Subject: Amending Resolution 105 of 2022 as Amended by Resolution 184 of 2022 to Substitute the Correct Name for a Non-Profit Organization

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 105 of 2022 as amended by Resolution 184 of 2022 to substitute an organization’s name to allow proper reimbursement under County Law § 224. This amendment is required due to the original and amended resolutions naming Upstate New York American Football & Cheer Inc. (“Upstate”) as the reimbursement-eligible organization instead of Flower City Panthers Youth Athletics, the organization to which the funding was intended for. Upstate is the umbrella organization and has no part in costs that Flower City Panthers Youth Athletics would incur and claim for reimbursement under Resolutions 105 and 184 of 2022 and County Law § 224.

Pursuant to the requirements of County Law § 224, the contract shall still require the rendering of a verified account of the disbursements with verified or certified vouchers therefor attached and a refund of any unused amount.

The specific legislative actions required are:

1. Amend Resolution 105 as amended by Resolution 184 of 2022 to substitute “Flower City Panthers Youth Athletics” for “Upstate New York American Football & Cheer Inc.”

2. Authorize the County Executive, or his designee, to enter into a contract in the amount of $20,000 with the following non-profit organization for the purpose of preventing cruelty to children in accordance with County Law § 224(4): Flower City Panthers Youth Athletics. Such contract shall require the rendering of a verified account of the disbursements with verified or certified vouchers therefor attached and a refund of any unused amount, in accordance with the requirements of County Law § 224.

This appropriation of fund balance will have no net impact on the revenues or expenses in the current Monroe County budget.
This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(21) ("minor temporary uses of land having negligible or no permanent impact on the environment") and (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Sincerely,

Sabrina LaMar
