LOCAL LAW NO. ___ OF 2021

ENACTING LOCAL LAW ENTITLED “PHARMACIES TO PROVIDE NOTICE ON THE AVAILABILITY OF NALOXONE”

BE IT ENACTED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Legislative Intent. While our community has made significant efforts to support residents battling opioid addiction, we must continue to remove barriers to treatment and end the stigma associated with this public health crisis.

Opioid antagonists, such as naloxone/Narcan, are effective in neutralizing the effects of an opioid overdose. Over 100 pharmacies in Monroe County provide this life-saving medicine without a prescription through standing orders pursuant to New York State Public Health Law. It is the intent of this local law to ensure that the public is aware that this resource is available; promote the spread of information as to the causes, nature, and prevention of opioid use disorder; and preserve and improve public health.

Section 2. Definitions. The following terms used in this local law shall have the meanings indicated:

1. “Opioid” means an opiate as defined in section 3302 of the Public Health Law.

2. “Opioid antagonist” means a drug approved by the Food and Drug Administration, that, when administered, negates or neutralizes in whole or in part the pharmacological effects of an opioid in the body. An opioid antagonist is limited to naloxone or other medications approved by the New York State Department of Health for this purpose.

3. “Pharmacy” means a pharmacy registered in accordance with Article 137 of the New York State Education Law.

4. “Public Health Notice” means notice of the availability of an opioid antagonist at a particular pharmacy in a form provided by the Monroe County Department of Public Health.

5. “Standing order” means a non-patient specific prescription to dispense an opioid antagonist to a consumer.

Section 3. Pharmacies to Notify Customers of Availability of Opioid Antagonists with the Delivery of an Opioid.

1. All pharmacies within Monroe County that maintain a standing order must provide a Public Health Notice to customers to whom the pharmacy dispenses an opioid. Such Public Health Notices must be signed by the customer to acknowledge receipt prior to the dispensation of an opioid in accordance with Section 3(2), below.

2. Pharmacies within Monroe County that maintain a standing order must provide a Public Health Notice:

a. The first time a customer fills an opioid prescription at the pharmacy;
b. The first time a customer renews, refills, and/or fills a new prescription for an opioid after the effective date of this local law; or

c. Any time there is a change in a customer’s prescription, including but not limited to dosage amount or frequency.

3. The provisions of this local law shall not limit the authority of a health care professional to prescribe, dispense or distribute, or of a pharmacist to dispense, an opioid antagonist under any other provision of local, state, or federal law.

Section 4. Severability. If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. Effective Date. This local law shall take effect 90 days after it is filed with the Secretary of State in accordance with the provisions of the Municipal Home Rule Law.

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR SALE OF COUNTY OWNED TAX FORECLOSURE PROPERTY LOCATED AT 2462 SWEDEN WALKER ROAD, CLARKSON, NEW YORK

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the County owned tax foreclosure property located at 2462 Sweden Walker Road, Clarkson, New York is an Unlisted action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated October 20, 2020 and has considered the potential environmental impacts of the sale of County owned tax foreclosure property located at 2462 Sweden Walker Road, Clarkson, New York pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Part 3 Determination of Significance

For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Although wetlands exist on the site, the proposed action does not include physical alteration of the site and any future use of the property will need to be reviewed and consistent with the current zoning code and permitting requirements for Wetlands from state and federal regulatory bodies. It has been determined that no significant adverse environmental impacts from this action will occur.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

RESOLUTION NO. ______ OF 2021

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR SALE OF COUNTY OWNED TAX FORECLOSURE PROPERTY LOCATED AT 90 DUNBAR ROAD, PARMA, NEW YORK

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the County owned tax foreclosure property located at 90 Dunbar Road, Parma, New York is an Unlisted action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated October 20, 2020 and has considered the potential environmental impacts of the sale of County owned tax foreclosure property located at 90 Dunbar Road, Parma, New York pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Short Environmental Assessment Form
Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is the sale of the property and does not include the physical alteration nor disturbance of the property. Although wetlands exist on the site, the proposed action does not include physical alteration of the site and any future use of the property will need to be reviewed and consistent with the current zoning code and permitting requirements for Wetlands from state and federal regulatory bodies. It has been determined that no significant adverse environmental impacts from this action will occur.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☑ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
