Subject: Home Rule Message for Assembly Bill No. A.6213-A Entitled "AN ACT in relation to authorizing town of Webster, county of Monroe, to alienate certain lands used as parkland and to dedicate certain other lands as parklands"

Honorable Legislators:

We recommend that this Honorable Body adopt a home rule message in regard to the above bill which will allow the County of Monroe ("County") to exchange real property with the Town of Webster ("Webster").

The Town has submitted a Home Rule Request to New York State to alienate an approximately 16,970 square feet parcel of parkland along the northwest side of Lake Road, to be used as right of way for Lake Road. Per Resolution 171 of 2021, Monroe County has approved the acceptance of the parcel of parkland from the Town of Webster once it has been alienated and will transfer to the Town of Webster of approximately 21,141 square feet parcel along the southeast side of Lake Road that will be dedicated as parkland.

The specific legislative action required is to adopt a home rule message resolution for Assembly Bill No. A.6213-A Entitled "AN ACT in relation to authorizing town of Webster, county of Monroe, to alienate certain lands used as parkland and to dedicate certain other lands as parklands."

This action is a Type I Action under the New York State Environmental Quality Review Act ("SEQRA"). The Town of Webster conducted a coordinated review and found that the proposed action will not result in any significant adverse environmental impacts. The Town of Webster has therefore issued a Negative Declaration for this action and no further action under SEQRA is required.

This action will have no impact on the revenues or expenditures of the current Monroe County budget.

We recommend that this matter receive favorable action by this Honorable Body.

Sincerely,

Adam J. Bello
