RESOLUTION AUTHORIZING THE ISSUANCE OF $3,675,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE RECONSTRUCTION AND WIDENING OF LONG POND ROAD PHASE V (FROM LARKIN CREEK TO LAKE ONTARIO STATE PARKWAY), IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF $3,675,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON MARCH 11, 2014 (RESOLUTION NO. 141 OF 2014)

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, NEW YORK, as follows:

Section 1. For the class of objects or purposes of financing the cost of the reconstruction and widening of Long Pond Road Phase V (from Larkin Creek to Lake Ontario State Parkway), in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued $3,675,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional $125,000 to pay the cost of the aforesaid class of objects or purposes ($3,550,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid class of objects or purposes is fifteen (15) years, pursuant to subdivision 20 of paragraph a of Section 11.00 of the Local Finance Law, computed from July 18, 2008, the date of the first obligation issued therefor.

Section 2. The maximum estimated cost thereof is $3,675,000 and the plan for the financing thereof is by the issuance of $3,675,000 bonds of the County herein authorized; provided, however, that to the extent any State and/or Federal aid and/or grant is received for the aforesaid purpose, such aid and/or grant shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance-Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance-Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance-Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance-Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance-Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to
facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance-Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance-Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance-Chief Financial Officer. The Director of Finance-Chief Financial officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance-Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution or as authorized by any resolution which this resolution supersedes, may be contested only if:

1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or

2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 141 of 2014, being a bond resolution dated March 11, 2014, except to the extent that any indebtedness shall have already been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose and to increase the amount of the bonds to be issued therefor from $3,550,000 to $3,675,000.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to cause this resolution or a summary
hereof to be published, together with a notice attached in substantially the form and in the manner provided by Section 81.00 of the Local Finance Law.

LOCAL LAW ENTITLED "ESTABLISHMENT OF COUNTY OF MONROE WIRELESS SURCHARGE"

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Pursuant to the authority of Section 308-y of the County Law, the County of Monroe hereby imposes a surcharge of thirty cents per month on wireless communications service in the County of Monroe. The surcharge shall be imposed on each wireless communications device and shall be reflected and made payable on bills rendered for wireless communications service that is provided to a customer whose place of primary use is within the county. For purposes of this local law, the term "place of primary use" shall mean the street address that is representative of where the customer's use of the wireless communications service primarily occurs, which address must be: (a) the residential street address or the primary business street address of the customer; and (b) within the licensed service area of the wireless communications service supplier. A wireless communications service supplier may treat the address used by such supplier for any wireless communications customer under a service contract or agreement in effect on September 29, 2014 as that customer's place of primary use for the remaining term of such service contract or agreement, excluding any extension or renewal of such service contract or agreement, for purposes of determining the taxing jurisdiction with respect to taxes on wireless communications service. Such surcharge shall be added by such wireless communications service suppliers to the billings of their customers as of November 17, 2014.

Section 2. Each wireless communications service supplier serving the County of Monroe shall act as collection agent for the county and shall remit the funds collected pursuant to this local law to the Director of Finance - Chief Financial Officer of the County of Monroe. Such funds shall be remitted no later than thirty (30) days after the last business day of the month. Each wireless communications service supplier shall be entitled to retain, as an administrative fee, an amount equal to two percent (2%) of its collections of the surcharge imposed by this local law. The surcharge required to be collected by such wireless communications service suppliers shall be added to and separately stated in their billings to customers.

Section 3. Each wireless communications service customer who is subject to the provisions of this local law shall be liable to the County of Monroe for the surcharge until it has been paid to the county, except that payment to a wireless communications service supplier is sufficient to relieve such customer from further liability for such surcharge.

Section 4. No wireless communications service supplier shall have a legal obligation to enforce the collection of any surcharge imposed by this local law; provided, however, that whenever the wireless communications service supplier remits the funds collected to the County of Monroe, it shall also provide the county with the name and address of any customer refusing or failing to pay a surcharge imposed by this local law and shall state the amount of such surcharge remaining unpaid.

Section 5. Each wireless communications service supplier shall annually provide to the County of Monroe an accounting of the surcharge amounts billed and collected.

Section 6. This local law shall take effect upon filing with the office of the Secretary of State of New York State.
