LOCAL LAW ENTITLED "PROHIBITING CYBER-BULLYING IN MONROE COUNTY"

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Part IV, General Local Laws of the Administrative Code and Charter of Monroe County, is hereby amended to include the following Local Law:

CHAPTER 382. PROHIBITING CYBER-BULLYING IN MONROE COUNTY

§382-1. Title.

This chapter shall be known as the law "Prohibiting Cyber-Bullying in Monroe County."

§382-2. Legislative Intent.

The Legislature finds that:

A. Bullying is a long-standing problem among school-aged children in Monroe County and throughout the nation. With increasing accessibility to electronic means of communication, bullying has transformed from a predominately school-based issue to a broader societal problem.

B. Recent studies indicated cyber bullying affects about 1 in 5 students today.

C. A bullied child can no longer count on respite from attacks upon returning home from school. Cyber bullying can be a 24-hour, 7-day a week problem.

D. Several states have enacted laws criminalizing cyber-bullying. To date, the New York State Legislature has failed to take action on this problem. Monroe County should not wait for New York State to act and should implement legislation to discourage and prevent cyber-bullying from occurring.

§382-3. Purpose.

The purpose of this section is to ban cyber-bullying against minors in Monroe County.

§382-4. Definitions. As used in this section:

A. County – the County of Monroe, New York.

B. Computer network – shall mean the interconnection of hardware or wireless communication lines with a computer through remote terminals, or a complex consisting of two or more interconnected computers.

C. Cyber-Bullying – shall mean, with intent to harass, annoy, threaten, or place another in fear of personal injury, engaging in a course of conduct or repeatedly committing acts of abusive behavior over a period of time by communication or causing a communication to be sent by mechanical or electronic means, posting statements or images on the internet, through a computer network, or via cell or smart phone. Acts of abusive behavior shall include, but not be limited to: taunting; threatening; intimidating; insulting; tormenting; humiliating; disseminating sexually explicit photographs, either actual or modified, of a minor; disseminating the private,
personal or sexual information, either factual or false, of a minor without lawful authority.

D. Minor – shall mean any natural person or individual under the age of eighteen (18).

E. Person – shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint-stock association, or other entity or business organization of any kind.

§382-5. Prohibitions.

It shall be unlawful for a person to engage in cyber-bullying against any minor in Monroe County.

§382-6. Enforcement and Penalties.

Any person violating the provisions of this Chapter shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not exceeding $1,000 per offense, and/or up to one year's imprisonment.

§382-7. Severability.

If any clause, sentence, paragraph, section or article of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such determination shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or article thereof directly involved in the proceeding in which such adjudication shall have been rendered.

§382-8 Reverse Preemption.

This law shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this local law or in the event that a pertinent state or federal administrative agency issues and promulgates regulations preempting such action by Monroe County. The County Legislature may determine via mere resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this section.

Section 2. This local law shall take effect immediately upon filing with the Secretary of State pursuant to Section 27 of the New York State Municipal Home Rule Law.

ADOPTING 2012 ANNUAL WORK PROGRAM FOR MONROE COUNTY LEGISLATURE

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. In accordance with Section C2-4(B)(6) of the Monroe County Charter, the Legislature hereby adopts the 2012 Annual Work Program for the Monroe County Legislature, as follows:

OBJECTIVES OF THE MONROE COUNTY LEGISLATURE

In response to the tough economic times which face the residents and taxpayers in the State of New York, we, the Monroe County Legislature, intend to utilize policies which create jobs, reduce spending, maintain or reduce property taxes, promote ethical leadership, steward public infrastructure and enhance public safety by enacting the following work plan.

Jobs

It shall be the general objective of the Monroe County Legislature to work to create an environment in which private enterprise can grow and be able to flourish. Through careful oversight and strategic utilization of economic incentives, including, but not limited to, PILOT agreements, and facility bonding, we will strive to provide businesses with the ability to create jobs locally while remaining competitive with businesses in other states and countries.

To support this objective the Legislature will:

- Encourage and seek legislation to facilitate orderly economic expansion and growth, and increase opportunity for discretionary revenues, programmatic, and financial flexibility for the County
- Encourage bi-partisan cooperation to facilitate positive relationships with community stakeholders in order to fuel economic development

Spending Reductions

It shall be the general objective of the Monroe County Legislature to reduce and eliminate unfunded state and federal mandated spending. If programs are deemed by the state or federal government to be essential, then they should be fully funded by the state or federal government. In support of this objective, the Legislature will work with the County Executive to lobby both the State and Federal governments for mandate relief.

To support this objective the Legislature will:

- Oppose unfunded mandates, including County control of the relevant programs and program expenditures and oppose any re-alignment initiatives which fail to fully fund services shifted to the County
- Encourage the use of intermunicipal agreements which save expenditures by both county and other municipal partners

Property Tax Stability

It shall be the general objective of the Monroe County Legislature to provide basic government services in a way which does not increase the property tax burden on taxpayers. Monroe County must continue to find innovative ways to pay for required programs without imposing additional property taxes on its residents.

To support this objective the Legislature will:
Encourage and seek legislation that protects the County’s quality of life, its diverse natural resources, and preserves the essence and history of the County while balancing the economic realities facing taxpayers in our community.

Evaluate current and future state budgets for impacts on the County’s provision of required services and revenue streams attached to such mandates.

**Ethical Leadership**

It shall be the general objective of the Monroe County Legislature to promote an environment free of unethical and wasteful government behavior. By leading from example, the Legislature must set a high standard for ethical conduct and personal integrity. Only by this example, are we able to govern effectively.

To support this objective the Legislature will:

- Promote policies which encourage personal responsibility in and out of the workplace.
- Encourage usage of the Monroe County Whistleblower Hotline by employees or members of the public who witness or have information regarding unethical, illegal, or unacceptable behavior by Monroe County employees.

**Infrastructure**

It shall be the general objective of the Monroe County Legislature to oversee county projects and improvements to our infrastructure in a diligent manner considering the costs to taxpayers, the environment, and neighbors.

To support this objective the Legislature will:

- Ensure projects are being done in a cost effective manner while focusing on projects in areas of need for roads, bridges, and other infrastructure necessities.
- Consider the environmental impacts of county policies, practices, and infrastructure projects.

**Public Safety**

It shall be the general objective of the Monroe County Legislature to ensure effective and efficient public safety is provided. Through responsible oversight, the Legislature, working collaboratively with the Monroe County Sheriff’s Office, the Monroe County District Attorney, the Monroe County Public Defender, the Monroe County Department of Public Safety, the Monroe County Office of Probation – Community Corrections and other community resource groups, will continue to increase the level of expertise and strategic investment of resources to adequately provide public safety services to our community.

To support this objective the Legislature will:

- Develop policies which will analyze and seek to reduce the recidivism rate amongst the Monroe County inmate population.
- Encourage use of technology to streamline the provision of public safety equipment and services.

**Human Services**

It shall be the general objective of the Monroe County Legislature to thoroughly and effectively review the programs of the Monroe County Department of Human Services in order to assess their efficacy.

To support this objective the Legislature will:

- Request periodic reporting about programs run by or through the Monroe County Department of Human Services.
- Discuss and suggest ways to more effectively and cost efficiently provide human services to specific populations in our community including, but not limited to, the elderly, children, and youth.
Monroe County Visibility

It shall be the general objective of the Monroe County Legislature to advocate for this community by highlighting cultural treasures and our economic infrastructure and by continuing to promote diversity in the community and in local government.

To support this objective the Legislature will:

Section 1. For the class of objects or purposes of financing the cost of the design and replacement of Edgemere Drive Bridge over Round Pond Outlet (BIN 3211130), in and for the County of Monroe, New York (the “County”), there are hereby authorized to be issued $1,419,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional $75,000 to pay the cost of the aforesaid class of objects or purposes ($1,344,000 having been heretofor appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid class of objects or purposes is twenty (20) years, pursuant to subdivision 10 of paragraph a of Section 11.00 of the Local Finance Law, computed from July 13, 2010, the date of the first obligation issued therefor.

Section 2. The maximum estimated cost thereof is $1,419,000, and the plan for the financing thereof is by the issuance of $1,419,000 bonds of the County herein authorized; provided, however, that to the extent any State and/or Federal aid and/or grant is received for the aforesaid purpose, such aid and/or grant shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance-Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance-Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance-Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be
prescribed by said Director of Finance-Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance-Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance-Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance-Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance-Chief Financial Officer. The Director of Finance-Chief Financial officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance-Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution or as authorized by any resolution which this resolution supersedes, may be contested only if:

1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or

2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 352 of 2010, being a bond resolution dated December 14, 2010, except to the extent that any indebtedness shall have already been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose and the amount of bonds to be issued therefor from $1,344,000 to $1,419,000.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are
reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to cause this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner provided by Section 81.00 of the Local Finance Law.
