BELLO ANNOUNCES AMERICAN AIRLINES EXPANDING NONSTOP SEASONAL FLIGHTS FROM FREDERICK DOUGLASS - GREATER ROCHESTER INTERNATIONAL AIRPORT TO MIAMI

Additional nonstop flights to Miami will be available from June 5th to August 14th; nonstop winter service will be offered for the second year in a row from November 13, 2021 through April 2, 2022

ROCHESTER, NY — Monroe County Executive Adam Bello is pleased to announce that American Airlines will be extending its nonstop seasonal service from Frederick Douglass - Greater Rochester International Airport (ROC) to Miami International Airport (MIA). Additional flights will be available from June 5, 2021 through August 14, 2021. The service will also return for its second winter season on November 13, 2021 to April 2, 2022.

“I am grateful to American Airlines for recognizing the importance of continued investment in our market and the interest of our snowbirds and travelers in having nonstop service to Miami during the summer and winter seasons,” said Bello. “American Airlines added nonstop service from ROC to MIA last year, which was the first time residents here had the opportunity to fly nonstop to MIA from our airport. These flights offer an affordable and convenient way for our residents and families to visit Florida’s largest international travel gateway and access service to more than 70 cities across the Caribbean and Latin America.”

The nonstop service will operate Saturdays only on Embraer 175, 76-seat aircraft.

Passengers can begin booking tickets today online at www.aa.com. Strong passenger support of these nonstop flights demonstrates that our community can support additional nonstop service in the future. American Airlines schedules are subject to change based on demand and conditions due to COVID-19.

The Frederick Douglass - Greater Rochester International Airport continues to take extra precautions to promote health and safety at the airport with the #ReadySetROC initiative. We have introduced new procedures and preparations as air travel begins to slowly grow as we emerge from the COVID-19 pandemic. Ongoing #ReadySetROC initiatives include enhanced cleaning, additional hand sanitizing stations, face covering policies, social distancing markers and reminders, plastic shields at all public counters and other educational materials.
