## **Monkeypox Vaccination Clinics Open Next Week by Appointment Only**

The Monroe County Department of Public Health will begin offering monkeypox vaccinations next week. Appointments are required. *We will not be able to accommodate walk-in patients.* To schedule an appointment, go to [MonroeCounty.gov/Health](https://www.monroecounty.gov/Health). We anticipate these appointments will fill quickly. We will announce additional vaccine clinics in the near future.

- **LOCATION #1: Monroe County Immunization Clinic, 111 Westfall Rd., Rochester, NY 14620**
  - Monday, July 25
  - Friday, July 29
  
- **LOCATION #2: Monroe County Sexual Health Clinic, Bullshead Plaza, 855 W. Main St., Rochester 14611**
  - Tuesday, July 26
  - Thursday, July 28

At this time, the following individuals are eligible to schedule an appointment:

- You are a gay or bisexual male, a man who has sex with men, and/or transgender, gender non-conforming, or gender non-binary AND,
- Age 18 or older AND,
- Have had multiple or anonymous sex partners in the last 14 days.

If the Department of Public Health has notified you that you are a close contact of someone with monkeypox, you do not need to make an online appointment. We will provide you with direction and will set up a separate appointment for you.

Individuals who have been diagnosed with monkeypox are not eligible for the vaccine. You should continue working with your health care provider for guidance.
