the New York State Division of Homeland Security and Emergency Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
