BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing the cost of the purchase of Server, Storage and Network Equipment, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$3,750,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of the amount hereby authorized to pay the cost of the aforesaid class of objects or purposes. The period of probable usefulness of the aforesaid class of objects or purposes is ten (10) years, pursuant to subdivision 35 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$3,750,000, and the plan for the financing thereof is by the issuance of \$3,750,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. - 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

EXPERIENCE

Hiller Comerford Injury and Disability Law, Rochester NY — Case Manager Paralegal (VA Department)

February 2025 - PRESENT

For this role, I deal with clients of the firm at all stages of their case, rather than just the beginning as in the previous role. For VA Disability Cases, I file forms and evidence relative to a plethora of potentially relevant health conditions for veterans and their families. I handle a high volume of clients, coordinating communication between them and their attorneys, developing cases ahead of filing appeals, and dealing with the general bureaucracy of a federal department. This role also necessitates considerable empathetic interpersonal skills when speaking with clients, as along with potential mental health conditions stemming from time in service, even dealing with the extended timelines for such a case can be demoralizing.

— Intake Paralegal

September 2023 - February 2025

My responsibilities in this role were with prospective clients, mostly regarding issues with the Social Security Administration. I process information relative to each case, including sensitive personal information such as social security numbers, addresses, income estimates, and medical histories, and ensure that the firm will have an accurate picture of each potential case's background, needs, and details. This job has given me proficiency in case management systems like Smart Advocate, Prevail, and DocuSign.

The Wintergarden/ The Divinity Estate, Rochester NY — Bartender

October 2023 - May 2025

My work mainly revolved around bartending for wedding receptions, where I handled high volumes of people with often complicated drink orders. This helped me hone my attention to detail and memorization skills, and in particular gave me skills for dealing with difficult and impaired people. Additionally, I did this job mainly on the weekends, which helped me to improve my time management and skills with prioritization, given my multiple responsibilities.

Olive Garden, Greece NY — *Bartender, Server*

April 2023 - October 2023

I worked in the standard role taking high volumes of orders each shift and bringing food to tables, ensuring quick and accurate service, and accounting for customer substitutions, preferences, and allergies. Additionally, I essentially filled a sales representative role, upselling items, recommending menu pairings, and explaining culinary terms to customers.
