ROCHESTER, NY — Monroe County Executive Adam Bello today signed legislation that enacts a recruitment and retention initiative for current and future county employees. The plan, approved by the Monroe County Legislature during its June 14 meeting, provides a 2% raise for all full-time county employees, as well as six \$500 quarterly retention bonuses for full-time employees outside of upper management, and for new hires.

“This initiative will help us recruit and retain the talented employees who provide the services we rely on to protect our health, safety and quality of life,” **said County Executive Bello**. “I know our community is full of people looking for the right opportunity, and we are doing what it takes to build our workforce. I encourage all job seekers to explore what Monroe County has to offer.”

The county’s salary schedules will be adjusted as of July 1, 2022 and the retention bonuses will begin on the same date. The maximum individual bonus paid out over 18 months will be \$3,000.
