ARTICLE XII, Residential-Commercial Urban Exemption Program

Pursuant to §485-a of the Real Property Tax Law, and as provided under this section, this Body hereby authorizes an exemption from real property taxation and special ad valorem levies attributable to the increase in assessed value associated with the conversion to mixed residential-commercial use for properties eligible for said exemption.

§357-47. Eligibility.

An eligible real property must be located within the City of Rochester Center City Zoning District. The cost of the conversion to mixed-use residential-commercial shall have a minimum cost of two hundred fifty thousand dollars ($250,000) and provided further that as a result of the conversion at least twenty-five percent (25%) of the total developed floor space is used for residential purposes.

This local law shall be in effect for the years of 2004 through 2005, 2006, 2007, 2008, 2009, and 2010, 2011, 2012 2015 assessment rolls. Any property that is granted an exemption on one of those rolls shall remain eligible for the additional years of exemption on that property, provided the property continues to meet the requirements of §485-a.

§357-48. Duration and computation of exemption.

The base shall be determined for each year in which there is such an increase attributed to an eligible conversion. The exemption is to be calculated by the following method:
