## **Monroe County Executive Adam Bello Announces Job Opportunities at Monroe Community Hospital**

Rochester, NY – As we continue to confront the COVID-19 pandemic and its many challenges, Monroe County Executive Adam Bello is encouraging healthcare professionals to apply for open positions at Monroe Community Hospital (MCH).

“The impact of the COVID-19 pandemic has been felt throughout the community, including at MCH. We have a critical need for Registered Nurses and clinical professionals to help care for some of our most vulnerable residents at a time when they need it most,” said Bello. “I would like to thank the existing MCH staff for all you are doing to keep our community safe throughout the pandemic and every day. You are an amazing team – one that I urge others to join.”

There are multiple open positions, including dozens of nursing jobs, Nurse Manager and Assistant Administrator positions. Full job descriptions, salary ranges and applications are available at [www.monroecounty.gov](http://www.monroecounty.gov).

“We do important work at MCH,” said Executive Health Director Alyssa Tallo. “I already knew that the people working here were among the most dedicated, passionate and skilled out there. The COVID pandemic has really brought that home. MCH isn’t just a place to work. We are a family. We all have a sense of purpose and take pride in what we do. Please join us.”

MCH is a fully certified residential health care facility, providing long-term care for individuals with complex health conditions requiring higher levels of medical and nursing care. More than 800 people work at MCH.
