Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with Steve General Contractor, Inc. in the amount of $1,381,000, for general construction, Billitier Electric, Inc., in the amount of $394,300, for electrical construction, Pipitone Enterprises, LLC., in the amount of $345,700, for the mechanical construction, WYCO Mechanical LLC, in the amount of $324,140, for plumbing construction, and the Dormitory Authority of the State of New York (DASNY), in the amount of $310,000, for the Monroe Community College Building 7 - Science Lab Renovation Project.

This project involves renovations to approximately 11,800 square feet of science lab and support space on the first floor of MCC Building 7 (Sciences Building) at the Brighton Campus. The project will result in new lab configurations and equipment meeting current teaching modalities. Work will include general mechanical, electrical and plumbing; heating, ventilation and air conditioning and electrical systems including upgrades to fire systems, carbon monoxide detection, tel-data, audio-visual information technology and security systems. The project is scheduled to be complete in time for the fall 2019 semester.

The County will enter into a contract with DASNY in the amount of $310,000 to coordinate interior design services and to purchase all furniture, fixtures and equipment for the project. DASNY’s services would include scheduling, procurement, delivery, installation, training, warranty, enforcement, setup, testing, acceptance and certification.
