U.S. ARMY CORPS OF ENGINEERS DREDGING PROJECT TO DELAY TRAFFIC ON PATTONWOOD DRIVE

ROCHESTER, NY — The Monroe County Department of Transportation advises motorists traveling on Pattonwood Drive to prepare for frequent lifts of the Colonel Patrick O’Rorke Memorial Bridge as the U.S. Army Corps of Engineers begins dredging operations along the Genesee River. The operation is expected to continue for three to four weeks and motorists should expect short delays or use alternate routes for the duration of the project.
