Subject: Enact a Local Law Entitled “Hybrid Videoconferencing by County Public Bodies”

Honorable Legislators:

The COVID-19 pandemic led to many changes in the professional workplace, the most common being holding remote or virtual meetings. The capabilities and use of videoconferencing technologies have widely expanded and altered to accommodate both private and public sectors. While using videoconferencing by public bodies during the COVID-19 pandemic was a temporary measure – its usage has become a permanent staple of our time.

New York State has amended its Open Meetings Law to allow for permanent hybrid remote or virtual attendance of public bodies. This Local Law is pursuant to Public Officers Law Section 103-a and will allow Monroe County to follow suit and update its procedures for the 21st century.

Pursuant to Public Officers Law Section 103-a, this Local Law will permit hybrid meeting attendance, requiring a quorum of members of the County Public Body to be gathered together at physical locations open to the public. Members shall be physically present at any such meeting unless such member is unable to be physically present at any such meeting location due to extraordinary circumstances, as outlined in the resolution, including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member’s physical attendance at such meeting.

The specific legislative action required is to:

1. Schedule and hold a public hearing.

2. Adopt the local law as attached.
The legislative action requested in this referral is not an "Action" as that term is defined in Article 6 NYCRR.2(b) and is not subject to the State Environmental Quality Review Act.

This action would have no impact on the current Monroe County budget.

Sincerely,

Sabrina LaMar
